Seeking Sophia Corbin Eddy, Josephine Griffiths, 1997 Seeking Wholeness Marie Evans Bouclin, 2006 Helps women and men victims and non victims to understand and act against sexual abuse and the abuse of power Provided by publisher **Quill & Quire** ,1997 Cahiers de la Femme ,1978 Canadian Periodical Index ,2000 **International Books in Print** ,1986 **Seeking** Janet Claussen, Julia Ann Keller, 2003 Seeking Doing Theology with Girls is an introduction to theological methods and reflection with an emphasis on actively engaging girls in making connections between their experience and the wisdom of the Scriptures and Tradition The overriding theme of this manual is that the life experience of women brings richness and balance to the academic discipline of theology Topics covered include images of God gospel feminism women theologians morality sexual integrity ecofeminism and personal and global justice grounded in a theology of life Sophia Christopher Pramuk, 2009-10-01 While numerous studies have celebrated Thomas Merton's witness as an interfaith pioneer poet and peacemaker there have been few systematic treatments of his Christology as such and no sustained exploration to date of his relationship to the Russian Sophia tradition This book looks to Thomas Merton as a classic theologian of the Christian tradition from East to West and offers an interpretation of his mature Christology with special attention to his remarkable prose poem of 1962 Hagia Sophia Bringing Merton's mystical prophetic Vision fully into dialogue with contemporary Christology Russian sophiology and Zen as well as figures such as John Henry Newman and Abraham Joshua Heschel the author carefully but boldly builds the case that Sophia the same theological eros that animated Merton's religious imagination in a period of tremendous fragmentation and violence might infuse new vitality into our own A study of uncommon depth and scope inspired throughout by Merton's extraordinary catholicity Christopher Pramuk PhD is assistant professor of theology at Xavier University in Cincinnati Ohio He is the author of two books and numerous essays and the recipient of the Catholic Theological Society of America's 2009 Catherine Mowry LaCugna Award The Athenaeum ,1842 Sophia, Living and Loving A. E. Hotchner, 1979 Traces Sophia Loren's rise from slum urchin of Pozzuoli to reigning queen of the cinema world highlighting her early poverty illegitimacy criminal prosecution for adultery marriage and fight to have a child and surveying the triumphs and tribulations of her filmmaking career **Woman of Power** ,1995

Theology as Autobiography Colby Dickinson, 2020-03-17 Autobiographical writings on faith frequently come from the lives of ordinary persons whose struggles with faith are often lived at the margins of the church academy and society Yet these voices have the potential to reshape the ways in which each of these fields function To find out what it means to stand before God with all of one's humanity on display is to engage in not only the act of confession but to demonstrate a bold theological reflection that needs to be more explicitly understood By turning to spiritual autobiographies as theological source texts we learn to place our emphasis where it matters most on the people whose lives of faith move us deeply and cause us to re-examine our own lives in light of their witness Moving through a range of ancient early modern and

contemporary spiritual writers in order to demonstrate a profound connection that unites them all this book portrays how a critical self examination of one s most personal internal fractures our poverty as it were is the only way to develop a life of faith the dual meaning of the word confession which expresses both a revealing of one s sins or brokenness and the articulation of what one believes **The Poetical Works of Elizabeth Barrett Browning** Elizabeth Barrett Browning,1914 **Outlook** Alfred Emanuel Smith,Francis Walton,1871 *An Asian Woman's Religious Journey with Thomas Merton* Jung Eun Sophia Park,2021-11-30 Join Jung Eun Sophia Park on her personal quest for God and her true self through the writings of Thomas Merton Approaching Merton as an Asian immigrant feminist in the postcolonial era Park s perspective is a unique one and in this dance sometimes it is her and sometimes Merton who leads Throughout Eastern and Western spirituality are organically woven together in reflection on Merton s narratives and in the examination of late capitalism poverty beauty and violence These reflections are insightful provocative and illuminating particularly with regard to his androcentric spirituality especially as it relates to his relationships with women *The British Flag* ,1866
Athenaeum and Literary Chronicle ,1842 *The Christian Union* ,1888 **The Christian Union** Henry Ward Beecher,1888 *British Books* ,1898
