Plan Bertram Melbourne, 2009-02-15. The Busy People's Bible Study Plan delivers on the promise of its title. The author understands Christians and our need to connect with our Heavenly Father and anticipates the numerous excuses that we allow to get in the way and prevent us from forging an extraordinary bond with him. Whether it is during a commute, taking a lunch break, or just before turning in for the day, this book will provide you with suggestions and strategies to help you develop a consistent time for meaningful personal communion, opportunity to be with God. *The Naked State of Human Being* Luis Ivan Martinez-Toledo, 2016-04-21. This book explains the image of nakedness (*gymnos*) taken by Paul in the Corinthian correspondence to refer to the state of human being during death. Through an academic approach but simple language, the author explains the biblical monist understanding of human being. He takes the biblical experience of death and resurrection to point out his arguments. This book uncovers the ancient problem of the continuation of personal identity from life prior to death on to resurrection. It also provides a fresh biblical approach from an anthropological and biblical perspective to the problem of what being human really is. Those who enjoy traveling through the Bible with an open mind and warm heart will find in this book a good experience. [A Bible Handbook on Slander and Gossip](#) Robert A. Morey, 2009-11. This book is essential reading for all in Christian leadership today. Slander and gossip are condemned in Scripture more than any other sins. Dr. Morey has written the definitive biblical study of these two sins. This book is essential reading for all in Christian leadership today. Slanderers and gossipmongers use the internet to rape the Bride of Christ and to drag the name of Jesus through the mud. May God use this powerful book to rebuke these evil doers. Bishop Colin P. Akridge. Dr. Morey's handbook is full of practical and valuable counsel on recognizing and responding or not responding to slander. For instance, 21 signs of how to recognize a gossip monger. Last but not least, what makes this little book especially valuable are all the contemporary illustrations of gossip and slander along with the application of biblical principles to them. These illustrations are drawn from Dr. Morey's long ministry and vast experience as a pastor and as a counselor of pastors, *pastorum*, and their parishioners. Dr. George P. Hutchinson. Th. M. D. Phil. Dr. Robert A. Morey. M. A. D. Min. Ph. D. D. D. is the Executive Director of Faith Defenders, P.O. Box 240, Millerstown, PA 17062. Mark Challenges the Aeneid Floyd E. Schneider, 2019-12-13 Most scholars believe that Mark wrote his Gospel to the Romans True but in addition to presenting the Gospel to the Romans Mark actually contextualized his Gospel by challenging the leading propaganda of his day Virgil's Aeneid The Roman poet Virgil wrote his masterpiece epic poem the Aeneid to promote the myth that Caesar Augustus was the son of god The Aeneid went viral almost immediately upon publication in 19 BC becoming Rome's premier piece of propaganda that promoted Augustus as the emperor who would bring peace to the world Within the first century the Aeneid reached from Masada to northern Britain and became a foundational piece of Roman education Mark's mother Mary and his uncle Joseph Barnabas raised him in wealth and educated him in the four languages of Hebrew Aramaic Greek and Latin They drew him to Jesus and Barnabas took Mark on the first missionary journey Mark spent time with Peter in Rome where Mark wrote his Gospel in Greek Mark most certainly had direct access to the most influential piece of Latin literature the Aeneid and he wrote his masterpiece Gospel comparing Augustus with Jesus the true Son of God

Wild Grace: Experiencing Your Spiritual Splendor Shonda Savage, [In View of a Harvest](#) Jim Vanderburg, 2015-05-15 At the time Peter wrote this epistle many Christians were facing persecution Early Christians found themselves engaged in constant conflict with authoritarian structures and as a result many began to capitulate and collaborate with the enemy The primary root cause they did not know who they were as members of the body of the Anointed One Nearly two thousand years have passed and the body of the Anointed One in America find themselves in the same situation There is a backlash against the Christian church in the United States We have awakened and found that our hope is not in any political party or process We suddenly find ourselves politically incorrect in an increasingly hostile environment We must first know who we are in the Anointed One This book is a verse by verse study of this epistle with a view to show us who we are and how we live

History Sung J. Cho, 2021-10-21 Sung Cho addresses the seeming contradiction of Herod the Great's massacre in Matthew 2 16 18 questioning why such a tragedy had to occur why it was included in the good news of Jesus and what connection it has to ancient prophecies In creating a reception history of the Massacre of the Innocents Cho progresses through two millennia worth of interpretation and depiction to highlight key works for discussion Beginning with a close reading of Matthew 2 16 18 Cho moves to analyse depictions of the tragedy in the Early Patristic Tradition from the sixth century to the early modern period and thus to the present day complete with an examination of visual interpretations of the massacre Cho's examination provides a positive step to understanding the depths of human suffering with the help of many diverse perspectives

Justice Pending Robert F. Richardson, 2010-10-18 The Revelation is a uniquely relevant book It was written from a pastor's heart for a pastoral purpose John wrote to prepare the saints for the gathering storm as they await the inevitable coming of the Lord The Revelation is the story of His Day when the Son of Man will appear in heaven like a flash of lightning for all to see It is the day that God spoke to His prophets about from the foundation of the world The Revelation is a book filled with allusions and symbols God did not leave their meaning to guess work This commentary will challenge the reader to compare his assumptions about the coming of that day with the prophets who wrote about it prolifically The basic premise of the Reformers was that the Scripture is the best interpreter of Scripture This commentary was written to demonstrate that comparing Scripture with Scripture is the best way to understand the Revelation I have deliberately avoided the jargon of the diverse systems of eschatology to allow the reader to focus on the text and let the Scripture speak for itself I have the profound conviction that the believers to whom John wrote understood what he meant May the blessing promised to those who read and obey this book be yours **Hell**
