The Elegiac Passion Ruth Rothaus Caston, 2012-08-01 The passions were a topic of widespread interest in antiquity as has been shown by the recent interest and research in the emotions in Greek and Roman literature Until now however there has been very little focus on love elegy or its relation to contemporary philosophical positions Yet Roman love elegy depends crucially upon the passions without love anger jealousy pity and fear elegy could not exist at all The Elegiac Passion provides the first investigation of the ancient representation of jealousy in its Roman context as well as its significance for Roman love elegy itself The poems of Propertius Tibullus and Ovid are built upon the presumed existence of a love triangle involving poet mistress and rival the very structure of elegy thus creates an ideal scenario for the arousal of jealousy This study begins by examining the differences between the elegiac treatment of love and that of philosophy whether Stoic or Epicurean Ruth Caston uses the main chapters to address the depiction of jealousy in the love relationship and explores in detail the role of the senses the role of readers both those internal and external to the poems and the use of violence as a response to jealousy Elegy provides a multi faceted perspective on jealousy that gives us details and nuances of the experience of jealousy not found elsewhere in ancient literature She argues that jealousy turns centrally on the question of fides The fear of broken obligations and the consequent lack of trust are relevant not only to the love affair that forms the subject of these poems but to many other relationships represented in elegy as well Overall she demonstrates that jealousy is not merely the subject matter of elegy it creates and structures elegy s various generic features Jealousy thus provides a much more satisfying explanation for the specific character of Roman elegy than the various theories about its origins that have typically been put forward

A Passion for Birds Mark V. Barrow, Jr., 2021-08-10 In the decades following the Civil War as industrialization urbanization and economic expansion increasingly reshaped the landscape many Americans began seeking adventure and aesthetic gratification through avian pursuits By the turn of the century hundreds of thousands of middle and upper class devotees were rushing to join Audubon societies purchase field guides and keep records of the species they encountered in

the wild Mark Barrow vividly reconstructs this story not only through the experiences of birdwatchers collectors conservationists and taxidermists but also through those of a relatively new breed of bird enthusiast the technically oriented ornithologist In exploring how ornithologists struggled to forge a discipline and profession amidst an explosion of popular interest in natural history *A Passion for Birds* provides the first book length history of American ornithology from the death of John James Audubon to the Second World War Barrow shows how efforts to form a scientific community distinct from popular birders met with only partial success The founding of the American Ornithologists Union in 1883 and the subsequent expansion of formal educational and employment opportunities in ornithology marked important milestones in this campaign Yet by the middle of the twentieth century when ornithology had finally achieved the status of a modern profession its practitioners remained dependent on the services of birdwatchers and other amateur enthusiasts Environmental issues also loom large in Barrow s account as he traces areas of both cooperation and conflict between ornithologists and wildlife conservationists Recounting a colorful story based on the interactions among a wide variety of bird lovers this book will interest historians of science environmental historians ornithologists birdwatchers and anyone curious about the historical roots of today s birding boom **The Expositor** ,1919 **The Passion of Yang Kwei-fei** Georges Soulié de Morant,1928

Poems William Roscoe Thayer,1894 **Love Poems To A Poet: 111 Poems Of Eternal Love, Passion and Desire** Leila Ziari ,2020-02-14 Leila Ziari s first collection of poetry invites readers into a world of transformative love Dedicated to and inspired by Bob Dylan these one hundred and eleven poems reveal the bliss pain expansion longing and ecstasy of eternal love Earthly and ethereal timely and timeless Just as Ziari chronicles her own metamorphosis she invites the reader to be inspired uplifted healed and renewed Through her bold confession of passionate devotion Ziari dissects the very essence of love and the whirlwind of emotions therein It is her vulnerability that allow for such immersion reminding readers that those we love are part of our spirits and have been embedded in our souls since the beginning of time While she hints at deep scars this poet never wallows Her transcendent poetry reaches beyond Ziari shows us what we know but so often forget the evolutionary and revolutionary power of love [Bibliography of Peace Corps Writers](#) ,1994 **Charles Lamb: A Memoir** Barry Cornwall,2019-12-16 In *Charles Lamb A Memoir* Barry Cornwall intricately weaves a portrait of the esteemed essayist and poet Charles Lamb showcasing not only his literary genius but also the profound complexities of his personal life Cornwall s narrative style is reflective and evocative immersing readers in the atmosphere of early 19th century London while capturing the subtleties of Lamb s character relationships and the challenges he faced including his struggles with mental health and the impact of familial responsibilities Through a blend of biographical detail and literary analysis Cornwall elucidates Lamb s contributions to romantic literature providing a contextual framework that enriches the reader s understanding of his enduring legacy Barry Cornwall a poet himself and a contemporary of Lamb draws from his personal acquaintance and familiarity with the literary circles of their time Cornwall s deep admiration for Lamb undoubtedly fueled

his desire to document not only the life and works of a friend but also the broader cultural milieu that influenced Lamb's writing. His own experiences as an artist contribute depth to the memoir as he navigates the tensions between creativity and personal strife that were intrinsic to Lamb's existence. This memoir is a must read for those intrigued by romantic literature and its complex figures.
