Lying in State Eric Alterman,2020-08-11 This definitive history of presidential lying reveals how our standards for truthfulness have eroded and why Trump's lies are especially dangerous If there's one thing we know about Donald Trump it's that he lies But he's by no means the first president to do so In *Lying in State* Eric Alterman asks how we ended up with such a pathologically dishonest commander in chief showing that from early on the United States has persistently expanded its power and hegemony on the basis of presidential lies He also reveals the cumulative effect of this deception each lie a president tells makes it more acceptable for subsequent presidents to lie and the media's complicity in spreading misinformation Donald Trump then represents not an aberration but the culmination of an age old trend Full of vivid historical examples and trenchant analysis *Lying in State* is essential reading for anyone seeking to understand how we arrived in this age of alternative facts **The National Union Catalog** ,1968 **Swirls** ,1985 [Chicorel Theater Index to Plays in Anthologies, Periodicals, Discs, and Tapes](#) Marietta Chicorel,1970
