Pastures New:

Pasture Management D Kemp, D Michalk, 1994-01-01 This book looks at current knowledge on management of pastures and rangelands for sheep production of problems of practical solutions where possible and of priority areas for research The areas considered extend from the high rainfall perennial pastures of south east Australia and New Zealand through the annual pasture cropping zones to the semi arid rangelands Pasture Management is the major reference on managing Australia's greatest natural resource the resource which provides directly and indirectly a major part of Australia's export income

Competition and Succession in Pastures P. G. Tow, Alec Lazenby, 2000-12-01 This book describes how competition between plant species and succession in plant ecosystems operate in grasslands and grazed pastures both natural and sown It discusses how competition both affects botanical structure productivity and persistence of pastures and is itself regulated by biological environmental and management factors such as grazing animals The book also examines the ways in which competition and succession are analysed evaluated and measured and brings to the agricultural arena the considerable progress made in understanding the principles of competition from theoretical and experimental ecology

Playing God Henry Carl Bial, 2015-08-20 Biblical texts have inspired more than 100 Broadway plays and musicals ranging from early spectacles like Ben Hur 1899 to more familiar works such as Godspell and Jesus Christ Superstar What happens when a culture's most sacred text enters its most commercial performance venue Playing God focuses on eleven successful productions as well as a few notable flops that highlight the difficulties in adapting the Old and New Testaments for the stage The book is informed by both performance studies and theater history combining analysis of play scripts with archival research into the actual circumstances of production and reception Biblical plays Henry Bial argues balance religious and commercial considerations through a complex blend of spectacle authenticity sincerity and irony Though there is no magic formula for a successful adaptation these four analytical lenses help explain why some biblical plays thrive while others have not
