This book explains how much the Nicene Creed produced at the Council of Nicaea in Late Antiquity has had a bad influence on Christians today. In this age in order to meet the truth of being born again you must study a little more. And you need to know more deeply about the creed of faith that you have believed so far. Now you must find in this book the meaning of Jesus' baptism by John the Baptist that was omitted from the Nicene Creed. So it should be an opportunity to receive true salvation and peace in your heart. Now you will discover the true value of the gospel of the water and the Spirit in the baptism that Jesus received. You will come to know more deeply and clearly how the Word of the baptism Jesus received from John the Baptist has affected your soul and you will therefore give glory to God by faith.

The New Life Mission <https://www.bjnewlife.org> **Searching the Heart** Karen Lystra, 1992-06-25

In January 1862 Charles Godwin courted Harriet Russell ultimately unsuccessfully with the following lines: "Like cadences of inexpressibly sweet music your kind words came to me causing every nerve to vibrate as though electrified by some far off strain of heavenly harmony." Almost ten years later Albert Janin upon receiving a letter from his beloved Violet Blair responded with "I kissed your letter over and over again regardless of the small pox epidemic at New York and gave myself up to a carnival of bliss before breaking the envelope." And in October 1883 Dorothea Lummis wrote candidly to her husband Charles "I like you to want me dear and if I were only with you I would embrace more than the back of your neck be sure." In Karen Lystra's richly provocative book *Searching the Heart* we hear the voices of Charles, Albert, Dorothea and nearly one hundred other nineteenth century Americans emerge from their surprisingly open intimate and emotional love letters. While historians of nineteenth century America have explored a host of private topics including courtship, marriage, birth control, sexuality and sex roles they have consistently neglected the study of romantic love. Lystra fills this gap by describing in vivid detail what it meant to fall in love in Victorian America. Based on a vast array of love letters the book reveals the existence of a real openness even playfulness between male and female lovers which challenges and expands more traditional views of middle class private life in Victorian America. Lystra refutes the common belief that Victorian men and women held passionlessness as an ideal in their romantic relationships. Enabling us to enter the hidden world of Victorian lovers the letters they left behind offer genuine proof of the intensity of their most private interactions, feelings, behaviors and judgments. Lystra discusses how Victorians anthropomorphized love letters treating them as actual visits from their lovers insisting on reading them in seclusion sometimes kissing them as Albert does with Violet's and even taking them to bed. She also explores how courtship rituals which included the setting and passing of tests of love succeeded in building unique

emotional bonds between lovers and how middle class views of romantic love which encouraged sharing knowledge and intimacy gave women more power in the home Through the medium of love letters Searching the Heart allows us to enter unnoticed the Victorian bedroom and parlor We will leave with a different view of middle class Victorian America
