New Testament In Literary Criticism:

The New Testament in Literary Criticism Leland Ryken, 1984 An anthology edited by the author of *How to Read the Bible as Literature* It contains interesting readings on the literary interpretation of the four gospels [The New Literary Criticism and the New Testament](#) Elizabeth Struthers Malbon, Edgar V. McKnight, 1994-10-01 This publication presents the rich variety of critical methodologies in contemporary literary study of the New Testament The tradition of study represented in the essays lies at the conjunction of developments in biblical studies and literary criticism 1 the exhaustion of New Testament historical criticism in general and redaction criticism in particular 2 the waning of Formalist New Critical approaches in literary study and 3 the emphasis upon the text in terms of language and discourse as the free play of signifiers The essays deal with theory exegesis and their interdependence in this new literary context However contributions of earlier epochs in the history of literary criticism and New Testament study are integrated into current approaches For example the issue of reference originating in the mimetic theories of classical antiquity is raised implicitly and explicitly Implications of literary study for theology are suggested The relationship between redaction critical and literary approaches is examined Theoretical and exegetical essays growing out of feminist literary study are offered Orality allegory deconstruction ideology sociological criticism rhetorical criticism narrative criticism as well as other themes and methods are discussed in the essays treatment of writings of the New Testament A rich variety of critical methodologies in contemporary literary study of the New Testament *Literary Criticism of the New Testament* William A. Beardslee, 1970 For many years scholars have concentrated on the literary sources used by the author editors of the books of the New Testament and regarded these books as self consciously created William A Beardslee turns literary criticism in a new direction by looking at the New Testament as unselfconscious popular literature and attempting to understand its aesthetic structure and force After a survey of literary criticism both ancient and modern the author examines selected literary forms found in the New Testament gospel proverb history as seen in the canonical book of Acts and apocalypse In each case he shows how the form reflects the faith of those who worked with it Also included are chapters on the literary history of the Synoptic Gospels and on the relationship of literary criticism to contemporary theological concerns Back cover **Literary Theory and the New Testament** Michal Beth Dinkler, 2019-11-26 A comprehensive case for a fresh literary approach to the New Testament For at least a half century scholars have been adopting literary approaches to the New Testament inspired by certain branches of literary criticism and theory In this important and illuminating work Michal Beth Dinkler uses contemporary literary theory to enhance our understanding and interpretation of the New Testament texts Dinkler provides an integrated approach to the relation between literary theory and biblical interpretation employing a wide range of practical theories and methods This indispensable work engages foundational concepts and figures the historical contexts of various theoretical approaches and ongoing literary scholarship into the twenty first century In *Literary Theory and the New Testament* Dinkler assesses

previous literary treatments of the New Testament and calls for a new phase of nuanced thinking about New Testament texts as both ancient and literary

Literary Criticism for New Testament Critics Norman R. Petersen, 2008-09-25 Utilizing Mark and Luke Acts as case studies Norman Petersen moves beyond redaction criticism to show both the necessity and the possibility for literary criticism to be an integral part of the historical critical study of biblical writings

The New Literary Criticism and the Hebrew Bible J. Cheryl Exum, David J. A. Clines, 1993-09-01 The purpose of this original volume is to illustrate what has been happening recently in Hebrew Bible studies under the influence of developments in literary theory in the last couple of decades The methods and practice of reader response criticism and deconstruction as well as of feminist materialist and psychoanalytic approaches are represented here by essays from leading Hebrew Bible literary critics Alice Bach Robert Carroll Francisco Garcia Treto David Jobling Francis Landy Stuart Lasine Peter Miscall Hugh Pyper Robert Polzin and Ilona Rashkow together with the two editors present distinctive and eclectic essays on particular biblical texts introducing students and scholars to exciting new dimensions of biblical study

The New Testament as True Fiction Douglas Templeton, 2004-11-24 An original provocative and thoughtful series of readings of the New Testament and extra biblical texts Making forays into literary criticism philosophy and theology Templeton draws upon a rich diversity of sources He proposes that we read the New Testament not as history true or false in what is still the dominant hermeneutic but rather as true fiction

The New Testament and Literature Stephen D. Cox, 2006 The New Testament may be the most influential book of all time from both a religious and a literary standpoint But while the New Testament's impact upon people's religious beliefs and practices has been analyzed and continues to be analyzed at enormous length and in intricate detail amazingly little has been written about the New Testament's impact as literature

The New Literary Criticism and the New Testament Elizabeth Struthers Malbon, Edgar V. McKnight, 1994-10-01 This publication presents the rich variety of critical methodologies in contemporary literary study of the New Testament The tradition of study represented in the essays lies at the conjunction of developments in biblical studies and literary criticism

- 1 the exhaustion of New Testament historical criticism in general and redaction criticism in particular
- 2 the waning of Formalist New Critical approaches in literary study and
- 3 the emphasis upon the text in terms of language and discourse as the free play of signifiers

The essays deal with theory exegesis and their interdependence in this new literary context However contributions of earlier epochs in the history of literary criticism and New Testament study are integrated into current approaches For example the issue of reference originating in the mimetic theories of classical antiquity is raised implicitly and explicitly Implications of literary study for theology are suggested The relationship between redaction critical and literary approaches is examined Theoretical and exegetical essays growing out of feminist literary study are offered Orality allegory deconstruction ideology sociological criticism rhetorical criticism narrative criticism as well as other themes and methods are discussed in the essays treatment of writings of the New Testament A rich variety of critical methodologies in contemporary literary study of the New Testament

Narrative Criticism of the New Testament James L. Resseguie, 2022-10-25 Narrative criticism is a relatively recent development that applies literary methods to the study of Scripture James Resseguie suggests that this approach to reading the Bible treats the text as a self contained unit and avoids complications raised by other critical methods of interpretation Resseguie begins with an introductory chapter that surveys the methods of narrative criticism and how they can be used to discover important nuances of meaning through what he describes as a close reading of the text He then devotes chapters to the principal rhetorical devices setting point of view character rhetoric plot and reader Readers will find here an accessible introduction to the subject of narrative criticism and a richly rewarding approach to reading the Bible

Beyond Form Criticism Paul R. House, 1992 Literary analysis has stimulated discussion in many areas generated excitement among scholars and offered new ways of studying the Bible for a wide variety of readers The works chosen exhibit why literary criticism has grown from a passing fad to a hopefully lasting part of Old Testament research The format of this collection seeks to address two very basic areas Biblical studies both introduce and implement critical methodologies Scholars choose approaches and then use them to explain texts Therefore at least two articles appear for each literary approach in the sections below One article has been chosen to help the reader define an individual type of literary analysis Subsequent articles then use the methodology to explain an Old Testament text In this way both an approach s theoretical and practical value can be judged Editor s preface

The Blackwell Companion to The New Testament David E. Aune, 2010-01-22 The Blackwell Companion to the New Testament is a detailed introduction to the New Testament written by more than 40 scholars from a variety of Christian denominations Treats the 27 books and letters of the New Testament systematically beginning with a review of current issues and concluding with an annotated bibliography Considers the historical social and cultural contexts in which the New Testament was produced exploring relevant linguistic and textual issues An international contributor list of over 40 scholars represent wide field expertise and a variety of Christian denominations Distinctive features include a unified treatment of Luke through Acts articles on the canonical Gospels and a discussion of the apocryphal New Testament
