

A photograph of a two-lane asphalt road with double yellow lines, curving through a dense forest. The scene is captured at dusk or dawn, with a soft, hazy light in the sky and mist or fog hanging in the air between the trees. The road leads towards a distant, misty horizon.

You can't move forward
until you look back.

Looking Back, Moving Forward - Bittersweet Candace Wayne, 2024-04-16 When lawyer wife and mother Candace Wayne's beloved husband John is diagnosed with Lewy Bodies Dementia she finally has a name for the small changes she's born witness to for years In this essay collection Candace offers snapshots of the years leading up to John's death and those that unfold afterward Task oriented and responsible Candace is efficient in her role as caretaker learning how to best support a husband who must come to terms with his slow creeping loss of self sufficiency Meanwhile Candace's daughters have their own experience with their father's changes and the whole family must bend without breaking to accommodate his loss By turns raw and contemplative Candace's essays depict family road trips restaurant outings and doctors appointments and finally John's last breaths Much like Joan Didion's *The Year of Magical Thinking* this collection is true to the experience of mourning taking the reader through the author's real time experiences before revisiting episodes through the lens of retrospect Ultimately the author's sadness makes way for reluctant optimism as Candace awakens to the bittersweet realization that the person her husband's death caused her to become is a woman she's grateful to know
