Matthew Henry's Commentary:

Zondervan NIV Matthew Henry Commentary Matthew Henry, 2010-09-21 Time has sealed the reputation of Matthew Henry's classic commentary as a rich source of insight into God's word. Four centuries after its first publication it remains one of the best loved most popular commentaries ever written. However while its wisdom is timeless the English language has changed much through the years. Words that meant one thing in Matthew Henry's day have taken on different meanings today. In addition Henry's often wordy reflections are generations removed from the crisp style that communicates most effectively to contemporary readers. The *Zondervan NIV Matthew Henry Commentary* is a masterful response to these concerns. It delivers the heart and soul of Henry's incomparable writings in a style that is easy to read and understand. Dr. Leslie Church's meticulous abridgment retains the essential content of the original work. Easily misunderstood words have been replaced with modern ones while keeping Henry's style. Use of the New International Version (NIV) instead of the King James Version makes this edition fully compatible with today's most widely used Bible translation. In one volume here is a wealth of exposition, metaphors, analogies, and illustrations ideal for personal devotions, Bible study, sermon and lesson preparation.

The New Matthew Henry Commentary Matthew Henry, 2010-10-19 A classic commentary in modern language, this volume contains the wealth of exposition, metaphors, analogies, and illustrations that have set Matthew Henry's Commentary apart as one of the enduring legacies of faith and presents them in the language of today. Passage by passage its prayerful, penetrating reflections and rich insights into the very heart of God's Word are sure to challenge and inspire you. Ideal for personal devotions, Bible studies, and lesson and sermon preparations. The *New Matthew Henry Commentary* will enable you to rediscover this classic work or discover it for the first time. Forever fresh and never failing to render new pearls of wisdom, this beloved text is one that you will reach for often to obtain deeper understanding of and appreciation for the Scriptures.

Matthew Henry's Commentary on the Whole Bible: Volume V-I - Matthew Matthew Henry, 2018-01-05 The eleventh book in this series, this text focuses on textual comments and believer edification of the gospel of Matthew. Although the text isn't focused on textual research or a theological exegesis, the commentary does try to bring the ideas and assertions made by the disciple Matthew in the days of the Messiah, Jesus Christ, in the nation of Israel. This book is handy for anyone who wants to read into commentary history as well as to get a good, solid look at how the texts of Matthew apply to our lives.
