Singleness Of Heart Restoring The Divided Soul

David J. McKinley

Singleness Of Heart Restoring The Divided Soul:

Singleness of Heart Clifford Williams, 1994 *Singleness of Heart* is an invitation to explore the spiritual dividedness that infects the Christian heart Writing for those who feel themselves being pulled in opposite directions spiritually Clifford Williams probes spiritual dividedness to reveal the concealed and unacknowledged motives that undermine the search for inner peace Drawing judiciously on the work of writers like Augustine Dostoevsky Ernest Becker Pascal Tolstoy Kierkegaard and the Apostle Paul Williams describes two kinds of spiritual dividedness ambivalence in which we are both attracted to and repelled from a given object such as God's love and illusion in which the motive we think we are acting from differs from the actual motive He also poses two avenues of spiritual restoration being open to God's mercy and being involved in a community of grace A challenging but much needed book for Christians across a broad spectrum from laypersons and students to pastors and Christian philosophers *Singleness of Heart* systematically yet gently searches the secret places of the Christian heart taking readers beyond the cursory acquaintance they often have with their true selves and leading them to the healing power of God's grace and the single minded pursuit of eternity **Singleness of Heart** Clifford Williams, 2009-01-01 A challenging but much needed book for Christians across a broad spectrum from laypersons and students to pastors and Christian philosophers *Singleness of Heart* systematically yet gently searches the secret places of the Christian heart taking readers beyond the cursory acquaintance they often have with their own true selves and leading them to the healing power of God's grace and the single minded pursuit of eternity **Not the Way It's Supposed to Be** Cornelius Plantinga, 1996-02-06 Plantinga's treatment of sin is comprehensive articulate and well written It confirms the orthodox and neo orthodox doctrine of sin lavishly illustrates it from contemporary events and plumbs depths in understanding sin's complexities and banalities **Growing in Holiness through the Psalms** David J. McKinley, 2023-04-05 In a confused world with moral decay we need clear direction for godly living While the mention of holiness is not commonly heard these days the Psalms call us to cultivate holy lives in today's society The psalmists not only teach us how to grow in holiness but they draw us into their own rich experiences The author explores the Psalms to give us a perspective on the nature of holiness and the many important ways we can grow in holiness The Psalter serves as an invaluable guide for our spiritual formation as followers of Jesus Christ **When You Pray Revised Edition** Bishop Rueben P. Job, 2018-04-03 Prayer is one of the most important areas of a Christian's life Written in 2010 by spiritual formation leader Bishop Rueben P Job *When You Pray* has reached over 20 000 readers since its publication This daily prayer guide offers a full year of readings and scripture and is an excellent tool to use in daily prayer time Each four page weekly segment includes daily office of scripture prayer offering of self and blessing plus a brief essay from the author and collection of quotes from well known voices in spiritual formation The new edition will include the same weekly scripture suggestions and essays with refreshed quotes and additional material and prayers In addition readers will find helps in the back of the book

offer ways to explore prayer as a group or as a family *The Holy Spirit and Christian Ethics in the Theology of Klaus Bockmuehl* Annette M. Glaw, 2014-02-07 Klaus Bockmuehl 1931-1989 former Professor for Systematic Theology at Regent College Vancouver published outstanding theological ethical works The questions that Bockmuehl explored have not lost any relevance How do we know what God's will is in a particular situation Is Scripture sufficient for ethical decisions or should we listen to God Does God even speak today Is there a distinctive Christian ethic Bockmuehl's central contribution can be found in his emphasis on the seminal role the Holy Spirit plays within Christian ethics not only as the one who realizes the reign of God in the life of the individual but also as the one guiding the individual in a particular situation This book is the first in depth study of Bockmuehl introducing readers to his theology and ethics including a short biographical overview delineating and appraising how he understands the role of the Holy Spirit in Christian ethics It is not a book without criticism and its own creative contribution Annette Glaw concludes her fascinating study with a proposal for a relational concept of the Holy Spirit as the loving presence of God in Christian ethics *Faith and Reason* Anthony Fisher, Hayden Ramsay, 2004 The first in a new series with Australian Catholic University this collection of essays deals with two important themes Faith and reason are heavily weighted words They point to elemental aspects of human existence The papers and discussions presented strive to clarify and correlate these basic activities or dimensions of human beings In all the complexities of the possible relationships and interweaving of faith and reason two kinds of questions keep recurring One the one hand what is the value of human intelligence and how is it endorsed and supported by faith On the other hand what is the distinctive intelligence or rationality of faith and how does it relate to the perennial search for wisdom represented in its various philosophical forms Contributors include Marilyn McCord Adams Raimond Gaita John Haldane John McDermott SJ Kevin Hart and Anthony Kelly CSsR *The Prayer of Jesus* Robert M. Solomon, 2009 **Living Truth, Truthful Living** Winifred Wing Han Lamb, 2004 The author maintains that suspicion can open up spaces for dialogue in apologetical encounter since both suspicion and biblical faith are concerned in principle at least with ruthfulness She argues that suspicion is a scalpel to faith because it can carry challenge and discomfort as well as insight and healing Method and Catholic Moral Theology Todd A. Salzman, 1999 This work is an investigation of the ongoing methodical reconstruction of Catholic moral theology As such it is based on and honors the work of Norbert Rigali SJ one of the most important contributors to this reconstruction The decisive break from the traditional manual approach to moral theology represented by Vatican II reoriented moral theology away from universal natural law morality based on the commandments to a morality based on specifically Christian sources This reorientation however was not an either/or but a both/and proposition Father Norbert Rigali SJ has been an inspiration and a challenge to moral theologians working toward reconstruction The essays in this collection address four questions in the renewal movement an investigation of normative methods a clarification of sources an investigation of the tension between natural law morality and Christian ethics and/or morality and a combination of methodical insights of philosophy with traditional

Christian sources in their investigation of biomedical ethical issues The contributors to the collection include Richard M Gula S S Joseph A Selling Bernard Hoose Mark O Keefe O S B James F Keenan S J Edward Collins Vacek S J Charles E Curran James J Walter Todd A Salzman Jean Porter Lisa Sowle Cahill and Richard A McCormick S J **The New Scholasticism**,1994 Includes section Book Reviews *The Biblical Archaeologist* George Ernest Wright, Frank Moore Cross, Edward Fay Campbell, Floyd Vivian Filson,1994 **Pro Ecclesia** ,1994 *The Life of the Mind* Clifford Williams,2002-03 This succinct and accessible examination of the life of the mind explores the purpose intellectual pursuits have in the lives of Christians
