Lost Letters Of Pergamum

**Graham Stanton, Bruce W.
Longenecker, Stephen C. Barton**

Lost Letters Of Pergamum:

The Lost Letters of Pergamum Bruce W. Longenecker, 2016-04-19 A Fascinating Glimpse into the World of the New Testament Transported two thousand years into the past readers are introduced to Antipas a Roman civic leader who has encountered the writings of the biblical author Luke Luke's history sparks Antipas's interest and they begin corresponding While the account is fictional the author is a highly respected New Testament scholar who weaves reliable historical information into a fascinating story offering a fresh engaging and creative way to learn about the New Testament world The first edition has been widely used in the classroom over 30 000 copies sold This updated edition now with improved readability and narrative flow will bring the social and political world of Jesus and his first followers to life for many more students of the Bible

The Lost Letters of Pergamum Bruce W. Longenecker, 2003 Introduces readers to the style of New Testament writings the social and political world of Jesus and his first followers and early Christian gatherings Using the literary technique of correspondence through ancient letters which comprise much of the New Testament Longenecker mixes fact and fiction to paint an interesting and informative picture of the New Testament world and early Christianity

Fakes, Forgeries, and Fictions Tony Burke, 2017-05-31 Fakes Forgeries and Fictions examines the possible motivations behind the production of apocryphal Christian texts Did the authors of Christian apocrypha intend to deceive others about the true origins of their writings Did they do so in a way that is distinctly different from New Testament scriptural writings What would phrases like intended to deceive or true origins even mean in various historical and cultural contexts The papers in this volume presented in September 2015 at York University in Toronto discuss texts from as early as second century papyrus fragments to modern apocrypha such as tales of Jesus in India in the nineteenth century Life of Saint Issa The highlights of the collection include a keynote address by Bart Ehrman Apocryphal Forgeries The Logic of Literary Deceit and a panel discussion on the Gospel of Jesus Wife reflecting on what reactions to this particular text primarily on biblioblogs can tell us about the creation transmission and reception of apocryphal Christian literature The eye opening papers presented at the panel caution and enlighten readers about the ethics of studying unprovenanced texts the challenges facing female scholars both in the academy and online and the shifting dynamics between online and traditional print scholarship

Revelation Gerald L. Stevens, 2014-05-08 This three part study covers the history of interpretation theological foundations and exegesis Copious illustrations from the author's worldwide travels enhance discussion of Rome's emperors empire and ideology as the premier horizon for understanding John's immediate context and meaning Distinctive contributions include Stevens's effort to re canonize Revelation by insisting on gospel concord methodically interpreting all of Revelation through the lens of the seven churches and showing how Revelation's imagery consistently relates more to the incarnation than the Parousia Stevens bypasses traditional millennial options to argue that Revelation is passion millennial the passion of Jesus predicates the passion of the church Under Stevens's hands Revelation becomes eminently sensible to

the original audience and powerfully pertinent for today's church

Grasping God's Word, Fourth Edition J. Scott Duvall, J. Daniel Hays, 2020-10-13 A Proven Approach to Help You Interpret and Understand the Bible Grasping God's Word has proven itself in classrooms across the country as an invaluable help to students who want to learn how to read interpret and apply the Bible for themselves This book will equip you with a five step Interpretive Journey that will help you make sense of any passage in the Bible It will also guide you through all the different genres found in the Bible to help you learn the specifics of how to best approach each one Filling the gap between approaches that are too simple and others that are too technical this book starts by equipping readers with general principles of interpretation then moves on to apply those principles to specific genres and contexts Features include Proven in classrooms across the country Hands on exercises to guide students through the interpretation process Emphasis on real life application Supplemented by a website for professors providing extensive teaching materials Accompanying workbook video lectures laminated study guide sold separately This fourth edition includes revised chapters on word studies and Bible translations updated illustrations cultural references bibliography and assignments This book is the ideal resource for anyone looking for a step by step guide that will teach them how to accurately and faithfully interpret the Bible

Understanding the Bible Robert L. Plummer, 2013-03-26 Understanding the Bible will help anyone learn how to interpret the Bible for themselves The Bible covers a variety of genres and was written a long time ago so being aware of solid principles of interpretation is important in order to understand the Bible properly Plummer walks the reader through improving interpretation skills using books and tools for interpretation and determining the meaning of a biblical text

Performing the Apocalypse Garland A. Autry, 2025-10-30 People love to tell stories In the ancient world most people interacted with these stories primarily through the spoken word as opposed to the printed text The book of Revelation is one such story Not only is the narrative Revelation intended to be read aloud Rev 1:3 but the written text itself betrays a number of features characteristic of oral storytelling The aim of this monograph is to analyze John's Apocalypse with the listening audience in mind in order to validate that indeed the text was composed as a text for performance An eclectic methodology combining tools from oral biblical criticism discourse analysis and biblical performance criticism is utilized to explore three representative sections of Revelation working from sounds and syllables to the oral patterns that structure the book itself This book contributes to scholarship proposing that Revelation must be re-heard just as it was by the original recipients Since syllables sounds cola and periods are often ignored in current scholarship this monograph aims to help scholars re-hear these neglected features The many endless proposals regarding the macrostructure of Revelation frequently overlook the way in which material was arranged for oral performance and this book serves as a corrective

Experiencing the Apocalypse Dan J. Harvey, 2023-06-13 John's Revelation is the most misunderstood book of the Bible Even church fathers Martin Luther and other Protestant leaders questioned its inclusion in the Bible The book of Revelation is not meant to be a complex puzzle itching to be solved Rather it is a first century

document that needs to be understood in the context of the Greco Roman world while paying close attention to the hundreds of allusions to Old Testament Scripture The New Testament in Its World N. T. Wright, Michael F. Bird, 2019-11-19 Your ticket from the twenty first century to the era of Jesus and the first Christians A readable one volume introduction placing the entire New Testament and early Christianity in its original context written by distinguished scholar and author N T Wright An ideal guide for students The New Testament in Its World addresses the many difficult questions faced by those studying early Christianity including What was the first century understanding of the Kingdom of God What is the meaning of the resurrection in its original context What were the Gospels and how did they come about Who was Paul and why are his letters so controversial Written for both classroom and personal use this book brings together decades of ground breaking research writing and teaching into one volume It presents the New Testament books along with their subjects Jesus and the early church within the historical and social context of Second Temple Judaism and Greco Roman politics and culture The New Testament in Its World allows you to recover the excitement of what it was like to live as Christians in the first or second centuries Features include Surveys of each New Testament book that discuss their significance and provides commentary on their contents along with implications for the Christian life Major sections on the historical Jesus the resurrection of Jesus and Paul s chronology and theology Up to date discussions of textual criticism and the canonization of the New Testament Frequent illustrations maps charts diagrams and artwork provide additional explanations and insights A distillation of the life work of N T Wright on the New Testament with input from Michael Bird Also available are Video and Workbook companion resources sold separately to enhance learning and experience the world of the New Testament

Essays on Revelation Gerald L. Stevens, 2011-01-01 The book of Revelation perennially provokes outlandish futurist predictions proven patently false over time Such prophecy failures leave the inquiring mind with a strong sense that the book of Revelation is nothing but a hoax safely ignored and without contemporary relevance The inevitable practical result not only for church members but for their ministers as well is a canonical book stripped bare of canonical authority In this volume six contributors collectively attempt to provide a path toward recanonizing Revelation reclaiming its authority and relevance through christological foundations The result is a book not only useful in the collegiate and seminary classroom but also for serious small group Bible studies wanting to glean from Revelation something deeper than a fear of being left behind

Centered-Set Church Mark D. Baker, 2022-01-18 Is there an alternative to the church s impulse to either obsess over boundaries or erase them completely Building on the work of Paul Hiebert Mark D Baker provides a unique manual for understanding and applying the vision of a centered church charting a new path for congregations and leaders to grow in authentic freedom and dynamic movement toward the true center Jesus himself Introducing the New Testament John Drane, 2019-10-04 Continuously in print for over 30 years and available in many different languages John Drane s Introducing the New Testament has long been recognized as an authoritative and accessible survey of the subject This new edition has

been fully revised and updated with fresh material on the many political contexts in which the early church flourished along with new insights into the writing and reception of written texts in what was essentially an oral culture. Specific issues that will be of particular interest to students are highlighted in special boxed feature sections along with an extensive glossary of technical terms and key maps and diagrams. This book is the ideal starting point for readers who wish to explore the New Testament and its world in the light of recent scholarship and its relevance to life in the twenty first century. *Social Media Survivor* Don Beck, 2015-04-30 When author Don Beck walked into the offices of Involver a social media startup as their new CEO in June of 2011 he had no idea what to expect. He was rich with confidence but lacked experience as a first time CEO in a technology industry that was dynamically changing every day. For Beck the task was daunting but equally exciting. In *Social Media Survivor* Beck tells the roller coaster ride of running Involver a tenure that led to its sale in July of 2012 to Oracle. As a seasoned fifty five year old veteran of the high tech industry he had to bridge the generation gap between the sixty employees who were young and extremely talented each one of them was under the age of thirty and had forgotten more about the social marketing industry than Beck had learned. Beck shares the highs and lows of leading a small but fast growing social media marketing company in a competitive industry that changed quickly. Every day brought new challenges not only within the company but industry wide. *Social Media Survivor* tells the story of a high tech entrepreneur and how his perseverance paid off. It provides keen insight into what its like to be the CEO of a hot fast growing social media startup. *In Stone and Story* Bruce W. Longenecker, 2020-02-18 This beautifully designed full color textbook introduces the Roman background of the New Testament by immersing students in the life and culture of the thriving first century towns of Pompeii and Herculaneum which act as showpieces of the world into which the early Christian movement was spreading. Bruce Longenecker a leading scholar of the ancient world of the New Testament discusses first century artifacts in relation to the life stories of people from the Roman world. The book includes discussion questions maps and 175 color photographs. Additional resources are available through Textbook eSources. **Listentalk** Kirk Livingston, 2015-07-06 ListenTalk Is Conversation an Act of God explores the profound mysteries of everyday conversations uncovering how the mundane and the sublime commingle in the words people exchange in working and playing alongside one another. How people choose to express themselves to frame their deepest longings and thoughts either expands or shrinks the deep realities of mind body and human community. Kirk Livingston drawing upon education in philosophy and theology and experience in the commercial world of copywriting investigates how words exercise power to make things happen in this world and how those emerging conversations connect people to one another and bind them to God. As the title hints ListenTalk ends chapters with questions crafted to encourage conversation among people who share the journey of reading this work together. Frequent and effective section headings provide ample markers along the way so that readers may keep themselves oriented to the books presentation. To support deeper reflection ListenTalk also suggests further reading and offers pertinent documentation and a

topical index If you find yourself awash in conversation talk and wonder if more may be going on than simply filling silence with sound then this book promises to address how God uses ordinary conversations They can become tools to achieve reunion both among people who too often simply pass by one another in the midst of busy days and between people and the God who made them to enter into the divine conversation **Power in Weakness** Timothy G. Gombis, 2021-02-02 Envisioning cruciform community built on resurrection hope After Paul's encounter with the risen Christ on the road to Damascus he turned from coercion and violence to a ministry centered on the hope of Christ's resurrection In earthly terms Paul had traded power for weakness But as he explained in his subsequent letters this weakness was actually the key to flourishing community that is able to experience God's transformation restoration and healing What would it mean for pastors today to take seriously Paul's exhortation in 1 Corinthians 11:1 to imitate me as I imitate Christ and lead their congregations in this way Instead of drawing leadership principles and practices from the worlds of business education and politics which tend to orient churches around institutional power and image maintenance Timothy Gombis follows Paul in resisting the influence of the present evil age by making cruciformity the operating principle of the church Gombis guides the reader through practices and patterns that can lead a congregation past a focus on individual salvation toward becoming instead a site of resurrection power on earth **Interpreting the Pauline Epistles** Thomas R. Schreiner, 2011-05 Thomas Schreiner provides an updated guide to the exegesis of the New Testament epistles traditionally assigned to Paul The book helps readers understand the nature of first century letters do textual criticism investigate historical and introductory issues probe theological context and more from publisher description

Jesus, Skepticism, and the Problem of History Zondervan, 2019-10-08 In recent years a number of New Testament scholars engaged in academic historical Jesus studies have concluded that such scholarship cannot yield secure and illuminating conclusions about its subject arguing that the search for a historically authentic Jesus has run aground Jesus Skepticism and the Problem of History brings together a stellar lineup of New Testament scholars who contend that historical Jesus scholarship is far from dead These scholars all find value in using the tools of contemporary historical methods in the study of Jesus and Christian origins While the skeptical use of criteria to fashion a Jesus contrary to the one portrayed in the Gospels is methodologically unsound and theologically unacceptable these criteria properly formulated and applied yield positive results that support the Gospel accounts and the historical narrative in Acts This book presents a nuanced and vitally needed alternative to the skeptical extremes of revisionist Jesus scholarship that on the one hand uses historical methods to call into question the Jesus of the Gospels and on the other denies the possibility of using historical methods to learn about Jesus **The Living Church**, 2004

The Holy Spirit and Christian Origins Graham Stanton, Bruce W. Longenecker, Stephen C. Barton, 2004-11-04 Anyone who is interested in the rigorous study of early Christianity and who has not engaged with the works of James D G Dunn is not really interested in the rigorous study of early Christianity No one would dispute that Professor Dunn is one of the most

prolific New Testament scholars of the late twentieth and early twenty first centuries And while a handful of scholars might have a list of publications to rival his own extensive publications list none of them could claim to have set the agenda of scholarly study to the extent that Jimmy Dunn has done for a sustained period of time since the 1970s The Holy Spirit and Christian Origins comprises a selection of original essays that explore a topic that has held a prominent and distinctive place in the majority of Professor Dunn s publications Written by twenty seven leading scholars this singular volume probes deep into the nascent Christian communities and their writings and investigates the early Christians convictions concerning the Holy Spirit Ranging widely through Scripture and across early church history many of these essays introduce groundbreaking research in biblical studies and some engage directly with Dunn s work in the field Presenting some of the best new work in New Testament studies as well as celebrating a respected career The Holy Spirit and Christian Origins will help to stimulate further discussion and reflection in the theological academy and in the Christian church two sectors that Jimmy Dunn has consistently and passionately sought to straddle nurture and refresh Contributors Robert Banks John M G Barclay Richard Bauckham Peder Borgen David Catchpole Gordon D Fee Victor Paul Furnish Beverly Roberts Gaventa Joel B Green Morna D Hooker Robert Jewett Hermann Lichtenberger Bruce W Longenecker Ulrich Luz I Howard Marshall Scot McKnight R W L Moberly Robert Morgan J Lionel North Graham N Stanton Loren T Stuckenbruck Peter Stuhlmacher Anthony C Thiselton Marianne Meye Thompson Paul Trebilco Max Turner Alexander J M Wedderburn

This Captivating World of E-book Books: A Detailed Guide Revealing the Pros of Kindle Books: A Realm of Convenience and Flexibility E-book books, with their inherent portability and simplicity of access, have freed readers from the limitations of hardcopy books.
