Weaving and Dyeing in Highland Ecuador Ann Pollard Rowe,Laura M. Miller,Lynn A. Meisch,2009-03-06 Although less well known than its much admired counterparts in Peru and Bolivia highland Ecuadorian weaving is an Andean tradition that has relationships with these more southern areas A world away from the industrialized textile manufacturing of Euro American society these handmade pieces reflect the history and artistry of an ancient culture This comprehensive study edited by Ann Pollard Rowe is unrivaled in its detail and includes not only descriptions of the indigenous weaving and dyeing technology but also an interpretation of its historical significance as well as hundreds of photographs drawings and maps that inform the understanding of the process The principal focus is on backstrap loom weaving a major pre Hispanic technology Ecuadorian backstrap looms which differ in various ways from those found elsewhere in the Andes have previously only been treated in general terms Here the basic operation of this style

of loom is covered as are a variety of patterning techniques including warp resist ikat dyeing weaving belts with twill and supplementary and complementary warp patterning Spanish colonial treadle loom weaving is also covered The weaving techniques are explained in detail so the reader can replicate them if desired Textiles have been an important art form among Andean peoples from remote prehistory up to the present A greater understanding of their creation process can yield a more meaningful appreciation of the art itself

International Handbook of Play Therapy Charles Schaefer, Judy McCormick, Akiko J. Ohnogi, 2010-08-14 In the past twenty five years the practice of play therapy has increased exponentially in America and throughout the world This handbook brings together an international group of scholars and therapists to address a wide variety of topics relevant to the rapidly expanding field of play therapy The primary goal of the handbook is to provide play therapists with practical information they can put into immediate use in their clinical work with children and adolescents Thus the focus is on advances in assessment theory research and practice that have universal appeal rather than on adaptations of play therapy to specific cultures Play therapists and students from diverse cultures professional disciplines and theoretical orientations will find this book to be a comprehensive resource for keeping abreast of innovations in the field
