Love Stories The Language Of Love:

The Brutal Language of Love Alicia Erian, 2008-07-15 Alicia Erian's characters are brave disarming affectionate and deeply flawed They inhabit the not so very wide space between a good intention and a bad outcome In Alcatraz we meet a middle school spelling champion who spends her afternoons taking baths with the boy next door In Almonds and Cherries a young woman turns an unexpectedly arousing bra shopping experience into a short film with ramifications for everyone around her In On the Occasion of My Ruination a college bound student plots to lose her virginity to a pizza parlor waiter The Brutal Language of Love challenges traditional notions of right and wrong with what has become Erian's signature an achingly stylish humor and a deep understanding of the brutal truth about human nature These surprising provocative and deeply resonant stories marked the emergence of a major talent **Library of Congress Subject Headings** Library of Congress, 2013 **Library of Congress Subject Headings** Library of Congress. Love, and Migration Alexia Bloch, 2017-12-15 Sex Love and Migration goes beyond a common narrative of women s exploitation as a feature of migration in the early twenty first century a story that features young women from poor countries

who cross borders to work in low paid and often intimate labor Alexia Bloch argues that the mobility of women is marked not only by risks but also by personal and social transformation as migration fundamentally reshapes women s emotional worlds and aspirations Bloch documents how as women have crossed borders between the former Soviet Union and Turkey since the early 1990s they have forged new forms of intimacy in their households in Moldova Ukraine Belarus and Russia but also in Istanbul where they often work for years on end Sex Love and Migration takes as its subject the lives of post Soviet migrant women employed in three distinct spheres sex work the garment trade and domestic work Bloch challenges us to decouple images of women on the move from simple assumptions about danger victimization and trafficking She redirects our attention to the aspirations and lives of women who despite myriad impediments move between global capitalist centers and their home communities **Primitive Love and Love-stories** Henry T.
