# Rethinking Sexuality

**Scott C. Dulebohn**

## **Rethinking Sexuality:**

**Rethinking Sexuality** Dr. Juli Slattery, 2018-07-24 This ground breaking resource challenges and equips Christians to think and act biblically and compassionately in matters of sexuality Sexual abuse sex addiction gender confusion brokenness and shame plague today's world and people are seeking clarity and hope By contesting long held cultural paradigms this book equips you to see how sexuality is rooted in the broader context of God's heart and His work for us on earth It provides a framework from which to understand the big picture of sexual challenges and wholeness and helps you recognize that every sexual question is ultimately a spiritual one It shifts the paradigm from combating sexual problems to confidently proclaiming and modeling the road to sacred sexuality Instead of arguing with the world about what's right and wrong about sexual choices this practical resource equips you to share the love and grace of Jesus as you encounter the pain of sexual brokenness your own or someone else's

*Rethinking Sexuality* David H.J. Larmour, Paul Allen Miller, Charles Platter, 2021-01-12 In this collection of provocative essays historians and literary theorists assess the influence of Michel Foucault particularly his *History of Sexuality* on the study of classics Foucault's famous work presents a bold theory of sexuality for both ancient and modern times and yet until now it has remained under explored and insufficiently analyzed By bringing together the historical knowledge philological skills and theoretical perspectives of a wide range of scholars this collection enables the reader to explore Foucault's model of Greek culture and see how well his interpretation accounts for the full range of evidence from Greece and Rome Not only do the essays bring to light the assumptions ideas and practices that constituted the intimate lives of men and women in the ancient Mediterranean world but they also demonstrate the importance of the *History of Sexuality* for fields as diverse as Greco Roman antiquity women's history cultural studies philosophy and modern sexuality The essays include *Situating The History of Sexuality* the editors *Taking the Sex Out of Sexuality* Foucault's Failed History Joel Black *Incipit Philosophia* Alain Vezier *The Subject in Antiquity after Foucault* Page duBois *This Myth Which Is Not One Construction of Discourse in Plato's Symposium* Jeffrey S. Carnes *Foucault's History of Sexuality A Useful Theory for Women* Amy Richlin *Catullan Consciousness the Care of the Self and the Force of the Negative in History* Paul Allen Miller *Reversals of Platonic Love in Petronius Satyricon* Daniel B. McGlathery and an essay from

*Dislocating Masculinity* Lin Foxhall

**Rethinking Sexuality** Dr. Juli Slattery, 2018-07-24 This ground breaking resource challenges and equips Christians to think and act biblically and compassionately in matters of sexuality Sexual abuse sex addiction gender confusion brokenness and shame plague today's world and people are seeking clarity and hope By contesting long held cultural paradigms this book equips you to see how sexuality is rooted in the broader context of God's heart and His work for us on earth It provides a framework from which to understand the big picture of sexual challenges and wholeness and helps you recognize that every sexual question is ultimately a spiritual one It shifts the paradigm from combating sexual problems to confidently proclaiming and modeling the road to sacred sexuality Instead of arguing with the

world about what's right and wrong about sexual choices this practical resource equips you to share the love and grace of Jesus as you encounter the pain of sexual brokenness your own or someone else's

**Rethinking Sexuality** Diane Richardson, 2000-10-26 This thoughtful and accessible book provides a critical examination of the central debates attached to conceptualizing sexuality as a site of knowledge and politics These are explored in chapters on the meaning of heterosexuality sexual citizenship and the associated notions of sexual rights and obligations queer theory and its relationship with feminisms both new and old Also included is discussion of responses to the HIV AIDS epidemic and the implications for understandings of gender and sexuality

**Sexual Shame in Women and How to Experience Freedom** Joy Skarka, 2022-04-29 Sexual shame causes women to feel far from God live a secret life of sexual sin doubt that God loves them and even question their salvation Sexual Shame in Women and How to Experience Freedom will help readers understand sexual shame as one of the root issues among women's sexual struggles while focusing specifically on the issues of pornography and sexual abuse Ministry leaders must help women find freedom from sexual shame to help them walk in sexual integrity wholeness and healing The freedom journey begins through understanding the character of God being known in biblical community and understanding God's design for sexuality This research project is a dissertation from Dallas Theological Seminary's DMin program

**Women Novelists and the Ethics of Desire, 1684-1814** Elizabeth Kraft, 2008 Elizabeth Kraft radically alters our conventional views of early women novelists by taking seriously their representations of female desire Reading fiction by Aphra Behn Delarivier Manley Eliza Haywood Sarah Fielding Charlotte Smith Frances Burney and Elizabeth Inchbald in light of ethical paradigms drawn from biblical texts about women and desire Kraft demonstrates not only the centrality of female desire in eighteenth century culture and literature but its ethical importance as well

*Sexuality, Human Rights, and Public Policy* Chima J. Korieh, Elizabeth O. Onogwu, 2019-11-12 Sexuality Human Rights and Public Policy explores the intersection of public policy human rights and sexuality as they relate to inclusion and exclusion across diverse cultural settings It examines how knowledge is formed and experienced at the intersections of culture sexuality race and other axes of identity This volume engages an array of questions including how public policy shapes the conceptualization of sexuality and rights and by extension the phenomena of inclusion and exclusion in contemporary society across the world By evaluating how public discourse is employed to reinscribe differences of gender sexuality and rights of citizens this book provides a comparative analysis of how these processes and dynamics resemble each other or differ cross culturally This book demonstrates that in the realm of sexualities approached from the ideal of human rights as a predominantly Western notion is increasingly challenged by diverse views and new interpretations of human rights in non Western societies such as Africa and the Middle East

*Governing Sexuality* Carl Stychin, 2003-07 Governing Sexuality explores issues of sexual citizenship and law reform in the United Kingdom and Continental Europe today Across western and eastern Europe lesbians and gay men are increasingly making claims for equal status grounded in the language

of rights and citizenship and using the language of international human rights and European law This book uses same sex sexualities as a prism through which to explore broader questions of legal and political theory concerning democratic legitimacy rights discourse national sovereignty and identity citizenship transnationalism and globalisation Case studies are widely drawn from New Labour's sexual politics in the UK to the decriminalisation of same sex sexualities under pressure from the EU in Romania to new civil solidarity laws in France

*Medicine, the Penal System and Sexual Crimes in England, 1919-1960s* Janet Weston, 2017-12-14 Sexual crime past and present is rarely far from the headlines How these crimes are punished policed and understood has changed considerably over the last century From hormone injections to cognitive behavioural therapy medical and psychological approaches to sexual offenders have proliferated This book sets out the history of such theories and treatments in England Beginning in the early 20th century it traces the evolution of medical interest in the mental state of those convicted of sexual crime As part of a broader interest in individualised responses to crime as a means to rehabilitation doctors offered new explanations for some sexual crimes proposed new solutions and attempted to deliver new cures From indecent exposure to homosexuality between men from sadistic violence to thefts of underwear from washing lines the interpretation and treatment of some sexual offences was thought to be complex Of less medical interest though were offences against children prostitution and rape Using a range of material including medical and criminological texts trial proceedings government reports newspapers and autobiographies and memoirs Janet Weston offers powerful insights into changing medico legal practices and attitudes towards sex and health She highlights the importance of prison doctors and rehabilitative programmes within prisons psychoanalytically minded private practitioners and the interactions between medical and legal systems as medical theories were put into practice She also reveals the extent and legacy of medical thought as well as the limitations of a medical approach to sexual crime

Sexual Citizenship and Social Change Darren Langdridge, 2024 There has been enormous change in social and state acceptance regarding sex and sexualities over the last thirty years or so in the West with an apparent new acceptance and openness towards diverse sexual practices and sexualities Much of this change has come about through community claims for rights grounded in critical social theory and the language of citizenship While accepting that much of this critique has been valuable in advancing rights for sexual minorities *Sexual Citizenship and Social Change* raises the spectre that the mode of critique itself may now have become problematic To this end this book examines the use and abuse of critique in contemporary sexuality scholarship and associated activism and presents an argument that a new danger for contemporary sexual life emerges from an excess of critique This implicates a particular form of critique that is detached and unfettered set loose from the usual anchor of tradition What is most dangerous of all with this excess of unfettered critique is that it emerges from within minority sexual communities and their allies not from the usual conservative opposition to progressive change Even the most ostensibly well meaning critic and associated critique can become problematic when their arguments are detached from tradition So while

recognising there is proven value in critique it has limits and we are arguably witness to some sensible limits being breached While other authors focus their critical efforts on resistance to change and the limitations of tradition Sexual Citizenship and Social Change takes on critique itself Sexual Violence Against Children in Britain Since 1965 Nick Basannavar,2021-11-30 This book investigates the changes and continuities in the ways in which sexual violence has been interpreted and represented in Britain since 1965 It explores the representational trail of the Moors murders and subsequent trial of 1966 the emergence of age of consent abolitionism in the 1970s Cleveland s child sexual abuse crisis of 1987 8 and 2010 and 20s contemplations on the Jimmy Savile scandal Harnessing research into popular media forms and a huge range of personal political and professional records Nick Basannavar carefully parses and illustrates the ways in which journalists medical workers politicians lobbyists and other groups assembled and animated their narratives revealing complex rhetorical and emotional processes This book challenges problematic conceptual dichotomies such as silence noise or ignorance knowledge It shows instead that although categories such as child sexual abuse and paedophilia may be relatively recent linguistic value constructs sexual violence against children has existed and been represented across historical moments in changeable and challenging ways **Border Bodies** Bernadine Marie Hernández,2022-03-10 In this study of sex gender sexual violence and power along the border Bernadine Marie Hernández brings to light under heard stories of women who lived in a critical era of American history Elaborating on the concept of sexual capital she uses little known newspapers and periodicals letters testimonios court cases short stories and photographs to reveal how sex violence and capital conspired to govern not only women s bodies but their role in the changing American Southwest Hernández focuses on a time when the borderlands saw a rapid influx of white settlers who encountered elite landholding Californios Hispanos and Tejanos Sex was inseparable from power in the borderlands and women were integral to the stabilization of that power In drawing these stories from the archive Hernández illuminates contemporary ideas of sexuality through the lens of the borderland s history of expansionist violent and gendered conquest By extension Hernández argues that Mexicana Nuevomexicana Californiana and Tejana women were key actors in the formation of the western United States even as they are too often erased from the region s story *Theorizing Sexuality* Jackson, Stevi,Scott, Sue,2010-03-01 The book confronts the anxieties associated with sexuality in the late modern western world and engages with wider debates on social transformations in late modernity As such it provides both an overview of the field of sexuality as well as setting a new agenda for debating the topic *Sexuality Counseling* Christine Murray,Amber Pope,Ben Willis,2016-01-12 Providing a comprehensive research and theory based approach to sexuality counseling Sexuality Counseling is grounded in an integrative multi level conceptual framework that addresses the various levels at which individuals experience sexuality At each level physiological developmental psychological gender identity and sexual orientation relational cultural contextual and positive sexuality authors Christine Murray Amber Pope and Ben Willis emphasize practical strategies for assessment and intervention Interactive features

including case studies application exercises ethics discussions and guided reflection questions help readers apply and integrate the information as they develop the professional competency needed for effective practice *Sexuality and Social Work* Julie Bywater, Rhiannon Jones, 2007-10-08 Sexuality remains a neglected and largely taboo area within practice but it can be a demanding aspect of social work Social workers may be familiar with the importance of issues such as racism and ethnicity but sexuality is also a very significant part of people's lives closest relationships and sense of identity This valuable resource introduces the topic using a combination of perspectives to consider sexual diversity and examining related issues across the life course including sexual orientation disability HIV sexual abuse mental health and sexual exploitation

*Protecting the human rights of sexual minorities in contemporary Africa* Ivy Nyarango, John Osogo Ambani, Seth Muchuma Wekesa, Ella Scheepers, Ishtar Lakhani, Busisiwe Deyi, Esau Mandipa, Roopanand Amar Mahadew, Darsheene Singh Raumnauth, Emerson Lopes, Lane Charmaine Olebile, Victor Oluwasina Ayeni, Azubike Chinwuba Onuora-Oguno, Michel Togue, 2017-05-12 **Plato's Democratic Entanglements** S. Sara Monoson, 2013-08-18 In this book Sara Monoson challenges the longstanding and widely held view that Plato is a virulent opponent of all things democratic She does not however offer in its place the equally mistaken idea that he is somehow a partisan of democracy Instead she argues that we should attend more closely to Plato's suggestion that democracy is horrifying and exciting and she seeks to explain why he found it morally and politically intriguing Monoson focuses on Plato's engagement with democracy as he knew it a cluster of cultural practices that reach into private and public life as well as a set of governing institutions She proposes that while Plato charts tensions between the claims of democratic legitimacy and philosophical truth he also exhibits a striking attraction to four practices central to Athenian democratic politics intense antityranny frank speaking public funeral oratory and theater going By juxtaposing detailed examination of these aspects of Athenian democracy with analysis of the figurative language dramatic structure and arguments of the dialogues she shows that Plato systematically links democratic ideals and activities to philosophic labor Monoson finds that Plato's political thought exposes intimate connections between Athenian democratic politics and the practice of philosophy Situating Plato's political thought in the context of the Athenian democratic imaginary Monoson develops a new textured way of thinking of the relationship between Plato's thought and the politics of his city Sexuality, Morals and Justice Nicholas Bamforth, 1997-10-23 Against the background of the law reform debates around sexuality in Britain and America Bamforth examines what functions it is legitimate for the law to serve and how effective law can be in achieving social goals He provides a new and cogent argument for protecting lesbian and gay rights through law but is sceptical about how useful law can be in eradicating discriminatory social practices This work sheds new light on the equal rights debate and raises issues of central importance to the role of law in society **The Palgrave Encyclopedia of Sexuality Education**, 2024-12-23 This Encyclopedia provides a comprehensive map of the field of sexuality education It offers an entry point for those interested in this topic providing a robust summary of issues and

directing them to its best scholarship Comprehensive in scope it covers diverse global locations to highlight the significance of context when defining sexuality education The rapid development and increase in accessibility of digital technologies which has broadened sexuality education to include digital and media platforms is also reflected Sexual Rhetorics Jonathan Alexander, Jacqueline Rhodes, 2015-10-16 Sexual rhetoric is the self conscious and critical engagement with discourses of sexuality that exposes both their naturalization and their queering their torquing to create different or counter discourses giving voice and agency to multiple and complex sexual experiences This volume explores the intersection of rhetoric and sexuality through the varieties of methods available in the fields of rhetoric and writing studies including case studies theoretical questioning ethnographies or close and distant readings of texts that help us think through the rhetorical force of sexuality and the sexual force of rhetoric

### **Rethinking Sexuality Introduction**

Rethinking Sexuality Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Rethinking Sexuality Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Rethinking Sexuality : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Rethinking Sexuality : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Rethinking Sexuality Offers a diverse range of free eBooks across various genres. Rethinking Sexuality Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Rethinking Sexuality Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Rethinking Sexuality, especially related to Rethinking Sexuality, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Rethinking Sexuality, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Rethinking Sexuality books or magazines might include. Look for these in online stores or libraries. Remember that while Rethinking Sexuality, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Rethinking Sexuality eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Rethinking Sexuality full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Rethinking Sexuality eBooks, including some popular titles.

### **FAQs About Rethinking Sexuality Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before

making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rethinking Sexuality is one of the best book in our library for free trial. We provide copy of Rethinking Sexuality in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rethinking Sexuality. Where to download Rethinking Sexuality online for free? Are you looking for Rethinking Sexuality PDF? This is definitely going to save you time and cash in something you should think about.
