Lessons from Pension Reform in the Americas Stephen J. Kay, Tapen Sinha, 2007-11-22 Latin American experiments with pension reform began when Chile converted its public pay as you go system to a system of private individual accounts in the early 1980s Several other Latin American countries then followed suit inspired both by Chile's reforms and by World Bank recommendations stressing compulsory government mandated individual saving accounts Individual accounts were subsequently introduced in a number of countries in Europe and Asia Many are now re evaluating these privatisations in an effort to reform the reform to make these systems more efficient and equitable This volume is the first to assess pension reforms in this new post privatization era After a discussion on demographic trends in the foreword by Nobel laureate Robert W Fogel Section 1 of the book includes chapters on the role of pension system default options the impact of gender and a discussion of the World Bank's policies on pension reform The chapter on the evidence from Chile's new social protection survey points to key lessons from the world's first privatization Section 2 offers in depth analysis of several significant reform initiatives in the hemisphere and includes chapters on the United States Canada Mexico Costa Rica Brazil Peru Uruguay and Argentina The volume provides an unparalleled account of the lessons from pension reform in the Americas addressing the most pressing policy issues and highlighting a broad range of country experiences **Seeking Middle Ground** Sanjoy

Chakravorty, Amitendu Palit, 2019-07-15 Land is a subject of great conflict and debate in India Over the last decade it has influenced electoral verdicts and political fortunes and remains one of the most persistent challenges facing the nation This book argues that the focus on politics and land acquisition has deflected attention from the possibilities of market oriented approaches that are becoming relevant because of booming but diverse land markets It aims to nudge the discussion towards a better understanding of the complementary strengths of state and market led approaches to the many problems of land in rural and urban India Featuring original essays from leading analysts this book examines the agrarian crisis and urbanization laws and policies displacement and compensation factories and housing cooperation and conflict and other vital issues affecting land at the regional and national level These multiple lines of enquiry make this book a critical and objective

commentary on contemporary India and its ongoing economic socio political and legal struggles with land Explaining Institutional Change James Mahoney, Kathleen Thelen, 2010 The essays in this book contribute to emerging debates in political science and sociology on institutional change providing a theoretical framework and empirical applications

Entitlement Spending David Koitz, 2013-09-01 David Koitz clarifies misconceptions and presents the facts on the impending fiscal crisis driven by spending on Medicare Medicaid and Social Security Although these programs are idolized as pillars of the nation's safety net he shows how they are in fact the largest drivers of our looming fiscal problem Koitz explains that if an effective remedy is to emerge those three programs must contribute heavily to the changes lawmakers consider and offers some policy directions for dealing with them Governing for the Long Term Alan M. Jacobs, 2011-03-28 In Governing for the Long Term Alan M Jacobs investigates the conditions under which elected governments invest in long term social benefits at short term social cost Jacobs contends that along the path to adoption investment oriented policies must surmount three distinct hurdles to future oriented state action a problem of electoral risk rooted in the scarcity of voter attention a problem of prediction deriving from the complexity of long term policy effects and a problem of institutional capacity arising from interest groups preferences for distributive gains over intertemporal bargains Testing this argument through a four country historical analysis of pension policymaking the book illuminates crucial differences between the causal logics of distributive and intertemporal politics and makes a case for bringing trade offs over time to the center of the study of policymaking Third in a Series of Subcommittee Hearings on Protecting and Strengthening Social Security United States.
