Of Love and Redemption: A Women's Fiction Story Kayla Lowe,2021-12-12 Enjoy this gripping women s fiction series by award winning author Kayla Lowe In the gripping final chapter of The Tainted Love Saga Sarah MacKenzie faces the harsh truth of everything she s done The weight of her mistakes presses on her leaving her feeling like a shadow of who

she used to be a woman trapped by regret and haunted by decisions she can't undo. In an attempt to make things right she finds herself walking straight back into the arms of the man who has caused her nothing but pain: her abusive husband. Returning to him feels like swallowing fire, but Sarah is desperate to fix what's broken, to somehow make up for the wreckage she's left behind. But is this really redemption, or is it a mistake that will swallow her whole? The line between forgiveness and self-damnation blurs more with each step she takes, and she can't help but wonder if this is just another cycle she'll never escape. This final book is a raw exploration of guilt, self-forgiveness, and what it really takes to heal from the wounds we create ourselves. Sarah's journey is no longer about love; it's about survival. Will she rise above the weight of her past, or is she doomed to repeat her mistakes forever? As the stakes get higher, Sarah's choices become even harder, and she's forced to confront the truth of who she is and who she wants to be. In the closing pages of *The Tainted Love Saga*, Sarah will discover whether redemption is truly possible, or if the chains of her past will forever hold her captive. Will she find the strength to break free from the shadows that have clung to her for so long? This is the story of a woman who's walked through the darkest of days but still refuses to give up on finding the light. *Of Love and Redemption* is the final book in the *Tainted Love Saga*. Chery, 2007-09 Since her early childhood, Angie McHall noticed that there was something different about her life, although she was surrounded by a father and a mother figure, there was really no one in the house to call mom and dad. Angie was fortunate enough to have in

her life her nanny Liz Santiago This was the woman who ended up giving her unconditional love and affection and who would become the only mother she ever had As Angie grew older she realized that she was the only person in that household of a different skin color She would later discover that the couple with whom she had learned to share her space was in fact her natural parents who had chosen to treat her as a perfect stranger because they did not have much in common with her Angie was lost she was engulfed in a mystery that she simply could not comprehend She was mesmerized by what she considered to be the strange circumstances of her existence How did Angie happen to be black when the people responsible for her birth were white She was determined to find the answer to that question if there were one to be found Upon her insistence her nanny decided that she could no longer remain indifferent to her cries so she promised Angie that she would do all she could to help find the truth that was kept hidden from her all of her life Liz meant what she said She was about to make good on her promise The night before she was to travel to Florida where Angie was attending school for a face to face meeting during which she would reveal to Angie the mystery of Angie s life she went to bed never to wake up again Angie s hope was dashed The only person on whom she counted to solve her life s mystery was gone But was Liz s untimely death really an accident of nature or part of a Machiavellian plan engineered by an invisible hand to keep Angie and perhaps her parents from finding the truth

Jackson,2021-06-08 This book explores the relation between agape or Christian charity and social justice Timothy Jackson defines agape as the central virtue in Christian ethical thought and action and applies his insights to three concrete issues political violence forgiveness and abortion Taking his primary cue from the New Testament while drawing extensively from contemporary theology and philosophy Jackson identifies three features of Christian charity unconditional commitment to the good of others equal regard for others well being and passionate service open to self sacrifice for the sake of others Charity prescribed by Jesus for his disciples and named by Saint Paul as the greatest theological virtue is contrasted with various accounts of justice Jackson argues that agape is not trumped by justice or other goods Rather agape precedes justice without the work of love society would not produce persons capable of merit demerit and contract the elements of most modern conceptions of justice Jackson then considers the implications of his ideas for several questions the nature of God the relation between Christian love and political violence the place of forgiveness and the morality of abortion Arguing that agapic love is to be construed as a gift of grace as well as a divine commandment Jackson concludes that love is the eternal life that makes temporal existence possible and thus the first Christian virtue Though foremost a contribution to Christian ethics Jackson s arguments and the issues he takes up will find a broader readership
