

# ESCAPE FROM ASYLUM

The background of the cover is a dark, moody photograph. It depicts a woman from behind, wearing a long, white, textured dress. She has her hands pressed against her head in a gesture of distress or despair. She is standing in front of a dark, rectangular opening, possibly a doorway or a window. The surrounding environment is dark and appears to be made of rough, jagged rock or concrete. The overall atmosphere is one of horror and suspense.

Norton's forgotten novel which has remained unpublished until now tells of the perils of courtship facing a naïve young girl Alixe who has been launched onto the London social season. Her encounters with both a worthy and an undesirable suitor open an intriguing window onto the fashionable society of the 1820s in which *Love in the World* takes place. In placing her heroine in these predicaments Norton was able to draw upon her own experiences of the *bon ton* as the time in which the novel is set coincides with her first ball in March 1826 when she burst upon the scene with all her beauty and brilliance, later recalling 'I came out to find all London at my feet'. She believed that London could be as callous as the metropolitan social scene might prove treacherous and in alerting the reader to the dangers of fashionable society she makes ample use of her own observations as a debutante at her first London season. In a highly readable and coherent narrative with an indeterminate ending which throws a spotlight onto her life and times the plot of *Love in the World* initially follows a pattern broadly representative of her own experience before developing in unexpected and surprising ways.

**Pocketful of Pearls: A faith-based domestic suspense novel of forbidden love** Adina Senft, 2022-11-26 A gut wrencher with poignant style and refreshing breaths of humor RT Book Reviews Dinah Traynell is trapped in a life she didn't choose and cannot leave. Since childhood the Elect are told it's God's will that they serve the Shepherds, the itinerant ministers of the church. Since puberty that service has become darker for Dinah Traynell. More physical. Unthinkable and deeply secret. Though she dreams of another life she's never known anything but the church, so while she submits she still resents being forced to cast her pearls before swine. So when she answers the door one night to find a homeless man on the step, her first act of rebellion is to help him. Dr. Matthew Nicholas, disgraced university professor, had never heard of the Elect before he was robbed, left penniless, and wandered into Smoke River. He has never met a woman like Dinah, so vulnerable and yet so strong, with a capacity for love that has no outlet except in the care of her flock of chickens. As she slowly grapples with the flawed faith of the Elect, Matthew struggles with his fear of getting involved. He's grateful for meals and a room, but he's only the hired man. When Dinah's teenage sister abandons her own baby, its innocence is the catalyst that forces Dinah and Matthew to trust one another and two lost souls catch a glimpse of hope in a forbidden love. But is it enough to dispel the darkness? Or is it already too late for Dinah to break free without being trampled? *Pocketful of Pearls* is the second novel in the inspirational *Breaking Faith* domestic suspense series. The books can be read as standalones, though the characters all know one another and appear in each other's stories. No strong language, just a dollop of suspense, a loving kiss, and a guaranteed happily ever after. If you like books by Sage Parker, Christy Barritt, or Charles Martin, you're in the right place. Enjoy.

**Love, Violence and Identity: A Comparison** Dr. Rajneesh Kumar, 2022-07-14 Love, Violence and Identity are multifaceted concepts of life in general and literature in particular. Much has already been written on the themes of love, violence, and identity in English literature till date; however, these emotions are still inexplicable to one and all. Love, violence, and identity have multiple connotations as words, and these emotions keep multifarious nuances as expressions. On the other hand, when we try to understand them in

comparison the implications turn out to be multidimensional This book presents a comparative study of the themes of love violence and identity in such a unique manner that it helps to comprehend the hidden meanings of these cumbersome concepts and at the same time it opens up certain remarkably new avenues of learning in the field of Comparative Literature Studies
