Ulaanbaatar beyond Water and Grass M. A. Aldrich, 2018-03-02 *Ulaanbaatar beyond Water and Grass* is the first book in the English language that takes the visitors to an in depth exploration of the capital of Mongolia In the first section of the book M A Aldrich paints a detailed portrait of the history religion and architecture of Ulaanbaatar with reference to how the city evolved from a monastic settlement to a communist inspired capital and finally to a major city of free wheeling capitalism and Tammany Hall politics The second section of the book offers the reader a tour of different sites within the city and beyond bringing back to life the human dramas that have played themselves out on the stage of Ulaanbaatar Where most guide books often lightly discuss the capital *Ulaanbaatar beyond Water and Grass* A Guide to the Capital of Mongolia reveals much that remains hidden from the temporary visitor and even from the long term resident Writing in a quirky idiosyncratic style the author shares his appreciation and delight in this unique urban setting indeed in all things Mongolian The book finally does justice to one of the most neglected cultural capitals in Asia Combining history ethnography architecture city planning and folklore with a

delightful dash of irony and personal opinion Michael Aldrich's *Ulaanbaatar beyond Water and Grass* is an authoritative introduction to Mongolia's capital city For first time visitors or long term academics this is quite simply the best book available on Ulaanbaatar Jack Weatherford author of *Genghis Khan and the Making of the Modern World* The charm of this superb guide to Mongolia's mysterious capital is the exuberance and love the author bestows on his subject Michael Aldrich's erudition is profound and all embracing and he is as comfortable discussing abstruse aspects of Buddhism as he is the city's history from its pastoral and feudal origins through Manchu suzerainty to Soviet communism to the wild capitalism of the present day He never misses the opportunity for a colourful and amusing anecdote or tidbit of scandal to relish an obscure custom to delight in the spice in a local dish or to pause and admire the beauty of a particular artwork building or monument The prose rings with his idiosyncratic personality knowledgeable urbane and sceptical sometimes downright cynical but always passionate and committed Carrying this book through Ulaanbaatar's streets or curling into its pages on a sofa at home he is the perfect companion squeezing stories out of ancient stones conjuring ghosts and elegantly baring the city's soul Ulaanbaatar beyond Water and Grass will become as great a classic of travel literature for Central Asia as J G Links's *Venice for Pleasure* was for Europe Adam Williams author of *The Palace of Heavenly Pleasure* Destined to become the quintessential introduction to Ulaanbaatar not only in terms of the wealth of information but also in terms of the sympathetic understanding and humour the author shares with the reader Genghis Khan would have loved it Bill Porter author of *Road to Heaven Encounters with Chinese Hermits and Finding Them Gone* Visiting China's Poets of the Past Michael Aldrich's guide to Ulaanbaatar reveals a city of religion of revolution and latterly of bold new experiment It is both a journey through the city of today as well as an imagining of the historical city now lost to development Paul French author of *The Old Shanghai A Z* This is an interesting and illuminating book providing fascinating details on the history and evolution of Mongolia's capital and largest city It should definitely be included on the essential reading list for anyone living or working in Mongolia Jonathan Addleton Executive Director of American Center for Mongolian Studies former US Ambassador to Mongolia author of *Mongolia and the United States A Diplomatic History* [The Best American Travel Writing](#), 2006 **The New Yorker** Harold Wallace Ross, William Shawn, Tina Brown, David Remnick, Katharine Sergeant Angell White, Rea Irvin, Roger Angell, 2006 *Lost in Translation* Homay King, 2010-08-09 An argument that the fantasy of an inscrutable East has functioned as a kernel of otherness that has shaped Hollywood cinema at its core *American Book Publishing Record*, 2001 [Books in Print Supplement](#), 2002 [Other Everests](#) Paul Gilchrist, Peter Hansen, Jonathan Westaway, 2024-11-26 A hundred years after the tragic 1924 British Everest expedition this collection explores the wider social and cultural history of the mountain Mount Everest looms large in the popular imagination Since the deaths of mountaineers George Mallory and Andrew Irvine in 1924 histories of the mountain have overwhelmingly focused on the mythologies of western male adventure and conquest But there are many more stories waiting to be told *Other Everests* brings together new voices and perspectives

on the historical and cultural significance of Everest in the modern world The book shines a light on the overlooked role of local people and high altitude workers while also revealing the significant contributions women have made to climbing the mountain and writing its history It explores the depiction of Everest in a range of media and investigates how the forces of nationalism and commercialism have shaped many different Everests After years of exploitation Indigenous people are now reclaiming Mount Everest in the twenty first century Other Everests re examines the past and present of the world s highest peak presenting an exciting vision of what Everest might become in the future **Los Angeles Magazine** ,2003-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian
