The Journey to Finding Your Lost Identity M & E,2018-12-20 It's admirable to write books about wealth prosperity growth and becoming who you were called to be however while writing this book I realized that you can't have wealth

prosperity and or walk in who you were called to be if you don't know who you are On this journey called life I have heard people say this is the way we have always done it so there is no need to change Hearing those words over and over again made me realize that now more than ever change needed to take place You may be saying I haven't lost my identity but let me tell you throughout your life if you have had any encounters with people you have lost your identity People have a way of speaking things over you not realizing those words can have positive or negative results We have all been defined and redefined by words that were spoken over our life
