Rethinking Scripture Essays From A Comparative Perspective

Dereck Daschke, Andrew Kille

Rethinking Scripture Essays From A Comparative Perspective:

Rethinking Scripture Miriam Levering, 1989-01-01 Exploring the nature of texts this book explains how scriptures function within religions Topics covered include the oral dimensions of scripture canon formation a study of the word in Hindu life and the role of text in Buddhism Hsieh Liang-tso and the Analects of Confucius Thomas W. Selover, 2005-01-20 Hsieh Liang tso c 1050 c 1120 known as master Shang ts ai was one of the leading direct disciples of Ch eng Hao and Ch eng I the two brothers who were the early leaders of the Confucian revival known as Neo Confucianism in Northern Sung China Hsieh was thus among the first to recognize and follow the insights of the Ch eng brothers as definitive of the authentic Confucian tradition a recognition that became the conviction of the majority of later Confucian scholars and practitioners The present book is a focused analysis of the core value of Confucian thought namely jen humanity or co humanity through an investigation of Hsieh Liang tso s analysis of the Analects of Confucius Selover argues that Hsieh s handling of key issues in interpreting and applying the Confucian Analects his experiential reasoning and his deference to scriptural classics and earlier tradition bear important similarities to the practice of theology in Western religious traditions The volume also contains a translation of Hsieh s commentary on the Analects as well as a foreword by the renowned scholar of Confucianism Tu Wei ming *The Legacy of Wilfred Cantwell Smith* Ellen Bradshaw Aitken (1961-2014), Arvind Sharma, 2017-03-15 First work to address the legacy of Wilfred Cantwell Smith and his influence on the development of religious studies and Islamic studies in the twentieth century This is the first work to address the legacy of Wilfred Cantwell Smith 1916 2000 whose intellectual and institutional contributions helped shape the field of religious studies in the latter half of the twentieth century As a young scholar Smith taught Indian and Islamic history in Lahore for several years and witnessed the partition of India Upon his return to North America he obtained his PhD at Princeton University before embarking upon a long and distinguished career He founded the Institute of Islamic Studies at McGill University and served as director of the Center for the Study of World Religions at Harvard University Smith emphasized the place of the scholarly study of Islam in the Western academy long before Islam occupied its current position at the center of global politics challenged the notion of monolithic world religions and argued for the importance of dialogical processes and a personalist approach to the study of religion Contributors to this volume many of whom were Smith s students provide a wide ranging exploration of his influence and legacy *Myth and Scripture* Dexter E. Callender, Jr., 2014-07-02 DOCTYPE HTML PUBLIC W3C DTD HTML 4 0 Transitional EN html meta content text html charset ISO 8859 1 http equiv content type body An interdisciplinary collection for scholars and students interested in the connections between myth and scripture In this collection scholars suggest that using myth creates a framework within which to set biblical writings in both cultural and literary comparative contexts Reading biblical accounts alongside the religious narratives of other ancient civilizations reveals what is commonplace and shared among them The fruit of such work widens and enriches our understanding of the nature and character of biblical

texts and the results provide fresh evidence for how biblical writings became scripture Features Essays that explore how myth sheds light on the emergence of scripture Examples drawn from the Ancient Near East Hebrew Bible New Testament and Greco Roman world Articles by experts from a range of disciplines **Scripturalizing the Human** Vincent L. Wimbush,2015-07-16 Scripturalizing the Human is a transdisciplinary collection of essays that reconceptualizes and models scriptural studies as a critical comparative set of practices with broad ramifications for scholars of religion and biblical studies This critical historical and ethnographic project is focused on scriptures scripturalization scripturalizing as shorthand for the psycho cultural and socio political work we make language do for and to us Each essay focuses on an instance of or situation involving such work engaging with the Bible Book of Mormon Bhagavata Purana and other sacred texts artifacts and practices in order to explore historical and ongoing constructions of the human Contributors use the category of scriptures understood not simply as texts but as freighted shorthand for the dynamics and ultimate politics of language as tools for self illumination and self analysis The significance of the collection lies in the window it opens to the rich and complex view of the highs and lows of human un making as it establishes the connections between a seemingly basic and apolitical religious category and a set of larger social cultural phenomena and dynamics **The Domain of the Word** John Webster,2012-08-30 The book brings together a set of related studies on the nature of Scripture and of Christian theology by one of the most prominent representatives of Protestant theology of our time After a brief introduction on the setting of the book and its major themes the first part of the volume examines topics on the nature and interpretation of Scripture A comprehensive proposal about Scripture and its interpretation is followed by a study of Scripture as the embassy of the risen Christ and by three related chapters analyzing the ways in which widely different major modern theologians Barth T F Torrance and Rowan Williams have understood the nature and interpretation of the Bible The second part of the volume makes a cumulative proposal about the nature and tasks of Christian theology examining the fundamental principles of systematic theology the distinctive role and scope of reason in Christian theology the relation of theology to the humanities and the vocation of theology to promote the peace of the church **Interpretations of the Bhagavad-Gita and Images of the Hindu Tradition** Catherine A. Robinson,2014-02-04 This book investigates the relationship between the various interpretations of the Bhagavad Gita and the Hindu tradition The Parabiblical Texts Daniel K. Falk,2007-07-03 This is the first introductory volume to the genre of the Rewritten Bible in the Dead Sea Scrolls The Role and Meaning of Religion for Korean Society Song-Chong Lee,2019-04-25 This special issue presents discussions of the role and meaning of religion for Korean society Covering wide ranging time periods the authors explores with their own cases four major characteristics of Korean religion Creativity Greater Responsiveness Adaptability and Prophethood Their topical religious traditions include Neo Confucianism Christianity Buddhism and Korean new religious movements **How the Bible Works** Brian Malley,2004-05-12 What do evangelicals believe when they believe in the Bible Despite hundreds of English versions that

differ in their texts evangelicals continue to believe that there is a stable text the Bible which is the authoritative word of God and an essential guide to their everyday lives To understand this phenomenon of evangelical Biblicism anthropologist and biblical scholar Brian Malley looks not to the words of the Bible but to the Bible believing communities For as Malley demonstrates it is less the meaning of the words of the Bible itself than how the Bible provides a proper ground for beliefs that matters to evangelicals Drawing on recent cognitive and social theory and extensive fieldwork in an evangelical church Malley s book is an invaluable guide for seminarians social scientists of religion or for anyone who wants to understand just how the Bible works for American evangelicals

Beyond the Impasse Amos Yong, 2014-09-25 No one who cares about a theology that does justice to what the Bible tells us about the cosmic ministry of the Holy Spirit can afford to ignore this important work Amos Yong s book itself displays the robust sense of discernment that he asks all of us to exercise in our engagement with non Christian religions

RICHARD J MOUW Fuller Theological Seminary Finally a Spirit based theology of religions that takes the Spirit seriously Drawing on his Pentecostal roots Yong offers guidelines for discerning the voice of the Spirit in other traditions a voice that may call us to unexpected christological conclusions This is truly a pioneering work that opens new theological paths but modestly recognizes that there is still much to explore

PAUL F KNITTER Xavier University Few areas in theology are as complex controversial and urgent as theology of religions Amos Yong has advanced the discussion significantly with his creative and sophisticated proposal for a pneumatological theology of religions While undoubtedly controversial Yong s proposal frames the issues in fresh ways and suggests new options for an evangelical theology of religions

Harold Netland Trinity Evangelical Divinity School With scholarly rigor and intellectual acumen Yong s theology takes seriously and appreciatively the diversity of the work of the universal Spirit in the cultures and religious communities of the world His position is fully evangelical but is richly informed by his Pentecostal roots and context He sets this Pentecostal evangelical theology of religions in the center of the ongoing discussion not only among evangelicals but also in the whole church

John B Cobb Jr Claremont School of Theology and Claremont Graduate Schools An insightful theological reflection on the place of world religions within the broader framework of Christian theology Yong provides a theological basis for everyday interaction with members of other religions and an understanding of other religious traditions in the providence of God This is an excellent book that ought to be widely read and discussed

Irving Hexham University of Calgary

In Search of the Sacred Book Aníbal González, 2018-05-03 In Search of the Sacred Book studies the artistic incorporation of religious concepts such as prophecy eternity and the afterlife in the contemporary Latin American novel It departs from sociopolitical readings by noting the continued relevance of religion in Latin American life and culture despite modernity s powerful secularizing influence Analyzing Jorge Luis Borges s secularized narrative theology in his essays and short stories the book follows the development of the Latin American novel from the early twentieth century until today by examining the attempts of major novelists from Mar a Luisa Bombal Alejo Carpentier and Juan Rulfo to Julio Cortázar Gabriel García Márquez

rquez and Jos Lezama Lima to sacralize the novel by incorporating traits present in the sacred texts of many religions It concludes with a view of the desacralization of the novel by more recent authors from Elena Poniatowska and Fernando Vallejo to Roberto Bola o

Democratizing Biblical Studies Elisabeth Schüssler Fiorenza, 2009-01-01 Schüssler Fiorenza addresses such questions as What are the educational practices and procedures that are advocated by traditional educational models and how can they be changed What kinds of educational and communicative practices do biblical studies need to develop in order to fashion an emancipatory democratizing rhetorical space and a forum of many voices To envision articulate debate and practice a radical democratic ethos of biblical studies she identifies emerging didactic models that can foster such a radical democratic style of learning Pbk cover

Intolerance, Polemics, and Debate in Antiquity George H. van Kooten, Jacques van Ruiten, 2019-10-01 In Intolerance Polemics and Debate in Antiquity scholars reflect on politico cultural philosophical and religious forms of critical conversation in the ancient Near Eastern Biblical Graeco Roman and early Islamic world They enquire into the boundaries between debate polemics and intolerance and address their manifestations in both philosophy and religion This cross cultural and inclusive approach shows that debate and polemics are not so different as often assumed since polemics may also indicate that ultimate values are at stake Polemics can also have a positive effect stimulating further cultural development Intolerance is more straightforwardly negative Religious intolerance is often a justification for politics but also elite rationalism can become totalitarian The volume also highlights the importance of the fluency of minorities in the dominant discourses and of their ability to develop contrapuntal lines of thought within a common cultural discourse

Today When You Hear His Voice Gregory W. Lee, 2016-06-06 Presents a doctrine of Scripture based on Hebrews in dialogue with Augustine and Calvin What vision of biblical authority arises from Scripture s own use of Scripture This question has received surprisingly little attention from theologians seeking to develop a comprehensive doctrine of Scripture Today When You Hear His Voice by Gregory W Lee fills this gap by listening carefully to the Epistle to the Hebrews Lee illuminates the unique way that Hebrews appropriates Old Testament texts as he considers the theological relationship between salvation history and scriptural interpretation He illustrates these dynamics through extended treatments of Augustine and Calvin whose contrasting perspectives on the covenants Israel and the literal and figural senses provide theological categories for appreciating how Hebrews innovatively presents Scripture as God s direct address in the contemporary moment

Canons in Conflict James E. Brenneman, 1997-05-29 In this new study James Brenneman confronts the issue of conflicting canons with full force incorporating insights gained from both literary and biblical disciplines on the question of canon He begins with an illuminating tour through contemporary literary theory from Hans Robert Jauss to Stanley Fish and current discussions in theology about the canon He goes on to a consideration of true and false prophecy with a detailed examination of the three apparently conflicting versions of the Old Testament swords into plowshares prophecy as found in Isaiah 2 2 4 5 Joel 4 9 12 Eng 3 9 12 and Micah 4 1 5 Suggesting that the dynamics controlling the

process for negotiating between contradictory readings of prophetic texts are the same as those at work in adjudicating between canons in conflict Brenneman concludes by pointing the way towards an integrative approach appropriate to the question of canon and authority in a post modern pluralistic context **Forgotten Scriptures** Lee Martin

McDonald,2009-01-01 The early Christian church had a variety of Scriptures and other source material that informed their faith and shaped their thinking But after a few centuries the church decided to keep the twenty seven books of our present New Testament and to treat them as a canonical in faith and practice But what of the other books Many of them have survived and remain valuable for understanding the diversity of the early Christian church and the astounding claims of faith on which it was founded Learning about these ancient documents need not threaten the church s current orthodoxy and authority in fact learning about these texts can help today s Christians form a deeper understanding of the early church A

Cry Instead of Justice Dereck Daschke,Andrew Kille,2010-07-01 Within a book widely touted as the path to peace violence has incongruously been central to the Bible and how it is used This collection book examines the manifestations of violence in Scripture and the ways that Scripture itself whether violent in content or not can be used to justify violence and aggression in specific social circumstances today The book is divided into two parts The first half explores some incidents of Biblical violence that rather than appearing at the forefront of the narrative reflect that ancient Jewish culture including the early Christian movement recorded in the New Testament treats violence as an undeniable fact of the social world in which biblical figures live In these essays psychological theory and interpretation focus on the effect of this culture of violence in the behavior expectations and failures of Biblical figures in order to re evaluate the messages of these texts in light of their accepted but largely unacknowledged aggression The second half uses psychological models to understand how Biblical doctrine and ideals shape the world in which we live and introduce patterns of aggression and acceptance of violence into family cultural and political situations Altogether this collection of essays seeks to shed light on how the Bible relates to violence and how many people relate to violence consciously or not through the stories and dynamics *Theorizing*

Scriptures Vincent Wimbush,2008-01-04 Historically religious scriptures are defined as holy texts that are considered to be beyond the abilities of the layperson to interpret Their content is most frequently analyzed by clerics who do not question the underlying political or social implications of the text but use the writing to convey messages to their congregations about how to live a holy existence In Western society moreover what counts as scripture is generally confined to the Judeo Christian Bible leaving the voices of minorities as well as the holy texts of faiths from Africa and Asia for example unheard In this innovative collection of essays that aims to turn the traditional bible study definition of scriptures on its head Vincent L Wimbush leads an in depth look at the social cultural and racial meanings invested in these texts Contributors hail from a wide array of academic fields and geographic locations and include such noted academics as Susan Harding Elisabeth Shssler Fiorenza and William L Andrews Purposefully transgressing disciplinary boundaries this ambitious book opens the door

to different interpretations and critical orientations and in doing so allows an ultimately humanist definition of scriptures to emerge *Literary Encounters with the Reign of God* Sharon H. Ringe, H.C. Paul Kim, 2004-02-03 Recognized scholars honor Robert Tannehill in this Festschrift

Rethinking Scripture Essays From A Comparative Perspective Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has been apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is truly remarkable. This extraordinary book, aptly titled "**Rethinking Scripture Essays From A Comparative Perspective**," written by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.

Rethinking Scripture Essays From A Comparative Perspective Introduction

In today's digital age, the availability of Rethinking Scripture Essays From A Comparative Perspective books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rethinking Scripture Essays From A Comparative Perspective books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rethinking Scripture Essays From A Comparative Perspective books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rethinking Scripture Essays From A Comparative Perspective versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rethinking Scripture Essays From A Comparative Perspective books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rethinking Scripture Essays From A Comparative Perspective books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rethinking Scripture Essays From A Comparative Perspective books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-

profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rethinking Scripture Essays From A Comparative Perspective books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rethinking Scripture Essays From A Comparative Perspective books and manuals for download and embark on your journey of knowledge?

FAQs About Rethinking Scripture Essays From A Comparative Perspective Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rethinking Scripture Essays From A Comparative Perspective is one of the best book in our library for free trial. We provide copy of Rethinking Scripture Essays From A Comparative Perspective in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rethinking Scripture Essays From A Comparative Perspective. Where to download Rethinking Scripture Essays From A Comparative Perspective online for free? Are you looking for Rethinking Scripture Essays From A Comparative

Perspective PDF? This is definitely going to save you time and cash in something you should think about.
