Surinder Deol,D. Deol,1998 *Daily Devotions* Joyce Tracy,2012-11 To Obtain an Overcoming Life is a series of devotions on how to overcome the negative traits and behaviors in our life such as fear pride temptation finding fault jealousy making excuses rebellion and self or selfishness These are very important and valuable as they teach us how to obtain the power to live a victorious life in Christ Jesus It begins with self for unless we can overcome self we won t be able to overcome other negative traits as all hinge on self There are devotions on making right choices and how to set goals and priorities about attitudes and faith having a continuous praise in our heart to the Lord and how to obtain our final reward in heaven thus the Road to Eternal Life As we strive for the Kingdom we have mountains to climb and valleys to cross we re faced with hills and

barriers and each step has a new name They are there to keep us out of Heaven s territory We must over come and step over failures and past failures handicaps of every kind peer pressure fear anger and defeat Approximately two thirds of Jesus teachings were in parables A parable is an earthly story with a spiritual or heavenly meaning teaching Christian morals principles and values Many of these devotions will be based on some of these parables **Awakening to Love** Simon Herfet,2018-11-21 This book is about the reason for your being here in this life in this body in this now moment For the present time is one of a cataclysmic shift in consciousness never seen before in your history on this planet This shift is one from a sleeping state of humanity s mass family consciousness to one of great awakening to a higher consciousness of connection to the one spirit which permeates and gives life to all creation in your universe This is a time long prophesied as this one shared higher consciousness awakens in you towards the realisation of the beauty and clarity of who you all truly are For who you are is pristine perfect consciousness Never tainted by anything which you or your ancestors have ever said or done including lifetimes long preceding this one in which you now find yourselves This book is presented here as a call to each soul on the cusp of this awakening To quite simply help to remind each person that they are a magnificent radiant soul of love Connected to infinite wisdom And that they are now returning to this remembering long lost in the sands of time to help humanity move forward as a wave of awakened beings Sharing the one consciousness which once slumbered But now like a lion roars awake to facilitate and create the new world the creator has in store for Planet Earth Love Upside Down Steven Ogden,2011-03-16 Oh no another book on love But this is different This is for people who are looking for a gritty account of life love and the dilemmas of human existence This is for twenty first century thinkers and lovers from searching Christians to open minded agnostics and willing atheists who want a genuine account of love that respects human experience and mines the depths of a greater wisdom Steven Ogden taps into Christianity but there is no old man in the sky pulling the strings and no bible bashing or hocus pocus And instead of Jesus meek and mild he recommends the subversive Jesus this Jesus provoked outrage and censure all in the name of love because people were more important to him than religious dogma principles and institutions This is love upside down This means we can look at the big issues of our day with new eyes Love Upside Down looks at contemporary attitudes regarding women the environment and homosexuality to see if love can make a difference *Hamlet* William Shakespeare,1877 **The "Summa Theologica** Saint Thomas (Aquinas),1914 26 Weeks of Perseverance for 26 Years of Power Michelle R.
