you want to do You might want to travel the world or spend time with your loved ones or maybe just relax in the sunshine and take each day as it comes Sadly enough the first question that pops up is How much will this dream life cost There is no magic number 1 million used to be the amount you needed to be assured a comfortable retirement But according to Dave Ramsey one of America s most trusted financial experts this amount might not even be enough to provide you with the retirement you desire GOBankingRates go even further and say that 1million could easily be wiped out in just twelve years Don t panic It can be overwhelming to imagine how much money a quality retirement costs Especially if you like most Americans don t have anywhere near this figure in your savings account But you don t need to worry The internet provides a wealth of opportunities to create a passive income that can pay for the retirement that you want and even allow you to leave a legacy that can give your loved ones a helping hand in following their dreams too If you are willing to change your perspective and embrace this new chapter of your life with an open mind you can start earning money from the comfort of your own home Through the internet anything is possible Age is absolutely not a barrier between you and your dream life It s rather an advantage No matter how old you are you can leverage the internet to your benefit and start earning money to pay for your retirement In this book Retirement Income Strategy If Financial Planning Is Not Enough you will discover The number one saving hack for your worry free retirement The best way to plan for the future and put your affairs in order so that you and your family can breathe easy no matter what happens Five ways to turn this three figure sum into an amount that will make you crush it in retirement How to turn your passion into your profession The secrets to traveling the world without breaking the bank and how to turn your life into a holiday How to turn the unused space in your home into dollar bills How to visualise your ideal retirement and then create a plan to realise it The best method to calculate the amount that you need to retire The 3 most important websites to market yourself And much much more The number one trap that especially Seniors may fall into is thinking that creating a passive income through the internet is complicated and requires high level computer skills It s natural that you feel overwhelmed by all the possibilities the internet offers for making money Yet this book teaches you that EVERYONE can create a passive income stream online It doesn t matter how old you are Through an easy to read step by step guide you will discover how you can turn your retirement dreams into reality in no time If you want to live the dream in your retirement scroll up and click the Add to Cart button right now

Pensionize Your Nest Egg

Moshe A. Milevsky,Alexandra C. Macqueen,2010-10-08 Pensionize Verb 1 To convert money into income you can t outlive 2 To create your own personal pension a monthly income that lasts for the rest of your natural life With the subpar performance of the markets record high personal debt levels and shockingly low savings rates it s clear that many Canadians expecting to retire in the next decade simply don t have a sufficient nest egg to ensure a worry free retirement Making matters worse only about one third of Canadians currently belong to a formal or registered pension plan and even a large number of that lucky third will not retire with a guaranteed pension income If you no longer have the time to wait and hope

for your traditional investments to pay off the answer is to pensionize your nest egg using the new technique of product allocation set out in this book Pensionize Your Nest Egg explains how to Recognize if you really have a pension or just a tax sheltered savings plan Become informed about the new risks you and your nest egg face in retirement and why asset allocation despite its value in the accumulation stage of life is not sufficient to protect you and your money Measure your retirement sustainability quotient RSQ and your Financial Legacy Value FLV then choose a retirement income plan on the Retirement Income Frontier Understand how product allocation differs from asset allocation how to allocate your nest egg across three product silos and learn about the new financial products that are available to protect against the new risks you face Follow a seven step process to close your Pension Income Gap and convert your retirement savings into a secure stream of lifetime income Whether you do it yourself or work with a financial advisor Pensionize Your Nest Egg gives you a simple plan to create a guaranteed retirement income for life
