The Girl with the Pearl Pin Lynne Connolly,2019-09-10 Founded by the wealthiest woman in London an unconventional crime solving club brings together single lords and overlooked ladies from every rung of society It s a perfectly scandalous match As London s most sought after bachelor the Duke of Leomore stuns society when he announces his engagement to a woman who has just been branded a thief Yet as his painfully shy bride to be understands it is merely a ruse until The Society of Single Ladies apprehends the true culprit and a ploy to further delay Leo s obligation to wed For him marriage will be a purely practical affair Still why does a stolen kiss with his faux fiance e conjure such tempting visions of romance As if being falsely accused weren t mortifying enough Phoebe North is now the talk of the town And while she knows Leo did the honorable thing to protect her reputation she can t help but long for more It would be an impossible match given their unequal stations and Leo has made his view of marriage quite clear Yet his kiss and flirtatious ways say something else If only she could persuade him of how delightful it would be to thumb their noses at convention and become fools for love Lynne Connolly writes Georgian romances with a deft touch Her characters amuse entertain and reach into your heart USA Today bestselling author Desiree Holt With plots deviousness and passion galore *Temptation Has Green Eyes* by Lynne Connolly is a truly enjoyable read

Marivaux E. J. H. Greene,1965-12-15 The last thirty years have seen a renewed interest in the novels plays and essays of Marivaux Each year more of his work is made available to the public in partial editions More and better studies have appeared superseding the old and in the last thirty years almost all of his plays have been performed Today no corder of his work remains unexplored our knowledge of his life which had been until recently a tissue of fancy and anecdote has been

enhanced by the discovery of a few facts This critical study of the entire body of Marivaux's writings sets out to tell whether this attention represents a securely established place for Marivaux among the great French writers or simply a vogue It consists of a careful analysis of the individual works in chronological order rather than in systematic groups as is customary showing the development of Marivaux's thinking and the intimate relationship among the plays novels and essays of any given period A history of the reception of the works by scholars and critics from Marivaux's time to the present presents succinctly the historical perspective through which the modern reader may understand the long indifference to Marivaux in France and his contemporary discovery Professor Greene's work will be of great value to all students of the eighteenth century in France Because of his lively interest in the theatre arts it will also be valuable for directors planning to produce the plays of Marivaux **Holy Terror** Ernest Oglesby, 2006 **Run Over By the Grace Train** Joby Martin, 2024-09-10

Encountering the incomparable immeasurable grace of Jesus is like getting run over by a freight train you're powerless against it it takes you where it wants to you can't do anything to stop it and it dramatically changes everything Grace is one of the most important concepts in Christianity and it's also one of the most misunderstood misapplied and most abused Run Over By the Grace Train explores the topic of grace what it is how we receive it and how it changes absolutely everything about us In this deep spiritually rich book Joby Martin offers nine key lessons central to understanding God's grace as the central theme of the Christian life Joby helps readers dig deep into scripture and understand that we are saved by grace alone grace can't be lost grace does not condemn the sinner and the saint both need God's powerful grace in equal measures Deep rich and life changing this book written in Joby's characteristic straight talk wry style that entertains as it teaches Run Over by the Grace Train is an ultimately encouraging inspiring and fulfilling look at the power of God's grace
