Bird, 1999 Better Living Advertising Media and the New Vocabulary of Business Leadership 1935 1955 is a history of how big business learned to be both entertaining and persuasive when talking to the public Examining the years from the Depression to postwar prosperity Better Living follows the dissemination of a politically competitive claim of more new and better in industry and in life Beginning with the changes in business government relations during the New Deal this study looks at the ways in which politically active corporations and their leaders learned how to speak at a time when speaking was not enough Using archival sources such as the NBC Ford Motor Company DuPont and Franklin Delano Roosevelt collections William L Bird Jr establishes the importance of industrial films and their role in public relations and employee relations as well as the use of dramatic radio productions in corporate public relations The author examines the interplay between general mass radio and print advertising radio program sponsorship and scriptwriting sponsored motion pictures and television entertainment as well as exhibitions and industrial fairs and the role these media played in shaping ideas about American business and political and cultural institutions in this country for the decades to come Book Jacket The ^ADemocratic Sublime Jason Frank, 2021-03-15 The Democratic Sublime offers an interdisciplinary exploration of how popular assemblies crowds demonstrations gatherings of the people out of doors came to be central to the political aesthetics of democracy during the age of democratic revolutions 1776 to 1848 Engaging with a wide range of sources from canonical political theorists Rousseau Burke and Tocqueville to the novels of Hugo the visual culture of the barricades and the memoirs of popular insurgents The Democratic Sublime demonstrates how making the people s sovereign will tangible to popular judgment became a central dilemma of modern democracy and how it remains so today Bulletin, 1929 **Politics in the Blood** Paul Davey, 2008 Biography of three generations of the one family Hubert Doug and Larry Anthony all of whom for over some 70 years held the Federal seat of Richmond in NSW for the National Party Note that the hold on the seat was not continuous for this entire period Author is also a member of the National Party Provided by publisher **Abolish the Monarchy** Graham Smith, 2023-05-04 A crucial riveting polemic in support of one of the most precious things humanity has built democracy itself OWEN JONES Graham Smith shows what fools our rotten constitution makes of us with a monarch as emblem of a country beset by nepotism backhanders chumocracy and inherited privilege Read and rebel POLLY TOYNBEE We re constantly told the same things about the monarchy But the monarchy is good for tourism It isn t Evidence points to some royal weddings actually having a negative impact on inbound tourism But the monarchy makes a big difference to charity Of the approx 1 200 charities with a royal patron 74% had no contact with their patron during the preceding year But everyone loves the monarchy A January 2023 poll showed support for

the monarchy is down 55 percent It s wrong in principle and it doesn t work in practice It doesn t have to be this way They say Britain should be proud to have the mother of parliaments to be a shining beacon of democracy and an example to other nations But there s an elephant in the room At the heart of power is a single family They weren t elected but they live off the public purse They aren t accountable to anyone and yet between them they are privy to more government secrets than many cabinet ministers Divinely appointed using a special hat the head of the family is your superior you his subject Apparently he is guardian of our constitution but we re also told he wouldn t dream of interfering in politics If you accept the monarchy you must accept the moral compromise that comes with it from its erosion of the principle of equality to the secret interference in our laws But the good news is that we don t have to accept it True democracy is within our reach [The Gathering Storm](#)
