Bibliotherapy Arleen McCarty Hynes,2019-03-13 The recognition that literature can be a healing tool is as old as Aristotle s discussion of catharsis In bibliotherapy an individual reads or listens to a work of literature specifically for its therapeutic value But until now a real professional tool was lacking This handbook the first of its kind is designed to teach both professionals and laypersons how to use the whole spectrum of literature from poetry to science fiction to promote greater self knowledge to renew the spirit and in general to aid in the healing process Beginning with an explanation of the theoretical basis for bibliotherapy the authors then provide a comprehensive overview of the procedures and goals of the discipline The material is presented in such a way that the process may be adapted to the particular educational or psychological approach favored by the practitioner for the therapeutic treatment of individuals who have been abused or are chemically dependent physically disabled emotionally disturbed hospitalized in correctional institutions or simply facing difficult or stressful life situations The authors also offer insights for using bibliotherapy to promote the healthy growth and

development of children and to provide psychological help and guidance to adults and the aging Case studies from practice and training experiences illustrate the principles of bibliotherapy in addition the authors include end of chapter study questions for persons involved in therapy and self help and practicum guides for professionals Taken together these materials comprise a unique and invaluable reference work in a new and significant field      **Quarterly Bulletin of the Nashua Public Library** Nashua Public Library,1903      *Health Information Science* Yanchun Zhang,Guiqing Yao,Jing He,Lei Wang,Neil R.
