

Seduction And Theory Readings Of Gender Representation And Rhetoric

Dianne Hunter

Seduction And Theory Readings Of Gender Representation And Rhetoric:

Seduction and Theory Dianne Hunter, 1989 Sexton Anne Dietrich Marlene Freud Lacan *Sappho's Sweetbitter Songs* Lyn Hatherly Wilson, 2013-07-04 This study recreates and examines a voice that sings of the dreams and interactions of women and tells of the bodies rhythms and desires of the women of Sappho's circle **French Women Writers** Eva Martin Sartori, Dorothy Wynne Zimmerman, 1994-01-01 Marie de France Mme De S vign and Mme De Lafayette achieved international reputations during periods when women in other European countries were able to write only letters translations religious tracts and miscellaneous fragments There were obstacles but French women writers were more or less sustained and empowered by the French culture Often unconventional in their personal lives and occupied with careers besides writing as educators painters actresses preachers salon hostesses labor organizers these women did not wait for Simone de Beauvoir to tell them to make existential choices and have projects in the world French Women Writers describes the lives and careers of fifty two literary figures from the twelfth century to the late twentieth All the contributors are recognized authorities Some of their subjects like Colette and George Sand are celebrated and others are just now gaining critical notice From Christine de Pizan and Marguerite de Navarre to Rachilde and H l _ne Cixous from Louise Labé to Marguerite Duras these women speak through the centuries to issues of gender sexuality and language French Women Writers now becomes widely available in this Bison Book edition **Questions of Travel** Caren Kaplan, 1996-08-21 On travel in literature **Gothic Masculinity** Ellen Brinks, 2003 Hegel possessed reading the gothic in the phenomenology of mind The male romantic poet as gothic subject Keats's Hyperion and The fall of Hyperion a dream Sharing gothic secrets Byron's The Giaour and Lara This dream it would not pass away Christabel and mimetic enchantment The gothic romance of Sigmund Freud and Wilhelm Fliess

Moveable Margins Kathleen Mary Glenn, Mirella D'Ambrosio Servodidio, Mary Seale Vásquez, 1999 The second section contains ten critical essays that apply widely varying critical approaches that range from feminist psychoanalytical formalist poststructuralist new historical and intertextual to postmodern and postcolonial The volume also features Riera's hitherto unpublished play in the Catalan original and in English translation This book will appeal to those interested in twentieth century Peninsular literature comparative literature feminist criticism gender studies and cultural studies Maternal Pasts, Feminist Futures Lynne Huffer, 1998 This book examines the relations among nostalgia gender and foundational philosophies through a critique of the lost mother as a ground for thinking about sexual difference More specifically the author critiques the nostalgic tendencies of feminist theory arguing that an emancipatory system of thought must move beyond a maternally oriented structure Through close readings of works by Maurice Blanchot Luce Irigaray Julia Kristeva and Nicole Brossard the book elucidates the many dimensions of nostalgic paradigms literary psychoanalytic epistemological ontological and sociopolitical This critique ultimately confronts postmodernism and especially the burgeoning field of performative theory as an intellectual paradigm that claims to subvert systems of meaning Analyzing the writings of J L

Austin Judith Butler and Irigaray the author argues that despite its antinostalgic structure performative theory provides an inadequate model for understanding the connections among language identity and the social bonds that constitute the ethical and political sphere Asserting through the example of performative theory that a critique is not enough the book examines the possibility of a constructive model that is both non nostalgic and informed by ethical constraints One such model is offered through a reading of the Quebecois writer Nicole Brossard which explores her work in relation to the question of lesbian writing Demystifying nostalgia Brossard not only uncovers and subverts the structures through which a concept of origins is produced but also provides a different visionary way of thinking about the relationship between subjectivity and language Finally the book argues for further feminist work on the relationship between narrative and ethics a field whose future lies in the elaboration of a bridge between the moral commitments of ethical theory and the fractured realities that find their expression in literary forms

Fieldwork Under Fire Carolyn Nordstrom, Antonius C. G. M. Robben, 1995 Required reading for anyone about to leave for the field A timely deserving and original contribution to a rapidly growing body of literature on the study of violence Jean Paul Dumont George Mason University

The Unmaking of Fascist Aesthetics Kriss Ravetto, 2001 In works by filmmakers from Bertolucci to Spielberg debauched images of nazi and fascist eroticism symbols of violence and immorality often bear an uncanny resemblance to the images and symbols once used by the fascists themselves to demarcate racial sexual and political others This book exposes the madness inherent in such a course which attests to the impossibility of disengaging visual and rhetorical constructions from political ideological and moral codes Kriss Ravetto argues that contemporary discourses using such devices actually continue unacknowledged rhetorical moral and visual analogies of the past Against postwar fictional and historical accounts of World War II in which generic images of evil characterize the nazi and the fascist Ravetto sets the more complex approach of such filmmakers as Pier Paolo Pasolini Liliana Cavani and Lina Wertmuller Her book asks us to think deeply about what it means to say that we have conquered fascism when the aesthetics of fascism still describe and determine how we look at political figures and global events Book jacket

Heart of Darkness Joseph Conrad, 2011-03 This volume presents the text of the 1921 Heinemann edition of Conrad's classic short novel along with documents that place the work in historical context and critical essays that read Heart of Darkness from several contemporary critical perspectives The text and essays are complemented by biographical and critical introductions bibliographies and a glossary of critical and theoretical terms In this third edition the section of cultural documents and illustrations is entirely new as are two recent exemplary critical essays by Gabrielle McIntire and Tony C Brown that synthesize a variety of current critical approaches

Interpreting Nietzsche Ashley Woodward, 2011-08-25 Helping students tackle his thought and legacy this guide explores how the major thinkers of the 20th Century have read and responded to Nietzsche's writings

Weimar Culture Revisited J. Williams, 2011-01-31 Weimar Culture Revisited is the first book to offer an accessible cross section of new cultural history approaches to the Weimar

Republic This collection uses an interdisciplinary approach and focuses on the everyday workings of Weimar culture to explain the impact and meaning of culture for German s everyday lives during this fateful era **Birth Passages** Theresa M. Krier,2001 Birth Passages offers a provocative and eloquent challenge to the nostalgia for the maternal sometimes influenced by classic Freudian theory which pervades many discourses Theresa M Krier suggests an alternative to the common characterizations of the maternal as a force inspiring both desire and dread a force that must be repressed if subjectivity and culture are to be established Instead drawing on the work of Melanie Klein D W Winnicott and Luce Irigaray Krier seeks to establish a new model of the relationship between mother and infant one in which birth is seen not as the tragic ending to the prenatal union but rather as the child s claiming both distance from and proximity to this parent Krier s insightful readings of poetic works from antiquity the Middle Ages and the Renaissance show these texts in opposition to their cultures insistent nostalgia for the maternal Their authors she maintains recognize such longing as a symptom of a glamorous but false and disabling fantasy In her analysis of the Song of Songs Lucretius s De rerum natura Chaucer s Parlement of Foules Spenser s Amoretti and Faerie Queene and Shakespeare s Love s Labor s Lost and The Winter s Tale Krier details how the writings represent the intersubjective nature of birth

Scandalous Bodies Smaro Kamboureli,2011-04-07 Scandalous Bodies is an impassioned scholarly study both of literature by diasporic writers and of the contexts within which it is produced It explores topics ranging from the Canadian government s multiculturalism policy to media representations of so called minority groups from the relationship between realist fiction and history to postmodern constructions of ethnicity from the multicultural theory of the philosopher Charles Taylor to the cultural responsibilities of diasporic critics such as Kamboureli herself Smaro Kamboureli proposes no neat or comforting solutions to the problems she addresses Rather than adhere to a single method of reading or make her argument follow a systematic approach she lets the texts and the socio cultural contexts she examines give shape to her reading In fact methodological issues and the need to revisit them become a leitmotif in the book Theoretically rigorous and historically situated this study also engages with close reading not the kind that views a text as a sovereign world but one that opens the text in order to reveal the method of its making Her practice of what she calls negative pedagogy a self reflexive method of learning and unlearning of decoding the means through which knowledge is produced allows her to avoid the pitfalls of constructing a narrative of progress Her critique of Canadian multiculturalism as a policy that advocates what she calls sedative politics and of the epistemologies of ethnicity that have shaped for example the first wave of ethnic anthologies in Canada are the backdrop against which she examines the various discourses that inform the diasporic experience in Canada Scandalous Bodies was first published in 2000 and received the Gabrielle Roy Prize for Canadian Criticism

The Routledge Reader on the Sociology of Music John Shepherd,Kyle Devine,2015-03-24 The Routledge Reader on the Sociology of Music offers the first collection of source readings and new essays on the latest thinking in the sociology of music Interest in music sociology has increased dramatically over the past

decade yet there is no anthology of essential and introductory readings The volume includes a comprehensive survey of the field's history current state and future research directions It offers six source readings thirteen popular contemporary essays and sixteen fresh new contributions along with an extended Introduction by the editors The Routledge Reader on the Sociology of Music represents a broad reference work that will be a resource for the current generation of sociologically inclined musicologists and musically inclined sociologists whether researchers teachers or students The Queerness of Psychoanalysis Vanessa Sinclair, Elisabeth Punzi, Myriam Sauer, 2024-11-29 The Queerness of Psychoanalysis From Freud and Lacan to Laplanche and Beyond is an exploration of psychoanalysis often complicated and fraught history with thinking about queerness as well as its multifaceted heritage Throughout the chapters the contributors write about psychoanalysis relationship with queerness the ways in which queerness is represented in the psychoanalytic archive and how that archive endures in the present and creates various disruptive effects both within and beyond the clinic Each chapter from the global cohort of contributors approaches queerness from a different angle they consider the literary aspects of queerness presence in the analytic world the clinical complexities of working with queer and trans people metapsychological inclusion and exclusion of queerness and many other subjects Taken together these contributions constitute a decisive intervention into the psychoanalytic canon They are an unabashed demand for accepting and furthering the representation and inclusion of queer and in particular trans people within psychoanalysis It is a call for action to utilize and deepen psychoanalysis enormous explicatory powers and bring together voices that have so far been denied a unity of expression while critically reevaluating psychoanalysis historical relationship to queerness Each chapter proposes different ways of thinking and writing psychoanalytically with many of the papers queering the format and forms of expression commonly found in academic writing through their use of dialogues conversations or other experimental forms of writing Written almost exclusively by analysts scholars and activists who identify as trans and or queer this important volume puts theory into practice by centering queer and trans voices *Wanton Eyes and Chaste Desires* Sheila T. Cavanagh, 1994-09-22 very readable lucid intriguing study Spenser Newsletter a very thoroughgoing inventory of the cruel male fantasies and nightmares imposed on female gendered figures Studies in English Literature 1500 1900 Cavanagh has managed to give an almost entirely new reading of The Faerie Queene it is the first feminist rereading of the entire epic and it reshapes the contours of the huge poem in often startling and remarkable ways Maureen Quilligan University of Pennsylvania Yiddish Writers in Weimar Berlin Marc Caplan, 2021-01-05 In Yiddish Writers in Weimar Berlin Marc Caplan explores the reciprocal encounter between Eastern European Jews and German culture in the days following World War I By concentrating primarily on a small group of avant garde Yiddish writers Dovid Bergelson Der Nister and Moyshe Kulbak working in Berlin during the Weimar Republic Caplan examines how these writers became central to modernist aesthetics By concentrating on the character of Yiddish literature produced in Weimar Germany Caplan offers a new method of seeing how artistic creation is constructed and a new

understanding of the political resonances that result from it Yiddish Writers in Weimar Berlin reveals how Yiddish literature participated in the culture of Weimar era modernism how active Yiddish writers were in the literary scene and how German speaking Jews read descriptions of Yiddish speaking Jews to uncover the emotional complexity of what they managed to create even in the midst of their confusion and ambivalence in Germany Caplan s masterful narrative affords new insights into literary form Jewish culture and the philosophical and psychological motivations for aesthetic modernism *Hysteria Beyond Freud* Sander L. Gilman, Helen King, Roy Porter, G. S. Rousseau, Elaine Showalter, 2024-03-29 She s hysterical For centuries the term hysteria has been used by physicians and laymen to diagnose and dismiss the extreme emotionality and mysterious physical disorders presumed to bedevil others especially women How did this medical concept assume its power What cultural purposes does it serve Why do different centuries and different circumstances produce different kinds of hysteria These are among the questions pursued in this absorbing erudite reevaluation of the history of hysteria The widely respected authors draw upon the insights of social and cultural history rather than Freudian psychoanalysis to examine the ways in which hysteria has been conceived by doctors and patients writers and artists in Europe and North America from antiquity to the early years of the twentieth century In so doing they show that a history of hysteria is a history of how we understand the mind This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1993 **In Dora's Case** Charles Bernheimer, 1990 The Women s Review of Books

Seduction And Theory Readings Of Gender Representation And Rhetoric Book Review: Unveiling the Power of Words
