Producers 2001 Hollywood Creative Directory:

Hollywood Creative Directory, 2007 **On Hollywood** Allen J. Scott, 2018-06-05 Why is the U S motion picture industry concentrated in Hollywood and why does it remain there in the age of globalization Allen Scott uses the tools of economic geography to explore these questions and to provide a number of highly original answers The conceptual roots of his analysis go back to Alfred Marshall s theory of industrial districts and pick up on modern ideas about business clusters as sites of efficient and innovative production On Hollywood builds on this work by adding major new empirical elements By examining the history of motion picture production from the early twentieth century to the present through this analytic lens Scott is able to show why the industry which was initially focused on New York had shifted the majority of its production to Southern California by 1919 He also addresses in detail the bases of Hollywood s long standing creative energies and competitive advantages At the same time the book explores the steady globalization of Hollywood s market reach as well as the cultural and political dilemmas posed by this phenomenon On Hollywood will appeal not only to general readers with an interest in the motion picture industry but also to economic geographers business professionals regional development practitioners and cultural theorists as well *Hollywood Creative Directory* Hollywood Creative Directory, Hollywood Creative Directory Staff, 2006 The Hollywood Creative Directory isn t called the phone book to Hollywood for nothing It s the authoritative source for finding entertainment professionals and it s packed with names numbers addresses and current titles of executives from film and television Comprehensive and up to the minute the directory is used by studios directors producers writers actors aspiring filmmakers students college and university libraries researchers anyone who needs reliable information fast Get the best and most respected directory for navigating the complicated maze called Hollywood
