

LOST EMPIRE

*The Life and Adventures
of Nikolai Rezanov*

by Hector Chevigny

Lost Empire Rezanov

Gertrude Franklin Horn Atherton

Lost Empire Rezanov:

Lost Empire Hector Chevigny, 1965-06-01 **Lost Empire** Hector Chevigny, 1965 Biography of Nikolai Rezanov a Russian diplomat who travelled to Siberia Japan Alaska and in 1806 to California He envisioned a Russian Empire that would extend from the arctic to Mexico **Lost Empire. The Life and Adventures of Nikolai Petrovich Rezanov. [With a Portrait.]** Hector Chevigny, 1937 **Lost Empire** Hector Chevigny, 1937 This magnificent tale of passion power and intrigue records the life and adventures of Nikolai Rezanov one of the great enigmas of national history Beginning at the court of Catherine the Great moving to Siberia Japan Alaska then California Rezanov s story becomes a superb drama as it climaxes in his celebrated love affair with a Spanish beauty at San Francisco in 1806 Here is evidence drawn for Russian sources that in lovely Conchita Arguello Rezanov envisioned an empire that would extend from Mexico to the Arctic

Rezanov Gertrude Franklin Horn Atherton, 2025-10-19 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Alaska History, 1741-1910 Historic Sites Survey (U.S.), United States. National Park Service, 1961 Rezanov Gertrude Franklin Horn Atherton, 1906 **Mexico Through Russian Eyes, 1806-1940** William Harrison Richardson, 2010-11-23 In this unique book William Richardson analyzes the descriptions given of Mexico by an assortment of Russian visitors from the employees of the Russian American Company who made their first contacts in the early nineteenth century to the artists diplomats and exiles of the twentieth century He explores the biases they brought with them and the interpretations they relayed back to readers at home Richardson finds that Russians had a particular empathy for the Mexicans sharing a perceived similarity in their histories conquest by a foreign power a long period of centralized authoritarian rule an attempt at liberal reform followed by revolution Glorious Misadventures Owen Matthews, 2013-08-01 The Russian Empire once extended deep into America in 1818 Russia s furthest outposts were in California and Hawaii The dreamer behind this great Imperial vision was Nikolai Rezanov diplomat adventurer courtier millionaire and gambler His quest to plant Russian colonies from Siberia to California led him to San Francisco where he was captivated by Conchita the fifteen year old daughter of the Spanish Governor who embodied his dreams of both love and empire From the glittering court of Catherine the Great to the wilds of the New World Matthews conjures a brilliantly original portrait of one of Russia s most eccentric Empire builders **Transactions of the Asiatic Society of Japan** Asiatic Society of Japan, 2015 List of transactions v 1 41 in v 41 **California** David Sievert Lavender, 1987-01-01 From the earliest Spanish explorations in the late 1500s through the present California s history and growth have been both tumultuous and phenomenal All the historical facts are here the missions and the Indians the struggles between the Mexicans and the Americans the fabulous gold rushes statehood in 1850 railroad wars furious labor upheavals the disastrous scandals and bankruptcies of the 1920s and the recent gigantic tamperings with nature David

Lavender tells with unusual clarity and grace the story of a beautiful state's rise to gigantism In an afterword to this Bison Book edition he looks at California today *California* Andrew Rolle, Arthur C. Verge, 2014-06-19 The eighth edition of *California A History* covers the entire scope of the history of the Golden State from before first contact with Europeans through the present an accessible and compelling narrative that comprises the stories of the many diverse peoples who have called and currently do call California home Explores the latest developments relating to California's immigration energy environment and transportation concerns Features concise chapters and a narrative approach along with numerous maps photographs and new graphic features to facilitate student comprehension Offers illuminating insights into the significant events and people that shaped the lengthy and complex history of a state that has become synonymous with the American dream Includes discussion of recent and uniquely Californian social trends connecting Hollywood social media and Silicon Valley and most recently Silicon Beach *The Spanish Borderlands Frontier, 1513-1821* John Francis Bannon, 1974 The classic history of the Spanish frontier from Florida to California *History of Alaska , Volume I* Jonathan M. Nielson, Ph.D., 2018-02-01 As a unique distant geographical region of the United States Alaska has evolved from military insignificance to high strategic priority in the 142 years since its purchase from Russia in 1867 The reasons for this dramatic shift derive from a correlation of geography foreign policy domestic politics and military technology Historically the role of the armed forces in Alaska has been large and diverse Alaska was one of the two principal territorial purchases made by the United States between 1803 and 1867 adding nearly 1.5 million square miles to America's national domain Smaller by the size of Texas than Jefferson's Louisiana Purchase Alaska unlike all of the territories and states carved out of the former languished in obscurity and isolation and was administered as a colonial dependency by the military and other branches of the federal government its official territorial status and government notwithstanding While sharing many common aspects of frontier settlement and Western history with territories such as Montana the Dakotas Wyoming and Colorado Alaska presented special challenges peculiar to a non contiguous arctic and sub Arctic environment separated from the United States by a foreign power Indeed only the defeated South under Reconstruction experienced the same degree of military occupation and martial law Alaska also has the unique distinction in the American experience of belonging to Imperial Russia before it became of interest to American expansionists Still others found Alaska tempting and pursued their own designs North of 53 The Spanish British Canadians and even the French plied Alaska's waters and made their claims to Alyeska the Great Land And it is with these clashing imperial ambitions that this three volume history begins *Russian America* Ilya Vinkovetsky, 2011-04-06 From 1741 until Alaska was sold to the United States in 1867 the Russian empire claimed territory and peoples in North America In this book Ilya Vinkovetsky examines how Russia governed its only overseas colony illustrating how the colony fit into and diverged from the structures developed in the otherwise contiguous Russian empire Russian America was effectively transformed from a remote extension of Russia's Siberian frontier penetrated mainly by

Siberianized Russians into an ostensibly modern overseas colony operated by Europeanized Russians Under the rule of the Russian American Company the colony was governed on different terms than the rest of the empire a hybrid of elements carried over from Siberia and imported from rival colonial systems Its economic labor and social organization reflected Russian hopes for Alaska as well as the numerous limitations such as its vast territory and pressures from its multiethnic residents it imposed This approach was particularly evident in Russian strategies to convert the indigenous peoples of Russian America into loyal subjects of the Russian Empire Vinkovetsky looks closely at Russian efforts to acculturate the native peoples including attempts to predispose them to be more open to the Russian political and cultural influence through trade and Russian Orthodox Christianity Bringing together the history of Russia the history of colonialism and the history of contact between native peoples and Europeans on the American frontier this work highlights how the overseas colony revealed the Russian Empire s adaptability to models of colonialism

The War Against the Seals Briton Cooper Busch,1987 Concentrates on the fur seals of the Bering Sea and the harp seals of the Newfoundland hunt Reveals the consequences of an industry s killing of more than 50 000 000 seals in a century and a half

Native American in the Land of the Shogun Frederik L. Schodt,2013-06-15 The true story of a half Chinook half Scot adventurer who entered feudal Japan in 1848 and helped pave the way for its modernization How Japan after 250 years of self imposed isolation began the process of modernization is in part the story of Ranald MacDonald In 1848 this half Scot half Chinook adventurer from the Pacific Northwest landed on an island off Hokkaido Although promptly arrested and imprisoned for seven months in Nagasaki the intelligent well educated MacDonald fascinated the Japanese and became one of their first teachers of English and Western ways Based on primary research in Japan and North America this book chronicles the events leading to MacDonald s journey and his later struggle to obtain recognition at home

Enlightenment and Exploration in the North Pacific, 1741-1805 Stephen W. Haycox,James K. Barnett,Caedmon Liburd,2016-06-01 Saluting an era of adventure and knowledge seeking fifteen original essays consider the motivations of European explorers of the Pacific the science and technology of 18th century exploration and the significance of Spanish French and British voyages Among the topics discussed are the quest by enlightenment scientists for new species of plant and animal life and their fascination with Native cultures advances in shipbuilding navigation medicine and diet that made extended voyages possible and the lasting significance of the explorers collections artworks and journals

The American Slavic and East European Review ,1960

Comments and Responses United States. National Park Service,1994
