Feld, 2019-06-01 Winner 2020 ACJS Outstanding Book Award given by the Academy of Criminal Justice Sciences A major statement on the juvenile justice system by one of America's leading experts The juvenile court lies at the intersection of youth policy and crime policy Its institutional practices reflect our changing ideas about children and crime control The Evolution of the Juvenile Court provides a sweeping overview of the American juvenile justice system's development and change over the past century Noted law professor and criminologist Barry C Feld places special emphasis on changes over the last 25 years the ascendance of get tough crime policies and the more recent Supreme Court recognition that children are different Feld's comprehensive historical analyses trace juvenile courts evolution through four periods the original Progressive Era the Due Process Revolution in the 1960s the Get Tough Era of the 1980s and 1990s and today's Kids Are Different era In each period changes in the economy cities families race and ethnicity and politics have shaped juvenile courts policies and practices Changes in juvenile courts ends and means substance and procedure reflect shifting notions of children's culpability and competence The Evolution of the Juvenile Court examines how conservative politicians used coded racial appeals to advocate get tough policies that equated children with adults and more recent Supreme Court decisions that draw on developmental psychology and neuroscience research to bolster its conclusions about youths reduced criminal responsibility and diminished competence Feld draws on lessons from the past to envision a new developmentally appropriate justice system for children Ultimately providing justice for children requires structural changes to reduce social and economic inequality concentrated poverty in segregated urban areas that disproportionately expose children of color to juvenile courts punitive policies Historical prescriptive and analytical The Evolution of the Juvenile Court evaluates the author's past recommendations to abolish juvenile courts in light of this new evidence and concludes that separate but reformed juvenile courts are necessary to protect children who commit crimes and facilitate their successful transition to adulthood

The Death Penalty Roger Hood CBE QC (Hon) DCL FBA, Carolyn Hoyle, 2008-03-27 The 4th edition of this authoritative study of the death penalty now written jointly with Carolyn Hoyle brings up to date developments in the movement to abolish the death penalty worldwide It draws on Roger Hood's experience as consultant to the United Nations for the UN Secretary General's five yearly surveys of capital punishment and on the latest information from non governmental organizations and the academic literature Not only have many more countries abolished capital punishment but even amongst those that retain it the majority have been carrying out fewer executions Legal challenges to the mandatory capital punishment have been successful as has the pressure to abolish the death penalty for those who commit a capital crime when under the age of 18 This edition has more to say about the

prospects that China will restrict and control the number of executions on the road to abolition Yet despite such advances this book reveals many human rights abuses where the death penalty still exists In some countries a wide range of crimes are still subject to capital punishment and the authorities too often fail to meet the safeguards embodied in international human rights treaties to safeguard those facing the death penalty There is evidence of police abuse unfair trials lack of access to competent defence counsel excessive periods of time spent on in horrible conditions on death row and public painful forms of execution The authors engage with the latest debates on the realities of capital punishment especially its justification as a uniquely effective deterrent whether it can ever be administered equitably without discrimination or error and what influence relatives of victims should have in sentencing and on the public debate For the first time it also discussing the problem of devising an alternative to capital punishment especially life imprisonment without the possibility of parole

Baumle, D'Lane R. Compton, 2017-11 In depth interviews examine the role of the law in the lives of LGBT parents The decision to have a child is seldom a simple one often fraught with complexities regarding emotional readiness finances marital status and compatibility

with life and career goals. Rarely though do individuals consider the role of the law in facilitating or inhibiting their ability to have a child or to parent. For LGBT individuals however parenting is saturated with legality including the initial decision of whether to have a child how to have a child whether one's relationship with their child will be recognized and everyday acts of parenting. Through interviews with 137 LGBT parents Amanda K Baumle and D Lane R Compton examine the role of the law in the lives of LGBT parents and how individuals use the law when making decisions about family formation or parenting. Baumle and Compton explore the ways in which LGBT parents participate in the process of constructing legality through accepting modifying or rejecting legal meanings about their families. They conclude that legality is constructed through a complex interplay of legal context social networks individual characteristics and familial desires. Ultimately the stories of LGBT parents in this book reflect a rich and varied relationship between the law the state and the private family goals of individuals.

Correspondence of Major General Emory Upton, Vol. 2, 1875-1881 Salvatore Cilella, 2024-01-12

Emory Upton 1839-1881 was thrust into the Civil War immediately upon graduation from the United States Military Academy at West Point in May of 1861. He was wounded three times during the war. He participated in nearly every major battle in the Eastern Theater including Fredericksburg Gettysburg and Spotsylvania where he led a prominent attack on entrenched Confederate positions a signal of Upton's brilliance as an officer and of his military creativity that foreshadowed his later work in revising the Army's tactics. Upton was mustered out of service in 1866 and later named commandant of cadets at West Point a position that carved a path for Upton to focus more on Army tactics and reforms. Until now the only lenses through which scholars could study Upton were two biographies published nearly a century apart but practically identical in scope and treatment of Upton. The two volume Correspondence of Major General Emory Upton follows Upton through his enrollment at West Point to his extensive Army activities following the Civil War and contains the bulk of Emory Upton's wartime correspondence. Volume two collects Upton's foreign correspondence and observations on military tactics and Army reform. At the behest of U.S. Army Commanding General William T. Sherman Upton was sent on a tour to study the armies of Asia and Europe and more specifically the German army after conclusion of the Franco-Prussian War. This tour resulted in the publication of his monumental The Armies of Europe and Asia which warned that the U.S. Army was woefully below the standards of European nations and between Upton's death in 1881 and the turn of the twentieth century military policy was fiercely debated in both the military and popular press. Upton's ideas on reform were often central to the arguments and his letters and writings provoked a wide range of discussion over military and inevitably civilian issues. These selected letters and reports expertly annotated and gathered from repositories across the country present a more complex human Emory Upton. He is both the clean pure and spotless individual of Michie's biographies and the ambitious yet flawed Army officer obsessed with his career. These volumes explore his trials and frustrations as well as his triumphs. Salvatore G. Cilella now retired was president of the Atlanta Historical Society. He is the author of Upton's Regulars: The 121st New York Infantry in the American
