More stories of the indefatigable inimitable and unconquerable
galactic diplomat—including the full-length novel, *Retief's Ransom!*

Keith Laumer

Retief Unbound

Keith Laumer

Retief Unbound:

Retief Unbound Keith Laumer, 1979 **Retief's Ransom** Keith Laumer, 2016-02-29 Lumbaga is a planet without known virtues but with some decidedly odd natives For every Lumbagan is simply an arbitrary assortment of semi independent organs inspired by a lust for mayhem But even the most undesirable chunk of galactic real estate attracts its quota of rival overlords and the fiendish Groaci had a scheme for absorbing Lumbaga into their sphere of influence It was working well too until it involved Retief Terran diplomat extraordinary To his powerful intellect the machinations of the Groaci were child s play Retief in the Ruins Keith Laumer, 2016-03-24 It s a rare day when Terrans meet eye to eyestalk with the slimy little sticky fingers er that is to say the noble alien Groaci This time the races clash on the planet Popu Ri once the home of a mighty interstellar power Popu Ri has sunk into decline but its ancient treasures remain Though not for long if the Groaci have their way Groaci also finds Popu Ri just the place to build a galactic warfleet Still for the Corps Diplomatique Terrestrienne to respond would threaten the delicate balance of human Groaci forces on the cocktail circuit Therefore the ambassador must keep the lid on by doing nothing But how to do nothing without seeming an ineffectual pantywaist Send an observer Yep the Ambassador has it all figured out But he made one little mistake he sent Retief *Retief's War* Keith Laumer, 2016-03-24 The twenty seventh century planet of Quopp is a world where Earthmen walk cautiously or not at all The inhabitants are weirdly diabolical creatures possessing spoked wheel limbs and sprouting steel sharp talons Plans are afoot to place these singular beings under a single government friendly to Earth But Jame Retief officer of the distinguished Corps Diplomatique Teresstienne a supra national organization devoted to keeping the peace has discovered that evil forces are undermining the whole scheme Deviously sincere uncompromisingly venal fearlessly cowardly Retief goes to work against mounting planetary intrigue and more than once brings those around him to the brink of nervous collapse *Retief and the Warlords* Keith Laumer, 2016-02-29 Across the galaxies against wrongdoers and rogues Only Retief the indomitable champion of the underdog and 27th century diplomacy can seal the peace between the battling earthlings and the lobster like aliens known as the Haterakans In constant peril the daring spacewarrior must join a pirate band cross the fatal boundaries of the Terran Defense League and take on his arch rivals Foulbrood and Bloodblister Facing certain torture double dealing and ruthless espionage he passes within inches of death But he must emerge victorious or the Hatracks will waste no time in executing their berserk plan to raise earthlings as a food supply The Return of Retief Keith Laumer, 2016-03-24 PLANET AFTER PLANE FELL TO THE REE A vast and powerful race the Ree needed breeding room for an ever increasing population and their expansion plans took no account of human territory The farmers and miners of Tip Space were helpless against the Ree invasion Still the Terran diplomats dithered holding back the Navy hoping for a truce Retief already on probation for undiplomatic behaviour earned himself the assignment parleying with the Ree when he urged force against them A suicide mission Perhaps but Retief is Retief Retief: Ambassador to Space: Seven Incidents of the Corps Diplomatique

Terrestrienne Keith Laumer, 2016-02-29 How are things on Rockamorra? Bad very. Earth Ambassador Pinchbottle has contracted to fight a dinosaur and it's up to troubleshooter Jame Retief to keep him from being stomped, mangled, or eaten. Things are tough on other planets too with a civil war on Skweem, a dying race on Sulinore, and mudstorms on Schweinhund's World. These seven stories show the Galaxy's hippest diplomat at his unexpected and jaunty best. Retief and the Rascals Keith Laumer, 2016-02-29 Terran diplomat and interplanetary troubleshooter Jame Retief must stop the belligerent five-eyed Groaci from invading the beleaguered planet of Bloor, which is already plagued by violence between rival gangs. **The Other Side of Time** Keith Laumer, 2016-02-29 BLINDING LIGHT NOISE BEYOND SOUND A JOURNEY INTO NOTHINGNESS Imperial Intelligence Agent Brion Bayard was catapulted into nothingness by an unknown force and woke to find himself in a universe not his own. Surrounded by hulking cannibalistic ape men who called themselves Hagroon, Bayard was soon entrapped in a web of time lines. He found himself running from the Hagroon into the arms of Dzok, the educated monkey man of Xonijeel, transported by Dzok to a universe where Napoleon the Fifth was in power and left there to the tender powers of the beautiful witch Olivia, struggling with the bonds of a fictitious past, always striving to regain his lost universe of Zero-zero Stockholm, so he could bring the warning which might save his world from sudden violent death.

The Ultimax Man Keith Laumer, 2016-02-29 In the next few days you will master the rules and techniques for every activity, skill, talent, sport, and art ever mastered by any human being anywhere. You will be as expert at clipping flints as at architectural drawing. You will be able to juggle, walk a tightrope, and add the numerals on the sides of passing freight cars as fast as any idiot savant. You'll absorb all the information in all the books, the human race's entire heritage of knowledge. This was only the beginning of the experiment that was to turn a petty thief into the most brilliant and powerful man ever to hold the earth in thrall. This was only the first step on the path of conquest mapped out for THE ULTIMAX MAN. **The House in November** Keith Laumer, 2016-04-28 Invasion. At first the U.S. army thought it was battling a communist invasion. The truth was much worse. It wasn't until Jeff Mallory awoke one morning to find that all his fellow townsfolk had become sleepwalking zombies and that a tower had been erected in the center of town, a tower that seemed to stretch to the stars, that the horrible truth began to unravel. Earth had been invaded not by a race of alien conquerors but by a disease, a disease with a brain. **Night of Delusions** Keith Laumer, 2016-03-24 It starts out as a weird but seemingly understandable assignment: bodyguarding a mad politician whose keepers have decided to let him escape as a sort of reality therapy. But to understand the Senator Florin, must enter the Machine, and reality will never be the same. From now on, he's a Knight of Delusions. Judson's Eden Keith Laumer, 2016-02-29 When Marl Judson, fleeing a rapacious government that wanted not just his fabulous wealth but his life, crash-landed on a uninhabited planet, he thought he was marooned without hope of rescue, so he prepared himself to live out his remaining years as best he could amidst the planet's weird, hallucinogenic flora. But head-twisting flowers which Judson learned to avoid were only part of the planet's weirdness; it was possessed of some sort

of field effect which made time play strange tricks temporal anomalies sometimes resulted in cause preceding effect and bizarre compressions and expansions of the normal pace of events In such an environment time had no meaning has Judson lived centuries alone or only decades Or is it years Or all of the above He doesn't quite know but when another ship crashes the strange time effects allowed him to conduct an experiment aimed at producing a perfect society a veritable Judson's Eden The Snake arrives in the form of the government that marooned him and the Snake wants Judson's Eden for itself

The Infinite Cage Keith Laumer, 2016-03-24 When he awakens in a skid row alley Adam knows nothing Not who he is nor where he's from Money is a mystery So are women All he begins his new life with is a will to survive But he learns fast first how to get away then how not to have to In the beginning Adam wants to be friends with us Before he's through he just might run the human race off its feet

Galactic Odyssey Keith Laumer, 2016-02-29 Billy Danger had gone past hitting the skids now he was freezing to death in a blizzard So he took shelter in a corn silo that turned out to be a disguised alien starship and woke up light years from Earth

The Monitors Keith Laumer, 2016-02-29 Even after the set had been turned off the TV blared the announcement Citizens of Earth I am Tersh Jetterax It is my pleasure to announce to you that a new government has taken over the conduct of all public affairs And thus the US was in the hands of the Monitors the strangely polite yellow clad beings whose powers were such that they could render everyone helpless without shedding one drop of blood Who are they The Russians An alien race from another planet

The World Shuffler Keith Laumer, 2016-02-29 TWAS BORING IN ARTESIA or so thought Sir Lafayette O Leary ex craftsman from Earth and now seemingly ex interdimensional swashbuckler extraordinaire as well His battles were all won his dragons all slain and life was just the same boring round of riches royal hunts and regatas Boring boring boring until he walked past the azalia Suddenly Artesia was gone and O Leary was trapped in Melange a world of giants and pirates karate chopping hags and electronic flying carpets a world where goons and harlots are the spitting images literally of his own aristocratic Artesian associates And because they think he's his double lots of his new friends want O Leary dead Unless he can get through the interdimensional gate and find the continuum path back home O Leary's life will never be boring again Just short

Catastrophe Planet Keith Laumer, 2016-04-28 The Earth was in shambles after the final quake had leveled the cities For Mal Irish the last hold on reality was the embossed gold coin he had taken from the pocket of the dead man the man who with his last breath had told him of mastodons buried in ice and men who weren't human Once in possession of the coin Mal found himself on a mysterious quest which led him to discover even stranger things the girl who spoke the language of another world the city under the ocean floor and the deadly little men who followed him He was in the power of something beyond his understanding and he meant to find out its source before it put him to its own unfathomable uses

Retief: Emissary to the Stars Keith Laumer, 2016-03-24 THE CORPS DIPLOMATIQUE TERRESTRIENNE HAS NEVER SEEN HIS LIKE Retief the most diplomatic diplomat of the 27th century His mission to gain control of the most desirable planet in the universe without triggering intergalactic war He tries talking but how does anyone

even Retief negotiate with an uninhabited planet He tries a dice game but how does gambling help the solar peace organization prevent the malevolent Basurans who've eaten their own planet from turning to Terra's prize colony for an after dinner snack The problems Retief faces are just beginning but as insurmountable as they seem the indomitable adventurer prevails and keeps the state of the universe on an even keel Star Colony Keith Laumer, 2016-03-24 Coming in fast and low the huge ship made planetfall Three years out from Terra the colony ship Omega had reached her destination and the crew began to off load the cargo and passengers Then the ship vanished Against the vast panorama of an unexplored universe Keith Laumer sets this first volume of the history of the world called Colmar mankind's first venture among the stars

Ignite the flame of optimism with Crafted by is motivational masterpiece, **Retief Unbound** . In a downloadable PDF format (*), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
