The Optimistic Seekers **Keys to Greatness: A Guide to Establishing a Successful, Happy, and Fulfilled Life - Spirit Edition** Joel Rodriguez, Creator of The EMBS Systematic Process, 2019-06-18. Joel Rodriguez grew up in poverty but through hard work he found himself with status and money. Finally he had what he desperately wanted as a young boy, but he felt empty. While he was chasing his dreams, he'd neglected other areas of his life, including his family and friends. *Keys to Greatness* teaches a systematic process that will help you establish direction and balance. Drawing on his own experiences, the author provides a step-by-step course of action on finding success, happiness, and fulfillment. He answers questions such as: Why do so many people feel unhappy and unfulfilled? What steps can you take to achieve true fulfillment? What is the definition of true success? How can you overcome obstacles? The author also shares a FOCUS Process, which is a complete step-by-step course of actions with simple concepts, practical techniques, and no nonsense tools and resources that will help you achieve your goals. *Love & Discipleship* Dr. Samuel D. Tootle III, 2024-08-06. In *Love*, it is a call to action, a testament to the enduring power of love, compassion, and unwavering faith. What We Don't Do Nick Cooney, 2025-04-15 A refreshing and necessary reminder on our ability to help those in need Moby When we think about whether we are good people leading a good life we usually think about actions Bad people do bad things that hurt others Good people do good things that help others and they avoid doing bad things Simple But while our actions certainly have consequences today our inactions have far greater and far graver consequences Bad actions can result in the suffering of a few or several dozen others inaction can result in the extreme misery of thousands It wasn't always this way For nearly our entire history as a species we lived in small groups with minimal resources leaving our ability to help others limited and the consequences of inaction modest It is not so today Thanks to massive global populations huge wealth disparities and modern technologies the average person now has more power to improve the lives of others than nearly anyone who has ever lived But the flip side of that great power is the dizzyingly high cost of inaction in which lives can hang in the balance with each dollar and hour of time we spend This is a book about what we don't do It's about our failures to act and the suffering others endure as a result It's also about the incredible good that can be achieved when we cultivate an
