Love Live And Share:

Ruhaniyat Swati Masurkar, 2018-02-20 *Ruhaniyat* Swati's debut collection of poems is an attempt to reach out to readers across the world. This contemporary approach to writing is straight from the heart and aims at freeing the soul for the journey ahead. It is a tribute to all those who consider their life as a blessing from the Almighty and who look within and not outward for answers whenever they are faced with challenges. It is a caravan that embraces every traveler and ensures they reach their destination whilst enjoying their journey.

Sharing Michael Brahm Gerstein, 2019-07-29 This volume is a broad mixture of subjects in lyrical, thoughtful and humorous moods. From a feeling not from the news like a surf wave powerful or gentle I flow through the work. If it's a strong feeling writing is fast. Most times it's slow laborious editing. I sometimes make notes. I don't appreciate modern poetry. This is my own work. I copy no one. I love writing. Several poems are short stories. They contain a variety of windows into the imagination and fantasy. The thoughtful ones may arouse talking points.

Pash Tejawanta Singha Gilla, 1999 On the life and works of Pash 1950-1988 Punjabi poet.

The Lure of Greatness Anthony Barnett, 2017-08-24 In 2016 two surprising explosions of popular contempt for the existing order drove Britain into Brexit and paved the way for Trump's presidency of the United States. On both sides of the Atlantic proud regimes with global pretensions were levelled by justifiable revolts. But in the name of self-government Brexit and Trump will intensify the authoritarian traditions of their outdated political systems. *The Lure of Greatness* is a blistering account of how and why this happened. The shadow of Iraq, the great financial crash, campaigns of poison and intrigue, the filleting of David Cameron with the cold fury of a Remain voter, these are just the start. At the book's heart is the story of the institutional and constitutional implosion of the United Kingdom, the farce of the sovereignty of parliament, a passionate account of English nationalism and the absurdity of the ever-increasing and insidious influence of the Daily Mail. What emerges is a compelling summary of an EU in crisis, the fateful absence of a viable left alternative, the normality of immigration, all of which frame the reasons for the triumph of Leave. Anthony Barnett, co-founder of openDemocracy, applies a lifetime of observing, reporting and sedition in this searing analysis of the two great democratic disasters of our time.

Poems from the Heart C. D. Boyden,2014-10-16 Sometimes words are hard to find to express ourselves to those we love and care about but we wish to share how we feel about them anyway The Reflections of Love may provide inspiration to find the words you wish to share with someone you care about your sister your girlfriend your wife your friend your mother or your father You might even find something to connect with for yourself Maybe within these reflections you will connect with some words or a phrase and find peace You may find the meaning to life in a poem or peace to share with a friend or a loved one Whatever it is you re feeling or wish to share with someone I hope you will enjoy a poem or two that I am lucky enough to now share with you Enjoy love live read and be happy
