

“In the West we have a tendency to be profit-oriented, where everything is measured according to the results and we get caught up in being more and more active to generate results. In the East - especially in India - I find that people are more content to just be, to just sit around under a banyan tree for half a day chatting to each other. We Westerners would probably call that wasting time. But there is value to it. Being with someone, listening without a clock and without anticipation of results, teaches us about love. The success of love is in the loving - it is not in the result of loving.”

Love According To Teresa:

Attending to the Wounds on Christ's Body Elizabeth Newman, 2013-02-28 The disunity of the church is a social and theological scandal for it betrays the prayer of Jesus that we will be one so that the world will believe John 17 21 As a Baptist whose academic background focused on the Orthodox Church and whose teaching has included Catholic and Protestant contexts this division is for Elizabeth Newman personal and professional *Attending to the Wounds on Christ's Body* rests on the conviction that the broad tradition of Christianity already contains resources to heal the church namely the saints of the church Newman examines especially how Teresa of Avila 1515 1582 speaks to the whole church today in the midst of political economic and ecclesial brokenness Teresa's reliance upon three scriptural figures dwellings marriage and pilgrimage helps make sense of an ecclesial way of life that is inherently unitive a unity that stands in contrast to that of the nation state or the global market Teresa's scriptural journey offers an alternative at once liturgical political and economic This Doctor of the Church provides

regenerate Christian believer one who is growing ever closer and closer to God and at the same time is in pain over the remaining effects of sin

The Last Years of Saint Thérèse Thomas R. Nevin, 2013-06-14 For over a century the Carmelite Sister Thérèse of the Child Jesus and the Holy Face 1873 1897 has been revered as Catholicism's foremost folk saint of modern times Universally known as the Little Flower she has been a source of consolation and uplift an example of everyday sainthood by the Little Way This book puts aside that piety and addresses the torment of doubt within the life and writing of a saint best known for the strength of her conviction Nevin examines the dynamics of Christian doubt and argues that it is integral to the journey toward selfless love which Thérèse was compelled to take What Nevin asks did doubt mean to her What was its source and nature What was its object He gives close attention to her reading and interpretations of the Old and New Testaments as pathways through her inner wilderness Her Carmel of spiritual sisters becomes a vivid setting for this drama with other women challenging Thérèse by their own trials of faith One of Thérèse's indispensable lessons Nevin concludes is the acceptance of one's helplessness in the midst of spiritual darkness Bringing a new direction to the study of Thérèse and of the challenges of sainthood itself this book reveals how Thérèse's response to divine abandonment is a unique and painfully won imitation of Christ

Becoming Religious, 1999

Becoming Religious Understanding Devotion to the Unseen presents the lives of fourteen contemporary south Georgians who in the manner of religious believers around the world devote themselves to supernatural powers and goals The book is a contemporary treatment of the classical question raised by F Max Muller in 1882 Why we believe why we are conscious of

things which we can neither perceive with our senses nor conceive with our reason People everywhere are religious Muller noted and wherever there is religion the question whence it came cannot be long suppressed **The Science and Theology of Godly Love** Matthew T. Lee, Amos Yong, 2012-06-15 Arguing that there are ways to move beyond the limitations of methodological atheism without compromising scientific objectivity the essays gathered in *The Science and Theology of Godly Love* explore the potential for collaboration between social science and theology They do so within the context of the interdisciplinary study of Godly Love which examines the perceived experience of loving God being loved by God and thereby being motivated to engage in selfless service to others This volume serves as an introduction to and a call for further research in this new field of study offering ten methodological perspectives on the study of Godly Love written by leading social scientists and theologians Drawing on the work of Douglas Porpora and others the contributors contend that agnosticism is the appropriate methodological stance when religious experience is under the microscope Godly Love does not force a theistic explanation on data instead these essays show that it sensitizes researchers so that they can take seriously the faith and beliefs of those they study without the assumption that these theologies represent an incontestable truth

classic work *Way of Perfection* discusses the various forms of Christian prayer with an emphasis on Teresa's meditation on the Our Father. The author, a renowned expert on Carmelite spirituality, includes many quotations from Saint Teresa and Saint John of the Cross which have been conformed to the most current authorized translations. Teresa of Avila reformed the Carmelite order in the sixteenth century. Seeing Teresa in deep prayer, her first companions asked her to teach them how to pray. The apostles made the same request of Jesus: Teach us to pray. Jesus answered by teaching the Our Father. Teresa responded to her sisters by writing *Way of Perfection*, which contains an extended commentary upon the Lord's Prayer. As Jesus did in his Sermon on the Mount, Teresa in her *Way of Perfection* first teaches the necessary dispositions for prayer before teaching the different kinds of prayer. Named a Doctor of the Church by Pope Paul VI in 1970, Teresa united not only prayer and the apostolate but contemplation and the apostolate. For contemplation is a particular kind of prayer that tends toward the most sublime intimacy with our Lord.

Mother Teresa's General Letters to Her Sisters Kolodiejchuk MC Brian, 2024-06-21

Mother Teresa's General Letters to Her Sisters is a collection of Mother Teresa's circular letters to the members of her religious congregation, the Missionaries of Charity Sisters. Not intended for those outside her community, they were written informally and spontaneously, often with little editing. It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order. Seemingly of little interest except for those to whom they were addressed, the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints, as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century. At the same time, and perhaps surprisingly, these letters may also prove to be worthwhile reading for a wider audience. Something of God's wisdom and love seems to shine through Mother Teresa's guidance and counsels, giving the reader light and help even though he or she is not living the same religious life as one of the Sisters. Mother Teresa's unpolished statements are at times humble and at times humbling. They inspire confidence and encourage generosity. Many a time they are humorous but more often challenging. They are sprinkled with serene joy but also permeated with deep pain. She delighted in her Sisters' accomplishments yet did not shy away from correcting even the smallest flaw, which didn't escape her very observant eye. Sometimes she sounded just like a mother full of tender loving care, and at other times more like a commander in chief exhibiting an iron will and uncompromising determination. In either case, her followers seemed to have been drawn into the mystery of her charism, endeavoring to keep pace with her. Was it the attraction of what could be termed as her leadership style in the unrelenting service of the poorest of the poor, or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation? Or was it both? The letters will reveal the answer. Inspiring in their simplicity, the letters may well serve as a treasure trove where anyone, from a reflective scholar to a caring mother of a family, may find satisfaction for their spiritual palate. The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs. In the context of Mother Teresa's statement that we are created

for greater things to love and to be loved these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God **It is the Spirit Who Gives Life** Radu

Bordeianu, 2022-04-22 Who is the Holy Spirit What is the Holy Spirit The answers to these questions were so obvious in the first centuries of Christian history that the New Testament and the earliest Christian writers did not feel the need to deliberately address the identity of the Spirit The more stringent question was this what does the Spirit do in the Hebrew Scriptures in the life of Jesus in the community of disciples in the Church and in the world These same questions however did not have the same obvious answers to subsequent generations Writing in the fourth century Gregory of Nazianzus observed a slow progress of better understanding the identity and mission of the Holy Spirit throughout the centuries his opponents still referred to the Spirit as a strange unscriptural and interpolated God Or 31 One would expect that today centuries later pneumatology would be exponentially further developed than in the patristic era And yet contemporary theology only rarely asks who the Spirit is and what the Spirit does That is where the present volume attempts to bring a contribution by addressing early Pneumatologies reflected in the Scriptures and the age of the martyrs historical developments in patristic literature and spiritual writings and contemporary pneumatological themes as they relate to ecumenism ecology science ecclesiology and missions The present volume gathers essays authored by eleven world renowned theologians Each contribution originated as a public lecture addressed to theologians and an educated general audience followed by a private colloquium in which the lecturers conferred with scholars who are experts in the field Thus the present volume offers a multifaceted approach to Pneumatology in an ecumenical spirit **Carnal Hermeneutics** Richard Kearney, Brian

Treanor, 2015-09-01 Building on a hermeneutic tradition in which accounts of carnal embodiment are overlooked misunderstood or underdeveloped this work initiates a new field of study and concern Carnal Hermeneutics provides a philosophical approach to the body as interpretation Transcending the traditional dualism of rational understanding and embodied sensibility the volume argues that our most carnal sensations are already interpretations Because interpretation truly goes all the way down carnal hermeneutics rejects the opposition of language to sensibility word to flesh text to body In this volume an impressive array of today's preeminent philosophers seek to interpret the surplus of meaning that arises from our carnal embodiment its role in our experience and understanding and its engagement with the wider world **The Blessed Virgin Mary in England Vol. 1** Brother Anthony Josemaria Fti, 2008-11 O Blessed Confidence O Safe Refuge Mother of God and Our Mother St Anselm of Canterbury 1033-1109 Doctor of the Church What is not generally known and only infrequently studied is the role of Our Lady over the centuries as a catechist teacher of the faith in a very real sense primary teacher because she is Mother of God and Mother of the Church and faithful If any one factor might be singled out for the very high level of faith and religious practice in medieval merry England merry because Mary's dowry because consecrated

to Mary as her possession and property it is this Marian catechesis Only when England deliberately rejected Mary did it cease to be the happy place it once was Unfortunately English colonization of other peoples took place only after the repudiation of Mary by England That is why this catechetical work is especially valuable for the faithful and those who are seeking faith in America and other English speaking cultures It will bring to their attention precisely what is central to catechetics and so often missing the presence of Mary Mother and Teacher It will make perfectly clear why we need not fewer Marian sanctuaries but many many more in all parts of the country where this quiet but so real and profound influence of the Marian principle of the Church will be felt at every level It is my prayer and hope that those who read and study this work will find the same inspiration and stimulus that I found in having the privilege to read the manuscript before publication We are much indebted to Brother Anthony Josemaria Pasquale a Franciscan Tertiary of the Immaculate and gifted scholar for the effort he has expended to find qualified contributors and to offer so well edited a book to the general public From the Foreword by Father Peter M Fehlner FI theologian sponsor of the International Symposium on Marian Coredemption
