Rethinking European Welfare Transformations Of European Social Policy:

Rethinking European Welfare Janet Fink,Gail Lewis,John Clarke,2001-03-29 This is an important and timely book not least in considering the EU's inchoate social regime alongside established national systems that draws attention to the subtle yet often neglected ways in which welfare systems unwittingly distort the lives of their beneficiaries Political Studies Rethinking European Welfare provides a wide ranging and innovative rethinking of the study of Europe and social policy and offers new ways of analysing European welfare and its future Whilst acknowledging the importance of research and analysis of policy making in Europe this Reader addresses a range of other challenging and provoking issues which have been marginalized or ignored in the study of European social policy It will be essential reading for students of European social policy social and public administration social work sociology politics cultural studies and European studies *Rethinking European Welfare* J. Fink (Lewis, G., Clarke, J.), Rethinking European Welfare Janet Fink,Gail Lewis,John

Clarke,2001-05-25 Rethinking European Welfare provides a wide ranging and innovative rethinking of the study of Europe and social policy and offers new ways of analyzing European welfare and its future Whilst acknowledging the importance of research and analysis of policy making in Europe this Reader addresses a range of other challenging and provoking issues which have been marginalized or ignored in the study of European social policy **Rethinking Europe** Gerard Delanty,Chris Rumford,2005-09-15 Dominant approaches to the transformation of Europe ignore contemporary social theory interpretations of the nature and dynamics of social change Here Delanty and Rumford argue that we need a theory of society in order to understand Europeanization This book advances the case that Europeanization should be theorized in terms of globalization major social transformations that are not exclusively spear headed by the EU the wider context of the transformation of modernity This fascinating book broadens the terms of the debate on Europeanization conventionally limited to the supersession of the nation state by a supra national authority and the changes within member states consequent upon EU membership Demonstrating the relevance of social theory to contemporary issues and with a focus on European transformation rather than simplistic notions of Europe building this truly multidisciplinary volume will appeal to readers from a range of social science disciplines including sociology geography political science and European studies

The Oxford Handbook of Family Policy Over the Life Course Mary Daly,Birgit Pfau-Effinger,Neil Gilbert,Douglas J. Besharov,2023 Drawing on a multidisciplinary group of experts from many countries this Handbook is intended to be a reference work that provides students and scholars in policy related disciplines a wide ranging perspective on the diverse ways that family policies respond to modern issues and trends over the life course The Handbook is divided into two main parts The first part offers a panoramic introduction to the setting and issues which contemporary family policies have been designed to address The second part and main body of the volume is organized around four benchmark periods that encompass the main stages of the family life cycle and social policies that are called into play during these stages

Gender and Family in European Economic Policy Diana Auth,Jutta Hergenhan,Barbara Holland-Cunz,2016-12-13 This collection explores how pioneering gender equality policies have shaped women s economic presence in Europe since 2000 Equal pay policies parental leave reforms corporate quotas and electoral quotas have raised pressing questions about the effectiveness in promoting equal participation as researchers quote both quantitative improvement in gender diversity and qualitative lag in cultural change The chapters in this book present interlocking cross national and cross policy comparisons of the three most controversial reforms equal pay parental leave and quotas for political representatives The contributors address the cultural context in which reforms arose internally contradictory policies and the relative effectiveness of fast track quotas and incentives compared to long term efforts to change the overall culture of gender This critical examination of the new millennium s groundbreaking gender policies will appeal to academics and practitioners interested in the progress of gender equality in the economic political and social welfare fields Negotiating Social Relations in Bosnia and Herzegovina Stef Jansen,Čarna Brković,Vanja Čelebičić,2016-07-15 Exploring recent configurations of social relations in post socialist post war post Yugoslav Bosnia and Herzegovina this collection of ethnographic research

turns an analytical lens on questions of sociality Contributions based on long term in depth research projects explore how people in different parts of BiH make and remake social relations and outline how their practices of sociality relate to donor set priorities and formal human rights provisions The book explores the socio political concerns which have emerged within BiH incites interdisciplinary conversations and sheds critical light on ways of engaging with these concerns and discusses forms of sociality politics and agency which remain largely absent from the official political discourse and practice of local and foreign actors Explicitly focusing on social relations in BiH against the historical background of both war and Yugoslav socialism and directly placing these in relation to authoritative discourses and policies regarding BiH today brings the different strands together while the commentaries of specialists who have studied BiH in different ways explicitly situates the contribution of ethnographic work in the country
