Love Not Human Gordon R. Dickson, 1988 *What is Justice?* Hans Kelsen, 2022-04-29 Through the lens of science Hans Kelsen proposes a dynamic theory of natural law examines Platonic and Aristotelian doctrines of justice and the idea of justice as found in the holy scriptures This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1957 *The Existence* Theodore Ihejieta, 2018-12-21 *The Existence* By Theodore Ihejieta *The Existence* is a book of love and life that talks about the world as the existence of human beings and tells human beings to understand that the world is the love and the life It is a book of Planet Earth which the Planet Earth gave to the author because the author asked the Planet Earth for the book of the world The author is a human being who lost faith in God and called on Planet Earth to do work and save human beings from evil and death in the world This is a book of a human being who was challenged by evil and death in the world and the human being called on his existence for help and protection The author did not like to die in the world and told his existence that he did not want to die because the author believed that Planet Earth has the power to save human beings in the world *The Existence* is the faith the hope and the charity that God challenged human beings to find and tell the mountain of evil and death to move away from human beings **Godliness and Greed** Skip Worden, 2010-01-01 Skip Worden shows the profound transformation of Christian thought on economics from the beginning of the Commercial Revolution to the fifteenth century Renaissance Worden explains how the general antagonism toward the pursuit of wealth before the Commercial Revolution turned into Protestant theologians fighting against the prevailing view of a pro wealth paradigm during the fifteenth century *The Implicit Theology of the Lord's Prayer* Jan Muis, 2021-01-15 The postmodern and secular culture of the West requires a new reflection on God *The Implicit Theology of the Lord s Prayer* A Biblical and Theological Investigation reflects on God on the basis of an original and central expression of the Christian faith the Lord s Prayer First Jan Muis interprets the divine names central to this prayer in their biblical contexts Next Muis understands the divine attributes implied by these names from the biblical narrative of God s self revealing actions and explains them in a contemporary framework God s Name indicates his particular personal presence and encounter with human beings The holiness of God s Name and the justice of his Kingship are more than just aspects of the love of the Father the Son and the Spirit The Creator is not a human blown large in his companionship with humans he remains the Exalted who lives both within and beyond created temporal reality In the context of a secular age Muis discusses in what sense this God exists **Peacemaking and Religious Violence** Roger A. Johnson, 2009-09-01 From its very beginning Christian faith has been engaged with religious violence The first Christians were persecuted by their co religionists and then by imperial Rome Jesus taught them in such circumstances not to retaliate

but to be peacemakers to love their enemies and to pray for their persecutors Jesus's response to religious violence of the first century was often ignored but it was never forgotten Even during those centuries when the church herself persecuted Christian heretics Jews and Muslims some Christians still struggled to bear witness to the peace mandate of their Lord In the thirteenth century Thomas Aquinas wrote a theology to help his Dominican brothers persuade Cathar Christians to return to their Catholic faith peacefully Ramon Lull a Christian student of Arabic and the Qur'an sought to help his fellow Christians recognize the elements of belief they shared in common with the Muslims in their midst In the fifteenth century Nicholas of Cusa a Church Cardinal and theologian expanded Lull's project to include the newly discovered religions of Asia In the seventeenth century Lord Herbert an English diplomat and lay Christian began to identify the political union of church and government as a causal factor in the religious warfare of post Reformation Christendom One and a half centuries later Thomas Jefferson a lay theologian of considerable political stature won a political struggle in the American colonies to disestablish religion first in his home colony of Virginia and then in the new nation he helped to found All five of these theologians reclaimed the peace mandate of Jesus in their response to the religious violence of their own eras All of which points us to some intriguing Christian responses to religious violence in our own century as recounted in the epilogue

Extremist for Love Rufus Burrow, 2014 On June 5 2002 fourteen year old Elizabeth Smart the daughter of a close knit Mormon family was taken from her home in the middle of the night by a religious fanatic Held captive by him and his wife Elizabeth suffered daily physical and emotional abuse Rescued nine months later she rejoined her family Now for the first time Smart tells the story of how she survived and endured and found the strength to pick up the pieces of her life Bestseller

Five Foundations of Human Development Errol A. Gibbs, Philip A. Grey, 2006-10-01 Five Foundations of Human Development FFHD Is our Materially Driven Life a Threat to the Spiritual Purpose of our Existence The book is a philosophical religious and practical discourse on Five Foundations of Human Development It offers compelling philosophical analytical and empirical arguments for a better world which is inherent in the worship of God service to humanity obedience to governing authorities and management of God's creation The authors examine problems that we encounter daily and they postulate solutions from Spiritual moral social intellectual and physical perspectives They essentially explore some of our past and present approaches to solutions to human problems They propose new revolutionary approaches to human development that call the reader's attention to a new enlightenment new hope and new optimism informed by a new Body of knowledge The authors strive to explain the Christian message of God as delivered and taught by Jesus Christ however it is not a work that is exclusively for Christians Their discourse recognizes the comparable message and desire for the unity of humanity by other world religions They present their discourse not as experts or giving expert advice but simply as individuals with a desire to add another dimension of thought and enquiry to the vast storehouse of human knowledge The primary purpose of their discourse is to demonstrate the positive benefits to humanity when Biblical religious perspectives

underpin every human endeavor These endeavors include but are not limited to family relations national and international relations engineering science and technology economics history education and health These endeavors dictate human progress Gibbs and Grey contend that humanity can realize the greater ideals of leadership and authority in the world through the application of the teachings of Jesus Christ and the great prophets The authors appeal to leaders of the 21st century educational political scientific and business to seek the knowledge wisdom and understanding of God in using our vast global natural wealth science technology and human capital to educe relevant and applicable strategies for the betterment of all humanity Genre Christianity Religion Inspirational Religion Enlightenment Philosophy General **As If God Existed** Maurizio Viroli, 2012-09-09 Religion and liberty are often thought to be mutual enemies if religion has a natural ally it is authoritarianism not republicanism or democracy But in this book Maurizio Viroli a leading historian of republican political thought challenges this conventional wisdom He argues that political emancipation and the defense of political liberty have always required the self sacrifice of people with religious sentiments and a religious devotion to liberty This is particularly the case when liberty is threatened by authoritarianism the staunchest defenders of liberty are those who feel a deeply religious commitment to it Viroli makes his case by reconstructing for the first time the history of the Italian religion of liberty covering its entire span but focusing on three key examples of political emancipation the free republics of the late Middle Ages the Risorgimento of the nineteenth century and the antifascist Resistenza of the twentieth century In each example Viroli shows a religious spirit that regarded moral and political liberty as the highest goods of human life was fundamental to establishing and preserving liberty He also shows that when this religious sentiment has been corrupted or suffocated Italians have lost their liberty This book makes a powerful and provocative contribution to today s debates about the compatibility of religion and republicanism Ephesians Ernest Best, 2003-07-01 An abbreviated edition in paperback of the commentary in the ICC series For those who lack the linguistic and historical grounding or the time to deal with the ICC volume this Shorter Commentary retains all the important elements of the introduction and commentary but excludes foreign language material technical notes and excursuses The Law of Love & Its Fabulous Frequency of Freedom Jasmuheen, 2007-08-01 An extensive manual filled with powerful life transforming meditations which also details the Ancient Taoist Masters techniques for Immortality plus Futuristic Science tools of Inter Dimensional Matrix Mechanics for Jasmuheen s Freedom from Human Limitation Agenda This research covers freedom from the need to age or create dis ease freedom from the need to take food or liquid as we learn how to create a self sustaining bio system freedom to express our Divine nature and all its gifts and glories plus tested methods for determining our personal readiness levels for these freedoms Words of Faith Byrne, Brendan J., SJ, 2023 This work offers over 100 concise discussions of key Pauline words and concepts Its primary focus lies on the seven undisputed letters though material in the remaining letters traditionally attributed to Paul especially Ephesians and Colossians while treated separately is not neglected While accuracy has required

reference to the relevant Greek words in each case the use of transliteration renders the work accessible to nonspecialists and students as well to established scholars Each entry is completed with an up to date indication of further reading in the area concerned Compiled from a distinctly theological perspective and the product of over five decades of research and teaching in Pauline studies the vocabulary is an indispensable resource for scholar and student alike Works of Love Robert L. Perkins,1999 To claim that Works of Love is an important philosophical essay is to assume hazardous burden of proof The book s title is an allusion to the Bible s injunction that we should love our neighbor as we love ourselves a far cry far instance from Diotoma s ladder of erotic desire up which we climb from the love of bodies until we catch a vision of that single sea of beauty beauty itself Plato Symposium This contrast given that some of some of our neighbors may not be particularly likable or one may even be a determined enemy suggests immediately to some that a book with such an obviously religious title must be excessively moralistic and at best full of sermon helps for the harried clergy or at worst laden with rules for the unlearned laity A casual perusal of a few paragraphs however shows these put down views of the book to be unfounded **W.h. Audens PoetryThe Quest For Love** Rakesh Desai,2004 W H Auden S Poetry The Quest For Love Is A Study Of The Major Twentieth Century British American Poet W H Auden S Mutating Quest For Love In The Shifting And Interactive Freudian Marxist And Christian Kierkegaardian Contexts It Focuses On The Poems Of The Most Fertile Period 1927 47 Of Auden S Poetic Career Certain Identifiable Images Are Symbolic Of The Quest For Love In Each Phase Offering An Analysis Of Man In Freudian And Marxist Terms The Ameliorative Quest For Love Fulfils Itself In The Vision Of Divine Love In The Final Christian Kierkegaardian Phase This Ideal And Comprehensive Book Will Attract The Lovers Of Auden And Will Benefit The Scholars Students Teachers And Researchers Of The 20Th Century Poetry *Virtue Ethics, Old and New* Stephen Mark Gardiner,2005 There are grounds for saying that contemporary work in virtue ethics is if not quite in its theoretical infancy at least not far out of diapers And this suggests that we should be gentle and nurturing allowing it time to flourish before coming to any definitive verdict on its merits However it is hard to deny that modern day virtue ethics is part of a long sophisticated and fairly continuous tradition Not only does the approach have origins almost as ancient as philosophy itself but its history also includes extensive work by such philosophical luminaries as at least Socrates Plato Aristotle the Stoics Aquinas and perhaps Hume and Nietzsche And this suggests that we should already be in a good position to assess its appeal from the Introduction In Virtue Ethics Old and New ten philosophers seek to enrich the contemporary understanding and development of virtue ethics through a detailed examination of some key contributions from its past Their essays demonstrate the continuing relevance of the history of moral philosophy to contemporary debates **Infinite Love: a meditation. By Εὐβουλος Βασανιστης..** Euboulos BASANISTES (pseud.),1867 **The Christian Messenger and Reformer** ,1845 **The Scandal of Divine Love** Robert P. Vande Kappelle,2017-10-20 There is no more important topic for inquiry today than the meaning and message of Jesus for in this quest lies the solution to human discontent and despair

Examining an array of titles for Jesus found in the New Testament expressions ranging from rabbi and messiah to Wisdom of God Word of God and Lord this study explores why Christology is not simply the study of Jesus Christ but also of the highest and best in us all Who is Jesus Christ and what is his significance for today Was he fully human the perfect human God in disguise or somehow all of these simultaneously The key is to begin where the first Christians began with their experience of Jesus and then to press forward with the development of that understanding in our experience of Christ While The Scandal of Divine Love is designed for Christian believers survivors it embraces skeptics and seekers alike mindful that within each of us are multiple voices sometimes affirming sometimes questioning occasionally even denying Whether you consider yourself primarily as skeptic seeker or believer this study encourages you to listen appreciate and cultivate each voice This volume ideal for individual and group study will help you discover anew the magnificence of the life and person known to us as Jesus of Nazareth as guide exemplar and Lord
