The Way of Discipleship Ron Stohler, 2015-03-13 Follow my example as I follow the example of Christ 1 Corinthians 11:1 NIV Jesus walked the shores of Galilee and called ordinary fishermen to drop their nets to follow Him Follow me wasn't a suggestion but a summons from the very Son of God In response they left everything known and comfortable to live with Jesus learn from Jesus be launched by Jesus to go and make disciples in His name Their lives and this world has never been the same Jesus still calls ordinary people by name to follow him The problem is many churches today are filled with people who claim to believe in Jesus but whose lives don't reflect his character and calling Many fans Few followers Many believers Few disciples That needs to change Which is why the leaders of Grace Church focused their efforts in 2010 to launch the Way of Discipleship to aggressively respond to the Great Commission to go and make disciples of all nations The Way of Discipleship is a time-bound intentional relationship focused on learning and embracing 11 essential practices to following Jesus Christ The Way of Discipleship engages one person a discipler who invites another person a disciple to follow them as they follow Christ The Way of Discipleship shapes our character who we are and our calling what we do Like a tree the Way of Discipleship roots us in Christ provides stability to weather the storms of life and branches out to bear fruit in our

lives This resource is a tool to facilitate this relationship over a period of one to three years to integrate these practices into one's life and prepare the disciple to replicate it into another relationship It will be costly but the cause is worth it more than anything else the world has to offer

The Way of Discipleship Anthony J. Gittins, 2016-11-04 Vatican II's famous declaration that the church on earth is by its very nature missionary has often been taken out of context and used to support all manner of church initiatives But the conclusion of the statement since it has its origin in the mission of the Son and the Holy Spirit is of monumental importance In *The Way of Discipleship* theologian Anthony Gittins describes the eternal mission of the Trinity historically brought down to earth in the ministry of Jesus and then continued to the ends of the earth by those called and sent as disciples throughout future generations Gittins explains that Christian discipleship must be the living out of Jesus' own example in many different times and places He encourages people of all ages to follow the invitation of Jesus to be missionary disciples *The Way of Discipleship* explores several New Testament examples of Jesus' call and commissioning distills the principles involved and then recontextualizes the stories so that they pose a direct challenge to disciples today In this way Gittins builds up a picture both of the Way of Jesus himself and of the way in which today's disciples can loyally follow his call to mission
