Singing Baptists Harry Eskew, David W. Music, Paul Akers Richardson, 1994 **"I Will Sing the Wondrous Story"**
David W. Music, Paul Akers Richardson, 2008 Baptists have a long and rich heritage of congregational song The hymns Baptists have sung and the books from which they have sung them have been shaping forces for Baptist theology worship and piety Baptist authors and composers have provided songs that have made an impact not only among Baptists in America but also across denominational and geographic lines Congregational singing continues to be a key component of Baptist worship in the twenty first century Beginning with an overview of the British background this book is a survey of the history of Baptist hymnody in America from Baptist beginnings in the New World to the present Its intent is to help the reader better understand the background against which current Baptist congregational song practices operate Unlike earlier writings on the subject this book provides both comprehensive coverage and a continuous narrative It gives thorough attention to the major Baptist bodies in America as well as calling attention to the contributions of significant smaller groups The British Baptist background is dealt with in an introductory section The book also includes many texts and tunes as illustrations of the topics being discussed and focuses on some of the contributions of Baptist authors and composers to the repertory of congregational song Book jacket Church and Worship Music in the United States James Michael Floyd, Avery T. A Companion to the New Harp of Columbia Marion J. Hatchett, 2003 The shape note tradition first flourished in the small towns and rural areas of early America Church sponsored singing schools taught a form of musical notation in which the notes were assigned different shapes to indicate variations in pitch this method worked well with congregants who had little knowledge of standard musical notation Today many enthusiasts carry on the shape note tradition and The New Harp of Columbia recently published in a restored edition by the University of Tennessee Press is one of five shape note singing manuals still in use

Jacket Baptists and Worship R. Scott Connell, 2020-11-30 Worship is dialogue It is more than that but it is not less than that The way Baptists have worshiped for three and a half centuries demonstrates this consistently in spite of their penchant for freedom and autonomy No one tells Baptists how to order their worship services They don't have a common liturgy that they must follow and yet their services look remarkably similar This is largely due to two controlling factors in their worship The Bible that they embrace as inspired inerrant authoritative and sufficient and the Christ revealing gospel that is contained within its pages When the word of God is followed closely a shape for worship order begins to emerge It is the same gospel shape that is found throughout the Bible When the word of God is applied to a worship service in which God and his people are engaged in a worship conversation a consistent contour of gospel elements and content begins to emerge that reveals the glory of the Christ we gather to worship He is so glorious that when we behold him we are transformed into the same image from one degree to another This is the power of corporate worship 2 Cor 3
