Worship and Wisdom G. Wright Doyle, 2020-07-28 These meditations will help you ponder the beauty of God's Word and grow in worship and wisdom The inspired prayers of Psalms range through the entire gamut of human emotions faith and doubt elation and sorrow hope and despair confidence and terror love and hate We read magnificent paeans of praise and howling wails of complaint With utter honesty they allow us to express our hearts to the LORD knowing that he hears us With a growing crescendo they point us back to God who cares for his people Through them we learn how to worship The Book of Proverbs contains wise sayings from David's son Solomon and others On the surface it seems to focus on this life and how to live it well Here we learn about sex money and power the proper use of the tongue relating well to others and the path to success From the opening chapter to the end however one theme dominates If we want to be wise we need to fear and to love God

**I Was Blind, But Now I See** Ahmed Abaza,2007-08 THE MILKWEED PROPHECY EPITAPH OF THE APOCALYPSE is an incredible and in depth explanation of not only the Apocalypse but told from an an actual involvement where the author herself ensplenders her own emotional framework in a manner of religious literature that has never been captured before All of these events were based solely upon the Professor s lifetime of visions and actual visitations and apparitions and actual visitations of Mary the Mother of God and actual accounted events that have been witnessed by credible people This book of uncommon insights will startled the mind and very heart of the reader as he is taken on horseback into the actual Apocalypse and stares face to face with the Devil himself LUCIFER The near possession this young author claims boldly as this was also documented and witnessed but the literal protection from God saved Milkweed after her only suicide attempt This book powerfully illustrates what it is truly like to be a believer but one who is chosen long ago to understand and to teach and even now fooling her medical doctors and living well beyond her expected time allotted to her but still extremely deteriorated from this catastrophic terminal illness that plagues her mysterious life This work divinely inspired is highly recommended for anyone who truly wants and needs to know about the Book of God s Revelations as well as about himself This same remarkable book of stunning words translate

themselves likend to the Bible as the author clearly defines herself but without ever in abruption of the eternal glory of God Her impressive artwork as well as photography is also here to enlighten and illuminate the mind and to hopefully make all understand the truth of God s Kingdom and the ultimate sacrifice the cricifixion and dereliction of our God Jesus the Christ
