Sweetwater's Simple Home Lisa Burnett, Karla Eisenach, Susan Kendrick, 2021-07-30 Sweetwater's simple style shines through from a laundry hamper to a covered office chair and quilts for the nursery or the master bedroom. Quilts More: A house becomes a home with handmade touches added to every room. With inspiring designs from the mother-daughter trio behind Sweetwater, it's easy to add expressive touches everywhere from the dining room to the bedroom to the laundry room. Keep it simple and surround yourself with things you absolutely love. 35 beginner-friendly projects including quilts, pillows, table linens, and accessories many can be made in a day or less. Fresh, modern ideas for making things pretty and practical. Bring Sweetwater's popular signature style to all your sewing and craft projects. Learn simple creative techniques for decorating with appliqué, stenciling, stamping, and embroidery. A lovely, lovely book. Actually, even though the projects are all fairly straightforward, it's one of the nicest quilting books I've looked at in a long while, and the photos are fabulous. My favorites were the scalloped placemats, the lampshade, the work chair slipcover, tray liner, and some of the bags. All of these are straightforward enough for any beginner, but even for someone who's been sewing as long as I have, they would make great additions to brighten up the home. Run, Quilt, Knit, Write! If you like simple projects with a modern approach, a few or a lot of projects in this book will appeal to you. All of these projects are beginner-friendly, which is nice for beginners but also nice for those among us who are looking for a fast project, need a quick gift. Portland Modern Quilt Guild *Martha Stewart's Encyclopedia of Crafts* Martha Stewart Living Magazine, 2012-01-17 For nearly 20 years, home crafters have turned to the pages of Martha Stewart Living for all kinds of crafts projects, each presented in the magazine's inimitable style. Now the best of those projects, including step-by-step instructions and full-color photographs, have been collected into a single encyclopedia. Organized by topic from A to Z, Martha Stewart's Encyclopedia of Crafts contains complete instructions and brief histories for more than 30 techniques, detailed descriptions of the necessary tools and materials, and easy-to-copy templates. Martha and her team of crafts editors guide readers through each subject from botanical pressing and decoupage to rubber stamping and wreaths with characteristic clarity and unparalleled attention to detail. Crafters of all skill and experience levels will appreciate the many variations presented for each technique. For example, candlemaking presents a comprehensive array of poured, rolled, and cutout candles, including instructions for making your own, one-of-a-kind rubber candle molds, floating candles, sand candles, and more. Each craft in the book takes on charming new dimensions with innovations that could come only from the team behind Martha Stewart Living. In addition, each entry in Martha Stewart's Encyclopedia of Crafts is chock-full of tips and advice. Handy glossaries in the entries, such as a comprehensive gem glossary, a glitter glossary, and a color glossary for making tinted wax, are valuable references that crafters will refer to again and again. What's more, the Tools and Materials section outlines the best essential supplies that every crafter needs to have on hand, and the Sources pages clue readers in to the vendors and suppliers that the magazine's crafts editors rely on most.
