

The background of the cover is a painting of a stone wall with two windows. On the left, a young girl with dark skin and curly hair, wearing a white tank top, looks out of the window. On the right, a young boy with light skin and dark hair, wearing a brown shirt, looks out of the window. The painting style is textured and expressive, with visible brushstrokes. The title "MATTHEW and TILLY" is written in large, white, serif capital letters across the middle of the cover.

Matthew And Tilly:

Matthew and Tilly Rebecca C. Jones, 1995-12-01 Set in the diverse neighborhood of a big city this poignant and universal story of friendship tells about two best pals who share everything together even making up after a quarrel Children will recognize their own relationships in the ebb and flow of Matthew and Tilly's friendship Booklist There can never be too many books about the importance of friendship and forgiveness especially when they are of this caliber Publisher's Weekly This modest story line swells with the visual excitement of Peck's paintings Their power lingers in the mind long after they have been seen School Library Journal Matthew and Tilly, **Matthew and Tilly** Developmental Studies Center Staff, 1995-12-01 *Talking, Drawing, Writing* Martha Horn, Mary Giacobbe, 2023-10-10 In the early grades talking and drawing can provide children with a natural pathway to writing yet these components are often overlooked In Talking Drawing Writing Lessons for Our Youngest Writers authors Martha Horn and Mary Ellen Giacobbe invite readers to join them in classrooms where they listen watch and talk with children then use what they learn to create lessons designed to meet children where they are and lead them into the world of writing The authors make a case for a broader definition of writing advocating for formal storytelling sessions in which children tell about what they know and for focused sketching sessions so that budding writers learn how to observe more carefully The book's lessons are organized by topic and include oral storytelling drawing writing words assessment introducing booklets and moving writers forward Based on the authors work in urban kindergarten and first grade classes the essence and structure of many of the lessons lend themselves to adaptation through fifth grade The lessons follow a consistent format What's going on in the classroom What do children need to learn next Materials needed to teach the lesson Language used in each lesson Reasons behind why certain books are chosen and suggestions for additional children's books The authors show the thinking behind their teaching decisions and provide a way to look at and assess children's writing giving us much more than a book of lessons they present a vision of what beginning writing can look and sound like Perhaps most powerfully they give us examples of the language they use with children that reveal a genuine respect for and trust in children as learners **Teaching Conflict Resolution Through Children's Literature** William J. Kreidler, 1994 Motivate students to get off the conflict escalator by talking things through and expressing feelings in constructive ways Includes easy classroom tested methods and reproducible activity pages For use with Grades K-2 Through the Haze Kelly Kieran Sampson, 2024-04-26 16 year old Tilly is a typical teenager She has loving parents gets good grades is on her way to the school volleyball championships and believes the worst part of her life is having to babysit her little brother now and then That was until her best friend ignores her her family seems to have forgotten she exists and an old friend who died a couple of weeks ago shows up at school and helps her realize she has been murdered And things are about to get worse Stuck on earth she discovers she is not the only victim of her killer there are four more teens She also discovers that her little brother can see and hear her The small group band together and set out to

catch their killer but slowly figure out that catching a serial killer is the least of their problems Because of her her family is in danger from an entity larger than any of them could have imagined and if they cannot stop it it may take all their loved ones lives Through the Haze explores Tilly s concept of death as she journeys through the value of family and friendship sibling dynamics of love and loss and her self discovery KEYWORDS young adult ghost story young adult ghost thriller ya ghost story ya ghost thriller ya suspense story ya ghost suspense ghost story Intervention Strategies Manual, Grade Two ,1997
