You're Wearing That? Deborah Tannen, 2006-01-24 Deborah Tannen's 1 New York Times bestseller You Just Don't Understand revolutionized communication between women and men Now in her most provocative and engaging book to date she takes on what is potentially the most fraught and passionate connection of women's lives the mother daughter relationship It was Tannen who first showed us that men and women speak different languages Mothers and daughters speak the same language but still often misunderstand each other as they struggle to find the right balance between closeness and independence Both mothers and daughters want to be seen for who they are but tend to see the other as falling short of who she should be Each overestimates the other's power and underestimates her own Why do daughters complain that their mothers always criticize while mothers feel hurt that their daughters shut them out Why do mothers and daughters critique each other on the Big Three hair clothes and weight while longing for approval and understanding And why do they scrutinize each other for reflections of themselves Deborah Tannen answers these and many other questions as she explains why a remark that would be harmless coming from anyone else can cause an explosion when it comes from your mother or your daughter She examines every aspect of this complex dynamic from the dark side that can shadow a woman throughout her life to the new technologies like e mail and instant messaging that are transforming mother daughter communication Most important she helps mothers and daughters understand each other the key to improving their relationship With groundbreaking insights pitch perfect dialogues and deeply moving memories of her own mother Tannen untangles the knots daughters and mothers can get tied up in Readers will appreciate Tannen's humor as they see themselves on every page and come away with real hope for breaking down barriers and opening new lines of communication Eye opening and heartfelt You're Wearing That illuminates and enriches one of the most important relationships in our lives Tannen analyzes and decodes scores of conversations between moms and daughters These exchanges are so real they can make you squirm as you relive the last fraught conversation you had with your own mother or daughter But Tannen doesn't just point out the pitfalls of the mother daughter relationship she also provides guidance for changing the conversations or the way that we feel about the conversations before they degenerate into what Tannen calls a mutually aggravating spiral a self-perpetuating cycle of escalating responses that become provocations The San Francisco Chronicle

Faith and You, Volume 2 Terry Pluto,2012-10-26 More from the sportswriter who writes about faith Here s a second helping of Terry Pluto s plain and personal musings on topics we all face in everyday life insults and what they really mean prayers that don t seem to get answered endless sibling rivalry figuring out how to relate to our fathers My goal is not to convert anyone reading the paper Terry writes It is to make them think and to bring some comfort I write for people who are struggling with faith or people in pain physical or emotional My job is to give them a voice and to talk about the kind of faith we need to get through what life throws at us each day Terry already had a dream job getting paid to write about sports for a daily newspaper But when the opportunity arose to write about more spiritual topics he embraced the challenge Readers are glad he did His Faith and You column now regularly touches the lives of thousands of loyal readers Terry writes for people who aren t always confident in their beliefs but know faith is still important to them For people who sometimes get mad at their church or disagree with their pastor yet don t want to lose the spiritual side of their lives For people of different faiths or backgrounds or who aren t even sure they re religious These essays don t claim to have all the answers But the questions they raise give readers something to think about all week
