Rayka Stasiak, 2012-01-31 We have struggled for the last 2 000 years with the karmic lessons and experiences of power technology and love Now we are entering a new evolutionary period calling for the balancing of the scientific and spiritual worlds within the individual and planet Mankind stands at the thresholds the decision point of whether to accept what it is being told by the masses is for the highest and best good or instead to listen to its own inner voice At the heart of the matter is the opportunity to choose to cooperate rather than compete brotherly love and assistance rather than hate and violence It is time to observe objectively and logically the world situations that have resulted from fear and competition which is against Universal Law There are certain responsibilities we must face We are responsible for our own thoughts and actions We have made agreements a long time ago that we will have to face if we wish to reach true self freedom This book will help us improve our understanding of life from both a human and spiritually based perception After internalizing this information we may feel inspired to transform our life heal ourselves and infect others with positive perceptions of life and greater compassion We will learn how to interact with Universal energy in a constructive manner so that we may better manage our

reactions With a clearer understanding of spiritual energy and Universal Law we will be able to manage or stop the drama from repeating over and over again like a virus It is now time to begin The Summoning Catherine Victoria Thompson, 2016-01-14 Mirabella is about to be sacrificed to the immortals in a ceremony known as The Summoning She is desperate to escape Kingdom the Immortals sanctuary with her two best friends Assana and Starlet However the immortals have a different plan for the feisty young woman She is to become Queen whether she likes it or not Not to mention that she will need to locate and raise their beloved land Atlantis and defeat a great Wizard who betrayed the immortals No pressure With the help of her friends and one mysteriously handsome man who refuses to divulge his identity to her she sets out to become an Immortal But not just any Immortal She is to be turned by the five ruling races of the Immortals The Fairies Witches and Warlocks Werewolves Vampires and the strongest and oldest of immortals the Dragons She has no hope of surviving as every single woman who has gone through this impossible change has died shortly after being bitten With her fiery temper and her love of movies can Mirabella survive the violent act of being transformed into an Immortal Or will she fail and let everyone she loves and holds dear down Love & Olives Jenna Evans Welch, 2021-06-29 When her long estranged father invites sixteen year old Liv Varanakis to help him film a documentary about his theories on Atlantis she looks forward to reconnecting but discovers he may have invited her to Greece for a very different reason *Enemies* Gerd Steeger, 2020-08-03 Gerd is a sceptical thinking man who questions everything yet never found the answers he was seeking He had no belief in spiritual questions due to the lack of scientific evidence Then one day at the age of 35 he started a perfectly normal day only to find himself on a bench overlooking the sea He was joined by a mysterious old man called Raphael who uncannily knew everything about him This wise old man proceeded to answer Gerd's deepest questions as to the meaning of life why there is good and evil what happens in the afterlife reincarnation and more importantly The real reasons why we are here on this Earth what we are here to learn and why we should love our enemies This fascinating narrative covers a wide range of philosophical questions providing answers to the most fundamental questions of life and death based on over 25 years of research by the author into the hereafter By presenting this information in story form the reader is drawn into the conversation in a way no text book ever could The conclusions of this story will be life changing for all who read it **Romance Discovery of Love** Boris Utan, 2020-05-24 The novel portrays the struggles of nurse Joanesse going through a divorce and starting a new life in the Middle East She eventually finds love under the most unexpected circumstances Will she be able to hold on to the newfound romance or will she have to let it go Her life is about to take a turn when the Covid 19 Pandemic sweeps through the health care system and takes over the world **Total Cults: How to** Love Movies You Probably Shouldn't Doctor Gogol, James Trick, 2014-11-25 Remember that movie You know the one where the guy in the rubber sea creature outfit drives a guad bike into a reactor at the centre of an alien spaceship The one that despite its lack of production value terrible script and wobbly politics still fills you full of warmth when you think of it
