Seeds Of Success:

Seeds of Success Sheryl Towers, 2009-11-30 The pursuit of success can drive people to endlessly seek outside acceptance. Raises and praise from employers and social peer groups may be a sign of prosperity and progress but should not be mistaken for genuine achievement. According to Sheryl Towers, the founder of Life Enrichment Skills, only that which contributes to a person's overall happiness and enthusiasm can be considered true success. By using the metaphor of seeds blossoming into life, Towers adds a depth and personalization that transcends the standard step-by-step self-improvement guide. Through seventeen basic principles or seeds such as honesty, integrity, and faith, Towers lays the groundwork for a life of fulfillment. Each tenet, when cultivated and practiced, can enhance a person's sense of self and help them prepare a better future. Her view is a combination of realism and optimism. Seeking true success, she admits, can take time, patience, and resolve. As someone who has risen above negative conditioning to live by her own terms, Towers provides firm encouragement to support the reader through their journey. Words of wisdom from respected intellectuals, sports figures, and business executives combine with inspirational stories to guide those who wish to add true value to every aspect of their lives.

Seeds of Success Indira Patro, 2002-02-04 Success is neither an inheritance nor an accident. It is God's plan. Total Success Ministries Letter To Pastors: Dear Pastors and Leaders, Please allow me to introduce Total Success Ministries, dedicated to helping people understand that God is our provider. God has laid it upon my heart to help people know His will through their finances. Even though we need to work, it is not our source of supply; God is our source of supply. It is a difficult balance: working to obtain things but looking to God as the provider of all things, and we all need to be reminded of the need for this balance, time and again. We all tend to lose sight of this fact and think of our job as our provider, and our focus gets clouded. And then more and more of our time is spent on material pursuits with little time left for the spiritual aspects of life. This results in more stress and far less of the peace that we all can have when our focus is on God and not on our own abilities. No doubt there are many in your congregation who are struggling with this lack of balance right now and would benefit from learning of success from God's perspective. A Total Success seminar will help people live from God's point of view and grow in their faith in God. Please visit our web site at www.total-success.org where we have posted all the information you need to judge us. As you can see, the focus of the seminar is so much on the spiritual aspects and not on how to manage your money. Please examine these materials and prayerfully consider how those you minister to may benefit from learning more through a Total Success Seminar held in your church. In His service, Indira Patro, Total Success Ministries.
