Looking for Picasso In All the Wrong Places Ivan Millard "Googie" Parks Jr.,2023-06-13 About the Book Looking for Picasso in All the Wrong Places by retired art dealer Ivan Googie Parks Jr is a memoir of how a Chicago cowboy became an art dealer He shares his unique experiences of how his Chicagoland Cowboy upbringing prepared him to solve modern art s oldest secret For the first time ever read the amazing story of a young horseman s inadvertent discovery that paralleled the answers to Picasso s unasked questions for the sources of the Master s unknown mysterious models Parks reveals Picasso s own Communistic origins he claims to have discovered being used to compare to the murder scenes from Chicago connected events He presents a collection of fifty three photographs from his Cowboy life which he claims accidentally helped him explain what the seemingly secret subjects Picasso selected for the unknown gifts for the 1968 347 Suite Gravures exhibit were developed from accrual events taken place as Picasso drew the subjects from newspaper accounts as they happened A young Parks uses his early Chicago cowboy experiences to help illuminate the Equine characters populating the selected sequenced forty eight serials constructed from Picasso s artwork into Ivan s arranged expose He uses his uniquely devised new linking

process for creating a devastating revelation in a new serialization technique which is formulated while finding out Picasso has borrowed serial events from Chicago's historical past His findings lead to the beginning of a better understanding of Picasso's formerly mysterious Cubistic World as he struck a lucky deal to save his Rock n Roll Dude Ranch while selling art in the Merrill Chase Chicagoland Art Gallery chain Ivan reveals the explicit reasons of how he helped remove the Erotic Suite from the 347 Series Gravures Exhibit while discovering a surprise Chicago connection illustrating two Democratic Presidential Conventions of 1960 and 1968 silently selected by Picasso You will marvel as he discusses the reasons explaining the heretofore unknown why Picasso gave the Sculpture Puzzle the Bizarre Etching Exhibit and the 100 000 Commission Check to the Art Institute of Chicago Parks also divulges a curious set of parallel dimensions between the Daley Plaza Sculpture the Guernica Mural and a mock up of a St Valentine's Day Crime Scene Measurement Recreation which has never been examined or explored publicly before He also explores the timely similarities in the recreations from the April 4 1968 murder scene used by Picasso for his own version of the day before and the day of the Memphis Motel Balcony Crime Scene about the murder of Dr Martin L King Jr You will marvel at the intricate collection of evidence linking Picasso imagery to Capone Era Chicago Beer Wars events He further connects other similar historical sneak attack and matching alibi models for the St Valentine's murders and aligns them with selected communist conflicts with fascist leaders matching Picasso Eras which Ivan implicates Picasso in stealing Chicago Connections for his seemingly unknown art subjects You'll decide if the evidence in Parks's Crazy Chicago Cowboy Discovery Trail proves his findings or if Parks twisted Picasso's imagery into his own new Secret Chicago Connections Either way the events took place just before Picasso drew his seemingly unconnected version of the infamous imagery

pantomimes staged on the steps of the federal Treasury building fashionable window displays and other devices Votes for Women entered public space and the marketplace Together these activities and commodities helped suffragists claim legitimacy in a consumer capitalist society Imaginatively interweaving cultural and political history Selling Suffrage is a revealing look at how the growth of consumerism influenced women s self identity Look ,1962 From Paradise to Hell Marjorie Ann Reeves,2013-10 It is 1844 when Alabama born Rose begins writing a journal She has just reluctantly agreed to marry Nathan Flowers The years pass and together Rose and Nathan have five children A Chickasaw couple kin to Nathan by marriage lives with them and helps Rose settle in and raise a family Rose Nathan and their five children could have lived happily ever after but then came the War Between the States The North and South found themselves divided and Rose is pained when two of her children join the Union while two others join the Confederacy Her journal keeps her grounded if she continues to write perhaps she can make sense of what s happening Living a normal life during the Civil War is impossible but Rose does her best to keep calm and care for the remaining members of her family When the war is over America must rebuild and life is still not easy in the South The war was difficult for the nation but it was also hard on individual families This is the story of one such family who struggled to love each other despite differing beliefs Hearings [and Reports] 83rd Congress, 1st Session United States.
