Secuestro El:

El Secuestro Robert Crais,2003 When the late afternoon joyride of an ex con his tagalong brother and a psychopath one step away from meltdown results in a random act of violence the trio takes a family hostage in the affluent bedroom community of Bristo Camino But the hostages are no innocents and their home contains secrets that even Los Angeles s most lethal and volatile crime lord Sonny Benza fears Soon all involved are held hostage by the exigencies of fate and the only one capable of diffusing the standoff is the least stable of them all Procesos de verdad, justicia y reparación a las víctimas de desaparición forzada en el Sahara Occidental María López Belloso,2019-02-28 La tesis de la investigadora defendida en 2017 en la Universidad de Deusto y dirigida por los profesores Felipe Gómez Isa y Carlos Martínez Beristain analiza el que califica de conflicto olvidado del Sahara Occidental desde la perspectiva de los derechos humanos abordando en particular el delito de desaparición forzada Para ello la autora que form parte del equipo de trabajo de la investigación que desembocó en El Oasis de la Memoria analiza en detalle 95 casos de desaparición forzada 86 de ellos recogidos en dicha publicación y los nueve restantes en Meheris la esperanza posible La investigadora indica que es necesaria una voluntad política real por transformar la realidad y romper con el pasado de violaciones de derechos humanos y denuncia que no se haya respetado el derecho de las víctimas a la verdad Los resultados del trabajo según apunta López se espera que sirvan para que las personas afectadas puedan defender sus derechos ante las instancias internacionales y la Audiencia Nacional española **The Mexican Filmography, 1916 through 2001** David E. Terrorism International Case Law Reporter is an annual collection of the most important cases in security law from around the world Handpicked and introduced by internationally renowned terrorism scholar Michael Newton and by a distinguished board of experts from around the world the cases in this series cover topics as diverse as human rights immigration freedom of speech and organizational status For scholars students and practitioners seeking an authoritative and comprehensive resource for research into security law jurisprudence this unique series serves that specialized purpose like none other on the market With the 2008 edition of Terrorism International Case Law Reporter Oxford introduces detailed headnotes to the series Professor Michael Newton and his team have provided for each case a robust summary and a concise statement of the

case s central issues and holding This edition also adds new topics to the series purview including the contentious issue of what legal status enemy combatants possess in U S courts and the equally volatile issue of whether agents of a state may be held criminally liable for terrorism when carrying out official duties General Editor Newton has also added Israel and the Middle East as necessary new regional topics for a series that covers terrorism related jurisprudence worldwide Indeed many of the prominent cases in this year s edition come from non U S courts including an Argetinian case on state terrorism and crimes against humanity That case Velasco appears in this edition in the only English translation available anywhere

From the Ashes of History Carlos Aguirre,Javier Villa-Flores,2015-07-23 The formation organization and accessibility of archives and libraries are critical for the production of historical narratives They contain the materials with which historians and others reconstruct past events Archives and libraries however not only help produce history but also have a history of their own From the early colonial projects to the formation of nation states in Latin America archives and libraries had been at the center of power struggles and conflicting ideas over patrimony and document preservation that demand historical scrutiny Much of their collections have been lost on account of accidents or sheer negligence but there are also cases of recovery and reconstruction that have opened new windows to the past The essays in this volume explore several fascinating cases of destruction and recovery of archives and libraries and illuminate the ways in which those episodes help shape the writing of historical narratives and the making of collective memories **Pesadillas** José A.
