Marcel A. Müller

New Mexico Mavericks Stories From A Fabled Past:

New Mexico Mavericks Marc Simmons, 2005 I first saw New Mexico as a kid in 1950 the author says At once I fell under its hypnotic spell as have so many others My commitment to become a writer about things New Mexican was born shortly thereafter From more than a half century of prowling along the byways of the state I've managed to glean a fair knowledge of its peoples and culture What continues to impress me is that history in New Mexico lies so close to the surface Here one continually runs into Indians Hispanos and fourth or fifth generation Anglos whose lives and outlook are firmly rooted in the years before yesterday Moreover their personal histories are enriched by the backdrop of an extraordinary landscape These realities have provided me an abundance of material for carving out the series of short narratives compiled in the book Marc Simmons is a professional author and historian who has published more than forty books on New Mexico and the American Southwest His popular Trail Dust column is syndicated in several regional newspapers In 1993 King Juan Carlos of Spain admitted him to the knightly Order of Isabel la Católica for his contributions to Spanish colonial history

Santa Fe Elizabeth West, 2012 This question and answer book contains 400 reminders of what is known and what is sometimes forgotten or misunderstood about a city that was founded more than 400 years ago Not a traditional history book this group of questions is presented in an apparently random order and the answers occasionally meander off topic as if part of a casual conversation

Santa Fe Rob Dean, 2010 The timeline of American history has always swept through Santa Fe New Mexico Settled by ancient peoples explored by conquistadors conquered by the U S cavalry Santa Fe owns a story that stretches from the talking drums of the Pueblos to the high math of complexity theory pioneered at the Santa Fe Institute This fresh presentation 400 years after the Spanish founded the town in 1610 presents the full arc of Santa Fe's story that sifts through its long complex thrilling history From the moment of first contact between the explorers and the native peoples Santa Fe became a crossroads a place of accommodations and clashes Faith defined sustained and liberated the people All the while scoundrels and abusers of power elbowed their way into civic life And who should piece together that story of the country's oldest capital city The Santa Fe New Mexican the oldest newspaper in the American West walking side by side with the people of Santa Fe for 160 years a long life by the standards of publishing though merely a short span in Santa Fe's timeless drama This book was compiled from a series that appeared monthly in The Santa Fe New Mexican in honor of the city's 400th anniversary commemoration in 2010 It illuminates Santa Fe's enduring promise to cling to roots that are bottomless and to leap into a future that is boundless Over 400 pages many illustrations timelines index and detailed bibliographies Included is a Study Guide for teachers students and anyone interested in Santa Fe and the American Southwest

Walks In Literary Santa Fe Barbara Harrelson, 2007-04-13 In Walks in Literary Santa Fe you will explore the storytelling traditions and cultural history of New Mexico and familiar landmarks This guidebook reveals the stories of historical and legendary figures that have lived in and written about the Land of Enchantment and its storied capital city An

entertaining reference on regional literature and culture for residents and visitors alike this volume includes a Southwest literary timeline Southwest literature bibliography a list of New Mexico s literary classics plus contact details for local literary organizations booksellers and publishers along with information on regional writers retreats and conferences

Trespassers on Our Own Land Juan P. Valdez, Mike Scarborough, 2011 Juan P Valdez was born May 25 1938 in Canjilon New Mexico the second of Amarante and Philomena Valdez seven children Juan s father took him out of school after the third grade to help with the raising of crops and tending of livestock necessary to support the family After having been continuously denied grazing permits by the U S Forest Service it was necessary for Juan to sneak his family s cattle on and off the forest pastures on a daily basis While in his mid twenties Juan met Reies Lopez Tijerina a charismatic former preacher who was traveling from village to village in Northern New Mexico speaking out about how the United States had stolen hundreds of thousands of acres of grant lands that were supposed to have been protected by the Treaty of Guadalupe Hidalgo Juan was the first of eight members of Tijerina s Alianza to enter the Rio Arriba County courthouse on June 5 1967 in a failed attempt to arrest the local district attorney Alfonso Sanchez Ironically the judge in the courthouse that day was J M Scarborough the father of Mike Scarborough who would wind up assisting Juan in the telling of his family history **Trespassers On Our Own Land** is the history of the Valdez family from the time Spain granted Juan Bautista Valdez Juan s great great grandfather an interest in a land grant located around the present village of Canones New Mexico Mike Scarborough grew up in Espanola sixty miles south of where Juan grew up After having spent eight years in the United States Air Force Mike returned to New Mexico attended college and law school and practiced law in the area for twenty five years Some years ago he was asked by his good friend Juan Valdez to help write Juan s family history Mike recently completed a five year study of Juan s family history and the period during the late 1800s and early 1900s when the United States government chose to claim ownership of million of acres of then existing land grants and to deny the settlers who had lived on them for over eighty years their legitimate right to use the land **Trespassers on Our Own Land** is the result of his research

Sweet Freedom's Plains Shirley Ann Wilson Moore, 2016-10-20 The westward migration of nearly half a million Americans in the mid nineteenth century looms large in U S history Classic images of rugged Euro Americans traversing the plains in their prairie schooners still stir the popular imagination But this traditional narrative no matter how alluring falls short of the actual and far more complex reality of the overland trails Among the diverse peoples who converged on the western frontier were African American pioneers men women and children Whether enslaved or free they too were involved in this transformative movement **Sweet Freedom's Plains** is a powerful retelling of the migration story from their perspective Tracing the journeys of black overlanders who traveled the Mormon California Oregon and other trails Shirley Ann Wilson Moore describes in vivid detail what they left behind what they encountered along the way and what they expected to find in their new western homes She argues that African Americans understood advancement and prosperity in ways unique to their situation as an

enslaved and racially persecuted people even as they shared many of the same hopes and dreams held by their white contemporaries For African Americans the journey westward marked the beginning of liberation and transformation At the same time black emigrants aspirations often came into sharp conflict with real world conditions in the West Although many scholars have focused on African Americans who settled in the urban West their early trailblazing voyages into the Oregon Country Utah Territory New Mexico Territory and California deserve greater attention Having combed censuses maps government documents and white overlanders diaries along with the few accounts written by black overlanders or passed down orally to their living descendants Moore gives voice to the countless mostly anonymous black men and women who trekked the plains and mountains Sweet Freedom s Plains places African American overlanders where they belong at the center of the western migration narrative Their experiences and perspectives enhance our understanding of this formative period in American history **New Mexico Magazine** ,2006-07 The Writers Directory ,2013 **Access** ,2006

American Book Publishing Record ,2007 New Mexico Quarterly ,1946 *The New Mexico Quarterly* ,1946 *The New Mexico Quarterly Review* ,1946 **The Good, The Bad and The Ugly - 175+ Western Novels & Short Stories in One Edition**

Burs Under the Saddle Ramon Frederick Adams, 1989 This immense book by a noted bibliographer of the West is beyond question the fairest most complete and most learned evaluation of printed references to western outlaws to appear until now It will stand for many years solid as a rock amid the flooding maelstrom of western myth and legend pointing up the truth about those men of the past who lived by their wits and their guns It will be impossible for anyone studying that era and such men to do so without reference to this volume Los Angeles Times Adams turns again to the books and histories of the western gunmen and outlaws and critically examines 425 titles most of which rate as burs under his saddle Ramon Adams plea is that the writers must stop compounding each other's errors into legend In this book with great skill and without malice he has pointed out past mistakes His book should be in the essential baggage of every writer on western outlaws and on every library shelf American West The value of this book to writers and historians of the badman tradition cannot be overestimated for Adams has replaced rumors myths and falsehoods with documented historical facts It is a book for all conscientious students of and writers on the American West henceforth any writer of authentic Western history who refuses to check with Adams should be as the judge said to Billy the Kid in one legend hanged by the neck until dead dead Southwest Review

Newspapers Richard A. Schwarzlose, 1987-11-13 This is an extensive bibliographic essay on the history practice and impact of newspapers on American society Organized into nine chapters the book analyzes more than 1 700 books and journals for their value in newspaper research Especially useful to librarians is the chapter that describes reference sources including online services covering newspapers published in the United States and available in most university libraries Each chapter consists of a comparative review essay followed by a bibliography of the sources mentioned

Two appendices provide a selected chronology of newspapers and a guide to major newspaper research collections ISBN 0
313 23613 5 55 00 For use only in the library
