Rethinking Prostitution Purchasing Sex In The 1990s:

Rethinking Prostitution Graham Scambler, Annette Scambler, 1997 Contributors from a wide variety of researchers activists and sex workers re examine prostitution Covers male and female sex workers their status in law drugs health changing nature of sex work pimps the potential for redefining prostitution

Children in the Global Sex Trade Julia O'Connell Davidson, 2005-03-11 An account of the many and varied ways in which children become involved in the sex trade this work presents the global political and economic inequalities that underpin children s exploitation

Prostitution, Women and Misuse of the Law Helen J. Self, 2004-08-02 This is an examination from a feminist historian s standpoint of the background to the present system of regulating prostitution in Britain which is generally admitted to be not only unjust and discriminatory but ineffective even in achieving its stated aims Concentrating on the 1950s and especially on the Wolfenden Report and the 1959 Street Offences Act it is a thorough exposure of the sexual double standard and general misogynist assumptions underlying legislation relating to prostitution In addition to the detailed analysis of the 1950s legislation and the background to it there is an exposition of the subsequent workings of the Act and of attempts to amend or repeal it

Sex Tourism Michael C. Hall, Chris Ryan, 2005-07-08 Sex Tourism examines the issues which emerge from sex worker client interactions and from tourists visiting sex destinations It is a comprehensive summary of past research by academics and original primary and secondary research by the authors and has examples from Asia Australasia and the USA The authors have generated new models to show different dimensions of sex tourism which normalise at least some components of the sex industry and represent a new way of looking at sex tourism by challenging the preconceived perceptions that some people have of sex tourism or confirm the impression of others Sex Tourism looks at issues of importance to those working in tourism women s studies gender studies and social change

Prostitution Teela Sanders, Maggie O'Neill, Jane Pitcher, 2009-09-01 This imaginative and comprehensive introduction to the sex industry is as welcome as it is timely This is a rewarding and topical book that I would urge all interested parties to consult Graham Scambler Professor of Medical Sociology University College London A remarkably thorough analysis of prostitution in contemporary society Situating sex work at the intersection of economy occupation and emotion the authors illuminate the complex forces that shape prostitution within an emerging global order Bringing their analysis full circle they close with a helpful exploration of the methods by which researchers are able to investigate an area of such danger and controversy All in all a courageous and important book Jeff Ferrell Visiting Professor of Criminology University of Kent UK and Professor of Sociology Texas Christian University USA This excellent text fills a gap in the market as it explores the full range of issues covering sex work policy and politics A fascinating and informative text which will become the leading handbook in this area Dr Louise Westmarland Senior Lecturer in Criminology The Open University Many commentators have attempted to analyze and explain the nature of prostitution However this is the first textbook to offer a complete overview of the way it operates

within contemporary society its characteristics organizational structures and cultural contexts The book also explores how criminal social and health policies have sought to regulate and control the selling of sex This introduction to the sociology and criminology of sex work is comprehensive covering all key areas common to the study of the female sex industry and also includes male and transgender sex work and the sexual exploitation of young people interdisciplinary combining sociological approaches with criminology criminal justice studies social policy health research and sexuality studies comparative including the international context of the sex industry drawing on European and other examples of law regulation and systems that govern the sex industry student focused offering a lively writing style case studies summaries of relevant legislation study questions and guidance on further reading accessible assisting student learning and aiding lecturers in their teaching Written by leading experts with over 20 years experience in researching and teaching in the field this is a must for all criminology criminal justice and sociology students taking modules in sex industry and prostitution studies It will also appeal to those in gender studies and social policy

Third Party Sex Work and Pimps in the Age of Anti-trafficking Amber Horning, Anthony Marcus, 2017-01-03 This volume is a compilation of new original qualitative and ethnographic research on pimps and other third party facilitators of commercial sex from the developed and developing world From African American pimps in the United States and Eastern European migrants in Germany to Brazilian cafet os and cafetinas this volume features the lives and voices of the men and women who enable diverse and culturally distinct sex markets around the world In scholarly popular and policy making discourses such individuals are typically viewed as larger than life hustlers violent predators and brutal exploiters However there is actually very little empirical research based knowledge about how pimps and third party facilitators actually live labor and make meaning in their everyday lives Nearly all previous knowledge derives from hearsay and post hoc reporting from ex sex workers customers police and government agents neighbors and self aggrandizing fictionalized memoirs This volume is the first published compilation of empirically researched data and analysis about pimps and third parties working in the sex trade across the globe Situated in an age of highly punitive and ubiquitous global anti trafficking law it challenges highly charged public policy stereotypes that conflate pimping and sex trafficking in order to understand the lived experience of pimps and the men and women whose work they facilitate

Taking the crime out of sex work Gillian Abel, Lisa Fitzgerald, Catherine Healy, 2010-05-19 New Zealand was the first country in the world to decriminalise all sectors of sex work This book provides an in depth look at New Zealand s experience of decriminalisation It provides first hand views and experiences of this policy from the point of view of those involved in the sex industry as well as people involved in developing implementing researching and reviewing the policies Presenting an example of radical legal reform in an area of current policy debate it will be of interest to academics researchers and postgraduates as well as policy makers and activists

Criminal Investigation of Sex Trafficking in America Leonard Territo, Nataliya Glover, 2013-11-01 Human trafficking is the third largest business for organized crime worldwide next to

illegal weapons trading and drugs Written by well respected criminal justice scholars this book examines the criminal investigation of sex trafficking Providing a multidisciplinary exploration of this topic the authors discuss International and national persp The Routledge Handbook of Male Sex Work, Culture, and Society John Scott,Christian Grov,Victor Minichiello,2021-03-20 Panoramic and provocative in its scope this handbook is the definitive guide to contemporary issues associated with male sex work and a must read for those who study masculinities male sexuality sexual health and sexual cultures This groundbreaking volume will have a powerful impact on our understanding of this challenging elusive subject While the internet has brought the previously hidden worlds of male sex work more starkly into public view academic research has often remained locked into descriptions of male sex workers and their clients as perverse Drawing from a variety of regions the chapters provide insights into the historical popular cultural social and economic aspects of sex work as well as demographic patterns health outcomes and policy issues This approach shifts thought on male sex work from a hidden social problem to a publicly acknowledged social phenomenon The book challenges myths and reconceptualizes male sex work as a discrete field Importantly it provides a vehicle for the voices of male sex workers and new and established scholars This richly detailed humane and innovative collection retrieves male sex work from silence and invisibility on the one hand and its association with scandal and stigma on the other The findings within have profound implications for how governments approach public health and regulation of the sex industry and for how society can make sense of the complexities of human sexualities A compelling scholarly read and a major contribution to a commercial sector that is often neglected in policy debates on sex work this handbook will be of great interest to scholars of criminology sociology gender studies and cultural studies and all those interested in male sex work Sex Work JaneMaree Maher,Sharon Pickering,Alison Gerard,2012-10-12 Sex work has always attracted policy public and prurient interest Currently legal frameworks in developed countries range from prohibition through partial legalisation to active regulation Globalisation has increased women s mobility between developing and developed countries at the same time as women s employment opportunities in the developed world are shifting Family and intimate relationships are being transformed by changing demographics shifting social mores and new intersections between intimate lives and global markets Sex work is located at the nexus of new intimacies shifting employment patterns and changing global mobilities This volume examines the working lives of contemporary sex workers their practices their labour market conditions and their engagement with domestic and international regulatory frameworks It locates the voices and experiences of workers in Melbourne Australia at the centre of the sexual services industry as they reflect on brothels and independent escort work on working conditions and managers and on the relationships they form with clients It offers a new account of sex work where women s labour and mobility is understood as central in local and global imperatives to offer sexual services It examines how these new imperatives intersect with challenge and exceed existing regulatory frameworks for sex work Sex work labour mobility and sexual

services draws together the everyday practices of sex workers and the broader global markets in which workers negotiate employment. In bringing together these two important intersecting areas it offers a grounded and innovative account of sex work which will be of interest to academics and policy makers concerned with sex work, gender studies and the sociology of labour.

Reader's Guide to the Social Sciences Jonathan Michie, 2014-02-03. This 2 volume work includes approximately 1 200 entries in A Z order critically reviewing the literature on specific topics from abortion to world systems theory. In addition nine major entries cover each of the major disciplines: political economy, management and business, human geography, politics, sociology, law, psychology, organizational behavior and the history and development of the social sciences in a broader sense.

Sex, Work and Sex Work Joanna Brewis, Stephen Linstead, 2003-09-02. Sex is much more rife in the workplace than many would think according to this fascinating and controversial new book. It argues that not only does sexuality pervade every aspect of organizations but also that organization pervades every aspect of our sexuality. This two way conceptualization lends the book a two part structure covering firstly the ways in which organizational behaviour is shaped through issues such as male managers' experience of violence, organizational constructions of sexual harassment and professionals who work with sex offenders. The second part of the book examines how sex is organized for commercial purposes and considers sex work as an industry which can be analyzed as any other with important insights for normal organizing. Key features of the book include sections on organizing as sexual activity, connecting desire, the erotic, the abject and organization, the hidden penetration of organization processes by sexuality, the dark side of sex and organization and the importance of transgression, the double effect of discursive and material, placing organizing sexuality within prostitution, prostitution as a complex and varied industry. Fascinating and informative, this controversial book is a valuable source of information for postgraduates and researchers in the fields of business management and sexuality and gender studies.

Regulating Sex for Sale Joanna Phoenix, 2009-09-23. *Regulating sex for sale* provides a detailed analysis and critical reflection on the processes, assumptions and contradictions shaping the UK's emerging prostitution policy. It examines the total package of reforms and proposals that have been introduced in this area since May 2000.

Routledge Handbook of East Asian Gender Studies Jieyu Liu, Junko Yamashita, 2019-11-26. The Routledge Handbook of East Asian Gender Studies presents up to date theoretical and conceptual developments in key areas of the field taking a multi disciplinary and comparative approach. Featuring contributions by leading scholars of Gender Studies to provide a cutting edge overview of the field, this handbook includes examples from China, Japan, South Korea, Taiwan and Hong Kong and covers the following themes: theorising gender relations, women's and feminist movements, work, care and migration, family and intergenerational relationships, cultural representation, masculinity and state militarism and gender. This handbook is essential reading for scholars and students of Gender and Women's Studies as well as East Asian societies, social policy and culture.

Rethinking prostitution Graham Scambler, 1997. The growth of AIDS has focused renewed attention on the institution of prostitution. In contrast to the moral panic reaction of

some sectors of society very different initiatives are being displayed by other groups in relation to the need to scrutinize the social moral and legal status of prostitution and to reflect on the arguments in support of and against legalising brothels paying particular concern to prostitutes own health Rethinking Prostitution covers male as well as female sex workers and considers in detail their status in law drugs issues of health and health care the changing nature of sex work partners boyfriends and pimps and the potential for rethinking prostitution By drawing on the expertise of researchers across all aspects of the industry this up to date text focuses on an institution and industry ripe for re assessment Rethinking Prostitution will be of considerable interest to students lecturers and researchers in medical sociology and women s studies social workers in training and practice as well as the general reader as an area of topical interest and concern

Sex Work Now Rosie Campbell, Maggie O'Neill, 2013-05-13 Sex Work Now provides an authoritative overview of female sex work and policy in the UK and addresses a number of key contemporary issues and debates These include sex worker unionization migrant sex work and trafficking communities and sex work male clients of sex workers the policing of prostitution zoning of street sex work young people and sexual exploitation drug use and sex work exiting violence and sex work Throughout the book is shaped by the lives and experiences of sex workers themselves drawing on applied policy or participatory action research This book approaches the subject from an interdisciplinary perspective cutting across conventional boundaries of sociology criminology politics and social policy Contributors to the book include academics researchers practitioners and activists who are among the leading commentators on prostitution in the UK provides overview of sex work in UK considers impact of recent legislation and policy especially Sex Offences Act 2003 focus on lives and experiences of sex workers themselves

Sex Work and the New Zealand Model Armstrong, Lynzi, Abel, Gillian, 2021-07-14 Using the evidence from New Zealand this unique collection examines how decriminalisation is experienced by different groups of sex workers and reveals the enduring challenges for sex workers in this context This is an invaluable contribution to the urgent debates regarding sex work laws and the global struggle to realise sex worker s rights

Knowledge of Evil Alyson Brown, David Barrett, 2013-01-11 This book documents the enduring involvement of children in the commercial sex trade in twentieth century England The authors argue that child prostitution needs to be understood within a broader context of child abuse and provide evidence that indicates the circumstances which have led young people into prostitution over the last hundred years amount at worst to physical or psychological abuse or neglect and at best as the result of limited choice

Health and Work Lesley Doyal, Norma Daykin, 1999-07-13 Occupational health issues have been identified as crucially important in the debate about socio economic determinants of health and illness Yet few texts have addressed issues of work and health in any depth while interest in the field continues to grow Health and Work explores current debates about inequalities in health focusing on the consequences of new patterns of employment for health stress and the quality of working life Drawing on multidisciplinary perspectives in an international global context each chapter examines changing discourses of risk and

health and identifies implications for policy and practice within the health care arena as well as in relation to the management of the work environment **Sex Worker Union Organising** Gregor Gall, 2006-07-11 This is the first study of the emerging phenomenon of sex workers asserting that they are entitled to workers rights Drawing on examples from Australia Britain Canada Germany The Netherlands New Zealand and the USA the book analyzes the contexts for this struggle and the opportunities and challenges facing these unionization projects
