Let There Be Light Dr. H. Lawrence Zillmer,2016-07-18 Thanks to research by Albright Jung May and others we now know why God chose to begin his revelations in the Bible with ten great teaching stories Every ancient culture used this art form to teach new generations the truths they needed for living We have it in those first eleven chapters of Genesis which are Gods answers to the ten great questions in life such as Who made it all and why and What is the role of humans in his vast plan A better understanding of this art form will fill our souls with the beauty and order of Gods revelations *Behold* Samantha DeJaynes,2017-08-16 Jesus Christ stepped down from his heavenly throne for more than salvation at death He came with kingdom purposes to reconcile and restore mankind as sons and daughters of the King Most High bringing his heavenly kingdom down to earth through them To join the King of kings in the work He is doing today we must understand the work He has already done through the cross To walk with kingdom purpose as our Lord commanded and demonstrated to us requires complete faith and dependence on Him It requires seeking Him and believing his Word To be children of our Fathers business we must behold our King **Strange Phenomenons in Homeopathy** Isuret Polos,2018-10-11 A small work from Isuret Polos on the frequently experienced strange and extraordinary phenomenons in Homeopathy Modern materialistic science has its limits for providing a plausible explanation regarding this kind of phenomenons like nonlocal effects and synchronistic events The author describes different types of phenomenons their common patterns and alternative explanation deriving from idealism the branch of science where consciousness is the base of physical reality **Books in Series** ,1985 Vols for 1980 issued in three parts Series Authors and Titles **Christianity's Source** Harry L. Tabony,2007-12 Christianity's Source is the result of a quest that started almost eighty years ago After reading the Catholic recommended writers like Augustine and Aquinas the author went through the Greeks and many other well respected philosophers coupled with a great deal of painful thinking As each topic is developed questions are posed that ask the readers to make logical personal appraisals It is proposed that any individual given the facts and information on each topic can use his her own intellect to reach logical conclusions The initial area of inquiry is where did Judeo Christianity come from This book is based on the works of highly respected Egyptologists Anthropologists Historians and Biblical scholars A few that were included are Cheikh Anta Diop 1923 1986 Godfrey Higgins 1771 1834 Gerald Massey 1828 1907 Alvin Boyd Kuhn 1880 1963 Elaine Pagels Bart Ehrman Karen L King Paul Johnson and Tom Harpur You will see a list of over fifty specific basic beliefs that were copied and are backed up with irrefutable proof going back to at least 3000 BC and perhaps to 10 000 BC The proof is in the Egyptian Book of the Dead the Pyramid Texts Amduat and the Book of Troth Seeing the Forest Despite

the Tree Rick Schramm,2014-02-07 Imagine you are a young person seeking an education career a loving family a dream home and all the good things this world has to offer Having gone to college married your soul mate conceived a miraculous son and built your dream home you are well on your way when you are diagnosed with a brain tumor and told by a neurosurgeon that you are going to go blind and die But God saves your life in an eight hour brain surgery He gives you an incredible near death experience in a second brain surgery in which you are shown amazing knowledge that is so far above what this world knows that you are filled with the unspeakable joy of being able to understand this knowledge Then God removes all this understanding from you except for two words and calls you to recreate this knowledge from the Bible and share it with others Come with me as we recreate this knowledge by piecing together amazing truths and hidden wisdom found in the Word of God and we will learn things we never knew that we never knew The word mystery is found in the Bible some twenty one times along with many parables signs metaphors and symbolic language Someone once described the Bible as a ten thousand piece puzzle to be solved without the benefit of a picture on the box to guide you We will piece together these truths going into the ancient Hebrew and Greek definitions when necessary to understand what the writers of the Bible understood to create a picture of reality that goes far beyond this world we know This understanding will challenge what we believe to be true and change what we desire in our hearts And that is exactly what the Bible was meant to do
