Barber, 2013-07-09 Through a discussion of Biblical texts this book presents four perspectives on the role of works at the final judgment The final judgment is the last and final act before God dwells with his people forever Scripture makes that clear but what function do our actions play in the final assessment of our souls especially those of professing Christians The contributors each state their case for one of four prominent views on the effect of works at the end of time Robert N Wilkin Works will determine rewards but not salvation Thomas R Schreiner Works will provide evidence that one actually has been saved James D G Dunn Works will provide the criterion by which Christ will determine eternal destiny of his people Michael P Barber Works will merit eternal life This book allows each contributor to not only present the case for his view but also to critique and respond to the critiques of the other contributors allowing you to compare their beliefs in an open forum setting to see where they overlap and where they differ The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion      **Adult Quarterly | Teacher Manual Winter Quarter 2020**

series of lessons Life application for each lesson A weekly challenge Thought provoking discussion starters *Did Jesus Teach Salvation by Works?* Alan P. Stanley, 2006-09-20 This book investigates the role of works in salvation in the Synoptic Gospels Jesus was all too aware of people who claimed to believe in Him and yet proved to be not truly born again e g John 2 23 25 8 31 46 A profession of faith made at some point during one s life is no guarantee that heaven awaits that person Such professions or conversion experiences must be followed by changed lives if faith is to be shown to be genuine saving faith Hence Jesus teaches that regardless of one s profession if one does not demonstrate a changed life produced by God one will not enter into heaven Such a judgment will be made when Jesus returns and judges every person according to his or her works While this may seem contradictory to some more well known passages ruling out the role of works in salvation e g Rom 3 21 4 25 Gal 2 16 21 Eph 2 8 9 there is every good reason to understand that Jesus teachings complement such passages The works that admit one into heaven are not works produced by the flesh before conversion but works produced by God after conversion They will fundamentally be characterized by a life of discipleship love for others and endurance in faith and obedience and will therefore serve to confirm that one indeed did have a relationship with God during one s life Hence Jesus did teach salvation by works However God is the one who produces the works and they occur after conversion Thus salvation is not one s initial conversion but one s final entrance into heaven The Sermon on the Mount Roland H. Worth, 1997 Roland Worth s study of Jesus Sermon on the Mount traces the roots of Jesus teaching to the precepts of the Torah and Prophets This is a comprehensive work for those who seek a deeper knowledge of the Bible **A Commentary, Critical, Expository, and Practical, on the Gospels of Matthew and Mark** John Jason Owen, 1857 *The Gospel of Matthew* Rudolf Schnackenburg, 2002 From ancient times the Gospel of Matthew has been regarded as the church Gospel its aims are preeminently catechetical pastoral and missionary But recent research raises many questions regarding Matthew s creation theological intentions and shaping for the circle of its first recipients This highly original commentary by Rudolf Schnackenburg follows Matthew chapter by chapter and verse by verse carefully explaining and interpreting the text against both its primitive and current horizons Schnackenburg sees Matthew s purpose as simply the proclamation of Christian salvation His commentary gives extra attention to the great discourses of Jesus found in Matthew such as the Sermon on the Mount showing how Jesus words and works have special currency for the self understanding of the church and for the task of Christian living today Written by a master exegete with a pastor s sensitivity this commentary will fast become a classic study of Matthew s Gospel **The Gospel According To Matthew** Leon Morris, 2020-05-21 In the Christian Church the Gospel of Matthew has been considered the most important portrait of Jesus life and message Containing Jesus Sermon on the Mount and a uniquely rich collection of parables among many other things Matthew has made a major contribution to the church throughout the centuries and it still has much to say to the church today This superb commentary in the Pillar series explores the meaning and relevance of Matthew in an eminently straightforward fashion Leon Morris writes for readers who use

commentaries to discover further what the Bible means Throughout he makes clear what he considers to be the meaning of the Greek text that Matthew has bequeathed to the church A perceptive introduction precedes Morris's warmhearted verse by verse exposition of Matthew an exposition based on his own literal translation of the text Now a standard reference work on the Gospel of Matthew this mature evangelically oriented commentary will continue to meet the needs of students pastor and general readers alike

*Matthew* Frederick Dale Bruner, 2007-06-25 Recognized as a masterly commentary when it first appeared Frederick Dale Bruner's study of Matthew is now available as a greatly revised and expanded two volume work the result of seven years of careful refinement enrichment and updating Through this commentary crafted especially for teachers pastors and Bible students Bruner aims to help God's people love what Matthew's Gospel says Bruner's work is at once broadly historical and deeply theological It is historical in drawing extensively on great church teachers through the centuries and on the classical Christian creeds and confessions It is theological in that it unpacks the doctrines in each passage chapter and section of the Gospel Consciously attempting to bridge past and present Bruner asks both what Matthew's Gospel said to its first hearers and what it says to readers today As a result his commentary is profoundly relevant to contemporary congregations and to those who guide them Bruner's commentary is replete with lively verse by verse discussion of Matthew's text While each chapter expounds a specific topic or doctrine the book's format consists of a vivid original translation of the text followed by faithful exegesis and critical analysis a survey of historical commentary on the text and current applications of the text or theme under study In this revision Bruner continues to draw on the best in modern scholarship including recent work by W D Davies and Dale C Allison Jr by Ulrich Luz and by many others adding new voices to the reading of Matthew At the same time he cites the classic commentaries of Chrysostom Jerome Augustine Luther Calvin Bengel and the rest who like Bruner himself were not simply doctrinal teachers but also careful exegetes of Scripture Such breadth and depth of learning assure that Bruner's Matthew will remain as a reviewer for Interpretation wrote the most dog eared commentary on the shelf Volume 1 of Bruner's commentary is called The Christbook because the first twelve chapters of Matthew are focused on the nature and work of Christ As Bruner proceeds through these chapters he shows how Matthew presents step by step central themes of Christology Jesus coming chapters 1-4 his teaching 5-7 his miracles 8-9 his sermon on mission 10 and his person 11-12 Throughout the book there are also thoughtful discussions of significant topics such as baptism marriage Jewish Christian relations and heaven and hell Eminently readable rich in biblical insight and ecumenical in tone Bruner's two volume commentary on Matthew now stands among the best in the field

**The Gospel of Matthew - Complete Bible Commentary Verse by Verse** Matthew Henry, 2016-05-02 This is another volume in the series of Bible Commentaries of Matthew Henry In this Volume the entire text of the Gospel of Matthew is commented with notes of each chapter This Commentary will help you better understand the God's word Churches theological seminaries and Bible schools will find an excellent aid in this biblical commentary on the Gospel of Matthew

*The New Testament Today* Mark Allan

Powell,1999-01-01 This volume offers the collective insight of eleven scholars who represent the spectrum of New Testament studies Their expert commentaries make this book an invaluable resource for both the seasoned researcher and the beginning student

**The Restoration of Messianic Hope** Brian Main,2025-06-25 The New Testament portrays the apostles as placing great emphasis on Jesus resurrection in their preaching and teaching This emphasis is often lacking however in contemporary preaching and teaching If Jesus resurrection is to regain the centrality it held in the apostolic age its significance must be understood In this study Brian Main attempts to understand the significance of Jesus resurrection in the Gospel of Matthew Since Jesus resurrection is the proper conclusion of the story in Matthew it is necessary to understand what the story is that it concludes By analyzing the characters settings plot and point of view in Matthew 1 1 4 11 as well as those in the resurrection narrative 28 1 20 Main and his readers come to grasp the expectations that Matthew s audience develops as that story unfolds As readers understand those expectations they will gain a better appreciation of what was at stake when Jesus experienced opposition and therefore of what was restored and guaranteed by his resurrection

**The End Times Controversy** Tim F. LaHaye,Thomas Ice,2003 The author of the Left Behind series teams up with a noted prophecy expert to provide guidelines for interpreting Bible prophecy in a consistently accurate manner equipping readers with a concise understanding of what the Bible says about the future

The Earliest Christian Mission to "all Nations" in the Light of Matthew's Gospel James LaGrand,1999 This original work of scholarship clarifies how in light of Matthew s Gospel the first Christians understood and claimed Israel s messianic mission to people of every ethnic group immediately after Jesus death and resurrection

**The Meaning of Singleness** Danielle Treweek,2023-05-09 Drawing upon ancient and contemporary theologians Dani Treweek offers biblical historical cultural and theological reflections to retrieve a theology of singleness for the church today Far from being a burden she shows that singleness presents the church with a foretaste of the eschatological reality that awaits all of God s people
