

A man in a grey suit and a woman in a white dress are walking away from the camera on a dirt path. They are holding hands. The background is a warm, golden-hued landscape with trees and a bright sky, suggesting a sunset or sunrise. The overall mood is romantic and peaceful.

**Husbands,

just as Christ also
loved the church
and gave
Himself for her.**

Anecdote Thomas Powell,1857 **The Messages of Paul** George Barker Stevens,1900 Vocation Douglas J. Schuurman,2004 The Protestant doctrine of vocation has had a profound influence on American culture but in recent years central tenets of this doctrine have come under assault *Vocation Discerning Our Callings in Life* explores current responses to the classic view of vocation and offers a revised statement and application of this doctrine for contemporary North American Christians According to Douglas Schuurman many Christians today find it both strange and difficult to interpret their social economic political and cultural lives as responses to God s calling To renew this biblical perspective Schuurman argues Christians must recover the language meaning and reality of life as vocation and his book helps do just that

Developed in dialogue with audiences as diverse as college students industrial workers business leaders church leaders and professional theologians and ethicists the book examines the theological and ethical dimensions of vocation as these have been understood historically and in relation to our modern social setting ...*The Messages of Paul Arranged in Historical Order, Analyzed, and Freely Rendered in Paraphrase*, 1901 **An Exposition Upon the Epistle of Jude** William

Jenkyn, 1863 **Repenting of Religion** Gregory A. Boyd, 2004-07-01 We human beings are burdened by our tendencies to harshly judge others and ourselves Unfortunately for believers this bent is as prevalent in the church as in the world Pastor and author Gregory A Boyd calls readers to a higher standard through understanding the true manner in which God views humanity as infinitely worthwhile and lovable Only an attitude shift in how we perceive ourselves in light of God's love can impact how we relate to people and transform our judgmental nature Believers wrestling with the reality of God's love and Christians struggling with judging in the local church will appreciate this examination of how we move from a self centered to a Christ centered life *An Exposition of the Epistle of Saint Paul to the Philippians* Jean Daillé, 1843 An Exposition of the Epistle of Saint Paul to the Philippians by Jean Daill first published in 1843 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it **An exposition upon the Epistle of Jude delivered in Christ Church** William Jenkyn, 1863 *Marriage*

from the Heart Donald R. Downing, 2010-04 Marriage is God's idea He has no bad ideas He brought Eve to Adam married them and they lived as husband and wife for over 900 years Genesis 2:21-25 and 5:5 By this we can conclude that divorce was not God's idea but Satan's idea to destroy God's ideas plans and purpose of marriage between a man and a woman We seek to find the right person when the greater picture is to be the right person Man sets the time for the wedding but God sets the time for the marriage There is a great difference between a wedding and a marriage Many walk down the aisle to be wedded for all the wrong reasons Saying I do and placing wedding rings upon fingers does not always mean they are married within their hearts This book reveals that a man and a woman may marry and yet not be a true husband and wife It stresses the importance of friendship courtship engagement and being married from the heart Introducing a revolutionary approach to the covenant of marriage this book addresses commitment romance love keeping a right heart a sound mind and a pure relationship Dr Donald R Downing is a heart physician and specialist from God to the body of Christ He has written over 12 books and considers Marriage from the Heart to be one of his most important writings He believes the only way to defeat the high rate of divorce and separation is to restore romance to the relationship and to be truly married from the heart
